General Questions

Q: What is McDonald's doing?

- Today we are announcing a series of moves that will make a difference in our employees' lives. We believe these moves are the right thing to do for our company-owned restaurant employees, and will deliver a better experience for our customers.
 - On July 1, all crew employees (full-time and part-time) at company-owned restaurants will be eligible to accrue paid time-off after a year on the job, which they can use for any reason whatsoever. Part-time employees will get the same benefit. And those who don't use the time-off they've earned will be paid for it.
 - This benefit is being *extended* to all crew and crew trainers working in company-owned restaurants. Managers are currently eligible to participate in other paid time-off programs at McDonald's.
 - Eligible employees can earn up to five paid days off per year (if part-time, a day equals the average number of hours worked per shift). For example, if average hours are six per shift, the Crew member can earn up to five paid days off at six hours per day.
 - Also on July 1, our starting wages will be one dollar over the local minimum wage at all company-owned restaurants. This is a first step and we will review the wages we provide those employees on an ongoing basis.
 - For many, the increase will represent more than a 10% increase in pay.
 - By the end of 2016, we project that the average hourly wage rate for McDonald's employees at company-owned restaurants will be in excess of \$10.
 - Currently, the **average** hourly wage rate for company-owned restaurant employees is \$9.01. By 7/1, it will be \$9.90.
 - The average wage rate includes Crew, Crew Trainers, Shift Supervisors, Swing Managers and Maintenance Positions.
 - And, while many of our independent owner/operators have been providing educational opportunities to their employees for many years, we are now expanding our efforts to help all eligible employees working in McDonald's restaurants, company or franchise-owned, achieve a higher level of education. Through Archways to Opportunity, an overarching education strategy that meets people at their point of need, we will make it possible for

FAQ

eligible employees to earn a high school diploma at no cost to them, to help address the needs of the millions of adult Americans who do not have a high school diploma.

- Eligible employees seeking higher education can receive college credits and tuition assistance and will also have access to academic advising.
- For those who speak English as a second language, our English Under the Arches program offers free language classes.

Q: What will the average wage be for a McDonald's employee after this entry-level wage is changed?

- By the end of 2016, we project that the average hourly wage rate for McDonald's employees at company-owned restaurants will be in excess of \$10.
 - Currently, the average hourly wage rate for company-owned restaurant employees is \$9.01. By 7/1, it will be \$9.90. By end of 2016, it will be in excess of \$10.
- The average wage rate includes Crew, Crew Trainers, Shift Supervisors, Swing Managers, and Maintenance Positions.

Q: Is this a commitment to maintain McDonald's starting wages at a dollar above minimum wage, even if it increases?

- Our commitment is to raise the starting wage to a dollar above local minimum wage on July 1 and review on an ongoing basis.

Q: Does the small wage increase signal that McDonald's simply can't afford to do more because of the state of its business or because the company needs to preserve margins?

- We don't consider the wage increase to be "small."
- To remain competitive, we also have to remain flexible while also understanding the environment in which we are operating.
- Today we've introduced a series of steps we are taking to offer more opportunities to our workers, but this isn't the end point – we're going to continue to listen to crew members, our customers, and monitor the competitive landscape and our overall performance.
- This is a first step.

Q: Does the small wage increase indicate that a higher one would have upset owner/operators, who are already being critical of the company?

- No. We are offering this package of benefits based on employee feedback about what will make a difference in their lives, as well as their paychecks.
- We do not have the ability to make wage decisions for our owner/operators. But many of them have already lifted wages for their workers beyond the federal minimum wage.
- We consistently share best practices with our owner/operators, and as we monitor how this decision has affected our workforce and our customer service, we'll certainly share those findings with our owner/operators and they'll make the decisions that are best for them.

Q: This is, in essence, a raise of \$1 over the minimum wage – a raise to \$8.25. That's not close to being responsive to the national dialogue over income inequality, and, in fact, is significantly less than what is being done by other large employers. How does McDonald's justify this?

- As always, we will review on an ongoing basis the amount we pay our employees. We believe our wages are and will be competitive for our industry.

FAQ

- But today is about more than wage. After wage, the thing our employees told us they wanted most was paid leave. And many of our employees have asked for assistance in furthering their education, which we are doing with Archways to Opportunity.
- We made the decision to offer this package of benefits based on what our employees have told us they want and what the business is able to do in this competitive industry.

Q: Does this mean you will be giving a dollar raise to employee's already earning, say, \$10 – the same dollar you'll be giving to those who make \$7.25?

- Our starting wage will be one dollar over the local minimum wage at all company-owned restaurants. All crew and crew trainers will be paid at least one dollar over the local minimum wage.
- The amount of the increase will vary, depending on their tenure and job performance.
- By the end of 2016, we project that the average hourly wage rate for McDonald's employees at company-owned restaurants will be in excess of \$10.

Q: How many employees does this move impact?

- The wage increase impacts the more than 90,000 employees in company-owned restaurants.
- The paid time-off impacts all crew and crew trainers after one year on the job (Managers are currently eligible to participate in other paid time-off programs at McDonald's).
- The expanded educational opportunities will be available to eligible employees in all company- and franchise-owned restaurants.

Q: How many restaurants does this impact?

- The wage increase and paid personal time-off impacts about 1,500 company-owned restaurants.
- The expanded educational opportunities will be available to eligible employees in more than 14,000 company- and franchise-owned restaurants.

Q: How big a move is this when it really only impacts 10 percent of U.S. operations?

- First, many franchisees already pay their employees' wages above the federal minimum wage.
- Second, our franchise system includes 3,100 independent owner/operators who make their own decisions on how they run their businesses and pay their employees.
- But the actions we are taking today are an important first step. And we hope to demonstrate to our franchisees and our industry that this can be a successful business model.
- The high school diploma, college credit, tuition assistance and English under the Arches will be available to all eligible employees in more than 14,000 McDonald's restaurants, both company- and franchise-owned.

Q: Did you do this because the White House asked you?

- We have wanted to make a move on wages for some time, but we also wanted to offer something that could make a positive difference in our employees' lives, not just their paychecks.
- So we asked our employees what could make a real difference in their lives and we assembled a comprehensive package of benefits to do so.
- We are responding to employee feedback. In addition to wages, they have told us that paid time-off and education assistance are benefits that would make a meaningful difference in their lives.

Q: Why have you chosen the initiatives you have?

- We've always understood that creating opportunities and enhancing the employee experience begins

FAQ

with competitive wages, but doesn't end there. Our employees have told us that paid time-off and educational opportunities are also extremely important to them and can make a real difference in their lives.

Q: Why is paid time-off significant?

- Having that time allows people to take care of their family, go to the doctor, or just take a much-needed break. Without it, people take unpaid leave when they need the time.

Q: Why has it taken McDonald's longer than other companies to do this?

- For the past several years, the pace of change outside of McDonald's has been quicker than the pace within. In certain areas, our business has been left behind and today we are making changes with a renewed sense of urgency and purpose to turn things around.
- We have wanted to make a move on wages for some time, but we also wanted to offer something that could make a positive difference in our employees' lives, not just their paychecks.
- We considered employee feedback and assembled a comprehensive package of benefits to do so.

Q: Is McDonald's taking this action to respond to anything (criticism, stakeholders, customers, Wal-Mart, etc.)?

- We are responding to employee feedback.
- We know that wages are important, but our employees have told us that paid time-off and educational opportunities are also extremely important to them and can make a real difference in their lives.

Q: How much money is this costing McDonald's – in the first year, second year, and third year?

- The company is committed to offering employees advancement opportunities, competitive pay and benefits – these actions will enhance the competitiveness of our entire compensation and benefits package and will, in turn, allow us to attract and retain the best employees in our restaurants
- We estimate the total incremental labor cost to be between \$60-75k per company-owned restaurant in 2015; just under ½ of this cost would have been incurred anyway due to the impact of state minimum wage increases, as well as some additional planned increases in our company-owned restaurants.

IF ASKED: What are the costs of the individual components: wages, paid time-off, and the education piece? The majority of the cost of today's announcement will be due to the increase in wage rates.

Q: Why is McDonald's not raising wages and providing the other benefits at all the McDonald's in the United States?

- First, many franchisees already pay their employees wages above the federal minimum wage.
- McDonald's is a franchisor – we do not control the employment or compensation policies of independent owner/operators.
- Our franchise system includes more than 3,100 independent owner/operators who make their own decisions on how they run their businesses and pay their employees.
- The actions we are taking today are an important first step. We hope to demonstrate to our franchisees and our industry that this can be a successful business model.

Q: Is McDonald's encouraging its franchised restaurants to adopt the same measures?

- Many franchisees already pay their employees wages above the federal minimum wage.
- McDonald's is a franchisor – it does not control the employment or compensation policies of our independent owner/operators.

FAQ

- Independent owner/operators make their own decisions about their businesses.
- The actions we are taking today are an important first step. We hope to demonstrate to our franchisees and our industry that this can be a successful business model.

Q: How long has the company been working on this initiative?

- We have wanted to make a move on wages for some time, but we also wanted to offer something that could make a positive difference in our employees' lives, not just their paychecks.

Q: Why didn't the company do anything about predictable scheduling, or increasing the number of hours it gives employees?

- Today we've announced a series of steps we're taking to offer more opportunities to our workers, but this isn't the end point – we're going to continue to listen to our crew members, our customers, and to monitor the competitive landscape.

Q: Was Don Thompson a proponent of this? Was he involved in these efforts before his retirement or is this a move solely pushed by Steve Easterbrook?

- Our leadership, both past and present, understands the importance of these moves and are strong proponents of initiatives that benefit our employees in our restaurants and beyond.

Q: Aside from being good from a morale standpoint, what operational benefits do you expect these moves will generate?

- An investment in our employees is also an investment in the customer experience.
- Enhancing the employee experience will motivate them to continue providing top service to our loyal customers at the front counters and drive-thrus of our restaurants.
- In addition, these moves will strengthen our employee talent by attracting and retaining the best possible employees.

Q: Will this lead to a raise in food prices at McDonald's company-owned restaurants?

- Our goal around pricing remains unchanged – we manage menu prices to ensure value across the menu, increase profitability and mitigate inflation, all while trying to maintain guest count momentum.

Q: Does this action signal that McDonald's will be taking similar actions at company-owned operations in other countries?

- This is a U.S. initiative that applies to company-owned restaurants in the United States.

Owner/Operator Relationship

Q: What kind of pressures does this move put on owner/operators?

- Many franchisees already pay their employees wages above the federal minimum wage.
- Our franchise system includes more than 3,100 independent owner/operators who make their own decisions on how they run their businesses and pay their employees.
- We all share a commitment to providing our respective employees with opportunities to succeed, and we have a long, proven history of providing these opportunities.
- We hope to demonstrate to our franchisees and our industry that this can be a successful business model.

Q: What has been the reaction of owner/operators?

FAQ

- They understand that this is ultimately about improving the customer experience and growing the business – that’s what fuels the decisions we make.
- Many of them already pay wages above the federal minimum wage and provide opportunities to their employees to help advance their education. They are very excited about the expanded education benefits that the company will now fund for their employees.

Q: Are there owner/operators who are supportive of this move?

- We believe many of our independent owner/operators share our thinking that investing in our employees is also an investment in the customer experience.

Q: Who are they?

- It would not be appropriate for us to share their information.

Q: How many owner/operator restaurants will be directly impacted by a McOpCo within a 5 mile radius?

- (Internal Message Only) We have 2,600 franchised restaurants within a 5 mile proximity of a McOpCo.
- (Internal Message Only) These 2,600 franchised restaurants represent 912 owner/operators.

Q: Why aren’t leadership owner/operators publicly supporting this move?

- Since making this announcement, we have received a lot of positive feedback from stakeholders as well as franchisees.
- They understand that we are making moves that benefit our employees (those working in company-owned restaurants) and that we ultimately hope to continue to improve the customer experience in our restaurants.

Q: How would you break down the divide between supportive and not supportive?

- We can’t and won’t speculate.

Q: Will owner/operators who implement similar programs to this one – who are more supportive of the company – be in better position for investments and purchase of additional restaurants?

- Of course not. Investing in our employees at our company-owned restaurants has nothing to do with any investments we may make in franchised restaurants.

Q: What are you telling owner/operators who are saying that this will negatively impact the financial value of their restaurants?

- McDonald’s franchisees understand that we are making moves that benefit employees in company-owned restaurants.
- This is ultimately about improving the customer experience and growing the business – that’s what fuels the decisions we make. Our people are our greatest asset and we are proud to invest in them.
- By taking this step, we hope to demonstrate this investment also improves the customer experience in our restaurants.

Q: What are you telling operators who are saying McDonald’s is using money they pay in fees to pay its people higher wages?

- That’s not true.

Q: Has there been any organized, negative reaction to this plan as you have been informing owner/operators about it?

- No

FAQ

Owner/Operator Employees

Q: What do you expect the reaction of franchise employees will be? How will you address that, or how will you recommend that owner/operators address that?

- We made the decision based on feedback from our employees and what the business is able to do in this competitive industry, and we will review on an ongoing basis based on feedback from our employees (those working in company-owned restaurants).
- Keep in mind, this is about more than wage.
- We are providing our eligible employees with paid time-off and expanded educational opportunities, benefits they have told us are important to their jobs and lives.
- We can't predict how employees of operators will react. However, wages vary significantly from operator to operator, so we expect reaction will depend on the operator. We do not have any say in what operators pay their employees and thus cannot accurately predict the reaction of operator employees.

Q: Do you expect that franchise employees will leave their jobs, or attempt to get jobs at company-owned restaurants?

- We're not going to speculate.
- We anticipate that all of McDonald's restaurants will continue to attract employees with the various opportunities that are provided for career advancement including the new expanded educational opportunities.

Q: Do you expect that franchise employees will be so angered by this that they will be more likely to participate in labor protests?

- We are not going to speculate.
- However, we do not view a wage increase at company-owned restaurants as cause for anyone to be "angered."

Labor Relations

Q: What will you say to critics who will likely say that this wage increase is "too little, too late?"

- We made the decision based on employee feedback and what the business is able to do in this competitive industry, and we will review on an ongoing basis.
- Keep in mind, this is about more than wage. We are providing eligible employees with paid time-off and expanded educational opportunities, benefits they have told us are important to their jobs and lives.

Q: Doesn't this set up a tension between two groups of employees – one that benefits, and one that doesn't? Isn't that going to be terribly disruptive to the business at a sensitive time?

- McDonald's is a franchisor – it does not control the employment or compensation policies of our independent owner/operators.
- We hope that by making this move we demonstrate to our franchisees and our industry that this can be a successful business model.

Q: What will you say to critics who say McDonald's caved to the unions, or that "the union won?"

- Our decisions today have nothing to do with the labor campaign. We are responding to what we believe are market conditions and our employees' feedback, and with a keen sense that we need to do more for our employees to create the best possible work experience.

FAQ

Q: Doesn't this embolden the union to say that this move is a direct result of union pressure, and that employees would benefit from continued union protests, and, ultimately, union representation?

- No. While these groups can say whatever they want, the truth is that this decision had nothing to do with the labor campaign. Our announcement today is a result of employee feedback.
- We know that wages are important, but our employees have told us that paid time-at off and educational opportunities are also extremely important to them and can make a real difference in their lives.

Q: How is this announcement related to the joint employer issues at stake in the National Labor Relations Board matter?

- It is not related.

Q: Was this timing of the announcement tied to the National Labor Relations Board hearings that are upcoming?

- No

Q: Was this announcement tied to the upcoming "Day of Action"?

- No

Q: Was the announcement tied to the upcoming Shareholders Meeting?

- No
- We have been working for some time on a meaningful and comprehensive benefits package for our employees and we are excited to share that news today.

Financial Media/Investor Relations

Q: What is this costing the company?

- The company is committed to offering employees advancement opportunities, competitive pay and benefits – these actions will enhance the competitiveness of our entire compensation and benefits package and will, in turn, allow us to attract and retain the best employees in our restaurants
- We estimate the total incremental labor cost to be between \$60-75k per company-owned restaurant in 2015; just under ½ of this cost would have been incurred anyway due to the impact of state minimum wage increases, as well as some additional planned increases in our company-owned restaurants.
- **IF ASKED:** What are the costs of the individual components: wages, paid time-off, and the education piece? The majority of the cost of today's announcement will be due to the increase in wage rates.

Q: Which of the expected operational levers – guest counts, efficiencies, menu price increases – will be used to make up for the McOpCo labor increases?

- Our business is ultimately a top-line game. Our future plans are multifaceted and are intended to combat these cost pressures and drive future growth.
- We believe the benefits these changes will provide – enhanced ability to attract and retain employees – will result in improvements to our customers' service experience and in incremental guest counts.
 - **IF ASKED:** Based on analysis done in 2014, restaurants with the lowest turnover benefit from higher customer service scores and higher GCs.
 - **NOT TO SHARE:** YTD Dec 2014, the best 20% of restaurants from a crew turnover standpoint had ~2% higher GC's and ~1% lower CSO scores than the lowest 20% of restaurants.
- Our goal around pricing remains unchanged – we manage menu prices to ensure value across the menu, increase profitability and mitigate inflation, all while trying to maintain guest count momentum.

FAQ

Q: Do the cost figures account for compression adjustments that will be made for existing restaurant employees?

- Our starting wages will be one dollar over the local minimum wage at all company-owned restaurants. All crew and crew trainers will be paid least one dollar over the local minimum wage.
- The amount of the increase will vary, depending on their tenure and job performance.
- By the end of 2016, we project that the average hourly wage rate for McDonald's employees at company-owned restaurants will be in excess of \$10.

Q: Why are you doing this now, when the business is in tough shape (sales were down 4% in February)? Would it not have been better to wait until things had stabilized a bit?

- For some time, we have wanted to make a move on wages but we also wanted to offer something that could make a positive difference in our employees' lives, not just their paychecks. This why we are announcing this today.
- Wages are rising and will continue to rise in the future, as a result of state and potential national legislation. Prior to this announcement, we expected wage pressure of approximately \$25-35k per restaurant in 2015 due to the impact of state minimum wage increases as well as some additional planned increases in our company-owned restaurants.
- We believe this move is the right thing for our employees and the business and it reflects our desire to implement wage increases over time so the impact is manageable – this decision reflects that philosophy.
- We will continue to evaluate our wages and benefits on an ongoing basis.
- Ultimately, we believe the benefits of these changes will be good for business. They will provide an enhanced ability to attract and retain employees and will result in an ability to provide even greater experiences for our customers in our restaurants.
 - **IF ASKED:** Based on analysis done in 2014, restaurants with the lowest turnover benefit from higher customer service scores and higher GCs.
 - **NOT TO SHARE:** YTD Dec 2014, the best 20% of restaurants from a crew turnover standpoint had ~2% higher GCs and ~1% lower CSO scores than the lowest 20% of restaurants.

Q: Are you doing this now, early in Steve Easterbrook's tenure, to get some bad news out of the way?

- For some time, we have wanted to make a move on wages but we also wanted to offer something that could make a positive difference in our employees' lives, not just their paychecks. That is why we are announcing this today.
- This is a market-driven decision to enhance the competitiveness of our wages and benefits in U.S. company-owned restaurants.
- We've always believed that wage increases should be implemented over time so the impact is manageable – this decision reflects our philosophy.

Q: Isn't this expense just another reason why the company should cut down on the number of company-owned restaurants?

- We expect to rebrand at least 1,500 restaurants between 2014-2016 – this will move the global % franchised a few percentage points; we expect rebranding to continue beyond 2016 as certain markets move to a more heavily franchised position.
- This is certainly an area Steve is looking at closely as we determine the best path forward.
- As of 12/31/14 McDonald's U.S. is 89% franchised. We continue to evaluate opportunities to optimize ownership – we expect to continue to operate a meaningful number of Company-Operated restaurants, but there may be opportunity to further increase the % of franchises in the U.S.

FAQ

Q: IF ASKED: Won't this move decrease the value of restaurants that will be refranchised in the future?

- We believe this move is ultimately good for business.
- Our business is ultimately a top-line game. Our future plans are multifaceted and are intended to combat cost pressures and drive future growth, which will enhance the value of our restaurants.
- We believe the benefits these changes will provide – enhanced ability to attract and retain employees – will result in improvements to our customers' service experience and in incremental guest counts.

Q: Isn't this a very expensive PR move – in the end a reckless use of shareholder money?

- No. This is about taking care of our people, which is good business and good practice.
- We've always believed that wage increases should be implemented over time so the impact is manageable – this decision reflects our philosophy.
- We believe the benefits these changes will provide – enhanced ability to attract and retain employees – will result in improvements to our customers' service experience and in incremental guest counts.

Stakeholders

Q: Are these moves being taken in some part to assuage the social justice groups that have been critical of McDonald's?

- No. Our decisions today have nothing to do with any outside groups. We are responding to what we believe are market conditions and after considering employee feedback, and with a keen sense that we need to do more for our employees to create the best possible work experience.
- This is a significant program – increasing wages and providing paid time-off for more than 90,000 people, and expanding educational opportunities for all eligible employees who bring the McDonald's brand to life by working in a McDonald's restaurant, whether company- or franchise-owned.
- The moves also expand what has long been a central part of McDonald's efforts to provide opportunities to its employees – both while they are employees, and throughout their lives, whether employed by McDonald's or not.

Q: Do you expect that McDonald's will take heat from Republicans in Congress and in statehouses who will be concerned that this fuels the union's efforts to raise wages nationally?

- No – We believe they will see this as a move McDonald's has made in the best interest of its business and employees.

Archways to Opportunity: Education

Q: How widely-accessed do you believe the educational aspects of this program will be?

- We will be working to make this as successful a program as possible, so that it impacts as many people as possible. We have a comprehensive communications program underway to make it clear to employees what we're offering and what it means to them.

Q: How will this work? Will these resources be web-based, done at the restaurants?

High School

- The High school completion program is an online program, so eligible employees will be able to work at their own pace and wherever it is most convenient for them to complete the program.
- There are no out-of-pocket expenses for eligible employees.

FAQ

College

- For the College Tuition Assistance Program, eligible employees will receive money from McDonald's to use towards their tuition expenses at colleges and universities.
- Employees will submit a request for tuition funds and will shortly thereafter receive a check for tuition funds made out to their school.
- The program is designed to provide the students with their tuition assistance as quickly as possible following the funds request and approval. Our goal is that students will be able to register for classes and receive funds from McDonald's before their tuition bills are due.

Q: How much money is McDonald's making available to employees for tuition assistance?

- For eligible crew, whether employed by McDonald's or by an independent owner operator, it is \$700 per year.
- For managers employed by owner operators, it is \$1,050 a year.
- And the existing program for McOpCo managers (Cert Swing and above) provides \$5,250 a year.
- Using figures on the average cost of a community college class – which is about \$350 – this means that McDonald's will cover the cost of two classes a year for all eligible crew and three classes a year for eligible owner/operator managers.

**THE FOLLOWING APPLY ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Investment Act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Item 1

The Franchisor and any Parents, Predecessors, and Affiliates

The Franchisor is McDonald's USA, LLC, which will be referred to in this disclosure document as "McDonald's", "we", "us" or "our". A person who buys a franchise from McDonald's will be referred to in this disclosure document as "you".

We are a Delaware limited liability company. Our principal place of business is One McDonald's Plaza, Oak Brook, Illinois, 60523. We currently do business under the name of McDonald's USA, LLC. Our agents for service of process are disclosed in Exhibit N. We are a wholly-owned subsidiary of our parent and predecessor, McDonald's Corporation, a Delaware corporation. Our predecessor's principal place of business is One McDonald's Plaza, Oak Brook, Illinois, 60523. Our predecessor currently does not offer franchises. Neither we nor our predecessor have ever offered franchises in any other line of business.

We have domestic affiliates and international affiliates. Some of our international affiliates offer McDonald's franchises outside of the United States. None of them have offered franchises in any other line of business. These international affiliates are disclosed in Exhibit P.

We develop, operate, franchise, and service a system of restaurants that prepare, assemble, package, and sell a limited menu of value-priced foods under the McDonald's System in the U.S. The "McDonald's System" is a concept of restaurant operations that includes, among other things, certain rights in trademarks, manuals, and other confidential business information; operational, real estate, and marketing information; and the expertise and continuing information that we provide. All McDonald's restaurant businesses in the U.S. are operated under franchise agreements and are owned by franchisees who are independent third parties, by affiliates operating as joint partnerships, or by our wholly-owned subsidiaries ("McOpCo companies"). Currently, about 90% of all U.S. restaurants are franchised to independent franchisees or affiliates operating as joint partnerships, and about 10% are franchised to McOpCo companies.

McDonald's restaurants offer the public a high standard of quality and uniformity in food, service, and decor. McDonald's restaurants are located in freestanding buildings, storefronts, food courts, and other locations that are appropriate to McDonald's image. A grant of a McDonald's franchise authorizes you to operate a McDonald's restaurant business at a specific location and to use the McDonald's System in the operation of that restaurant business for a specific period of time, usually 20 years. We also grant franchises for McDonald's restaurant businesses located in retail stores such as Walmart. We call these satellite ("Satellite") locations. McDonald's restaurants located in strip centers, airports, universities, shopping malls, hospitals, and other diverse locations may also be Satellites. Satellites may serve a scaled-down menu of a traditional McDonald's restaurant and, in some cases, will also serve non-McDonald's trademarked products. The term of the franchise for a Satellite depends on its location.

Some McDonald's restaurants that are located in fuel station/convenience store facilities are called small town oil ("STO") locations. STOs are full-menu restaurants that share building space with a convenience store and have a fuel station located outside of the building. At each STO, the fuel station/convenience store typically will be associated with a national or regional branded chain. Some McDonald's restaurants that anchor a small retail center in rural communities are called small town retail ("STR") locations. STOs and STRs are not Satellites. The term of the franchise for STOs and STRs is usually 10 years.

In certain limited cases, we may also grant franchises with leases that include the business facilities. We call these Business Facilities Lease ("BFL") franchises. A BFL is a special arrangement that we may offer when certain economic and other factors exist. The term of a BFL is usually 3 years. Under a BFL, you may have a conditional option to purchase certain restaurant assets after the first year and extend the franchise for up to 20 years after the beginning of the term. In this disclosure document, the word "restaurant" refers to each McDonald's restaurant business location generally, regardless of whether it is franchised as a traditional restaurant, Satellite, STO, STR, or BFL (unless otherwise provided).

All franchisees who operate a restaurant, whether a traditional, Satellite, STO, STR, or BFL location, will sign the applicable form of our standard franchise agreement attached as Exhibits B, C, and D (collectively “Franchise Agreement”).

In 1955, our predecessor, McDonald’s Corporation, began granting franchises to individuals for the operation of McDonald’s restaurants. In 1960, our predecessor began forming and granting franchises to McOpCo companies for the operation of McDonald’s restaurants. In 2004, our predecessor formed us as a subsidiary and in 2005, as part of a global company alignment, transferred to us a majority of the assets used in its U.S. business, including its interests in the McOpCo companies and the franchises for McDonald’s restaurants in the U.S. In 2007, restaurants in Puerto Rico and the Virgin Islands operated by McOpCo companies were sold to, and a master franchise to offer and sell franchises in Puerto Rico and the Virgin Islands was granted to, LatAm, LLC, a Delaware limited liability company, which is not an affiliate of McDonald’s.

In May 2010, our predecessor acquired the portion of the business and assets of Verety Software International LLC (VSI) and related entities that serve the McDonald’s System in the U.S. and other countries. Prior to the acquisition, VSI was the vendor of our proprietary point of sale (“POS”) platform known as NewPOS (the current version is NP6). Our predecessor formed a subsidiary, Restaurant Application Development International LLC (RDI), a Delaware limited liability company, to acquire the portion of the business and assets of VSI that served the McDonald’s System. RDI’s principal place of business is 711 Jorie Boulevard, Suite 120, Oak Brook, IL 60523.

As a franchisee, you should not have any expectation that the economic and demographic factors that exist at your McDonald’s restaurant location will remain constant. In addition, other McDonald’s restaurants (including those that we develop in the future) may have an effect on the sales of your McDonald’s restaurant, since customers typically patronize various McDonald’s restaurants depending on their travel patterns and other factors. You also will be competing with other restaurants, food service businesses and convenience stores that offer the same types of products that you do. These restaurants, food service businesses and convenience stores may be associated with national or regional chains (whether or not franchised) or may be local, single restaurant locations. You will compete with other restaurants, food service businesses and convenience stores that feature products different from those in a McDonald’s restaurant. In certain STOs, the fuel station/convenience store operators will have the right to sell fountain drinks and hot beverages in the convenience store located within the same building as the McDonald’s restaurant. Your products and services will be offered primarily to individual consumers for on-site or off-site consumption. The market for the products you will offer is developed in some areas and still developing in other areas, depending on the number of restaurants of this type operating in each particular area.

You will be required to comply with all local, state, and federal laws, including health and sanitation laws and menu-labeling requirements, that apply to restaurant operations. There are other laws that apply generally to all businesses, including, but not limited to, the Americans with Disabilities Act, and we encourage you to make further inquiries about these laws.

Item 3 Litigation

Pending Cases

AA&S Food Service Corp., et al. v. McDonald's Corporation, McDonald's Systems de Puerto Rico, Inc., Golden Arch Development Corporation, Inc., et al. (Case No. KAC07-0725 (603)). On January 29, 2007, the plaintiffs, franchisees of various McDonald's restaurants in Puerto Rico, filed a complaint against our predecessor, its Puerto Rican companies, and others in the Puerto Rico Court of First Instance, San Juan, Puerto Rico. In 2008, plaintiffs amended their complaint seeking a determination that the Puerto Rico franchise distribution law (Law 75) governs the franchise agreements and relationships between the parties and that the defendants have violated the provisions of Law 75, an injunction prohibiting the defendants from denying rewrites except for just cause and from opening new McDonald's restaurants or kiosks within 3 miles of plaintiffs' restaurants, damages of up to \$66,725,000, attorney's fees, and costs. In 2009 and 2010, plaintiffs further amended their complaint to, among other things, include us as a named defendant. In July 2011, the court ruled that Law 75 applies to the Puerto Rican franchises. In September 2012, the trial commenced on an intermittent schedule, but is currently stayed pending the outcome of motions filed by the parties in June 2015. The defendants intend to defend their interests vigorously in this case.

George Vazakas and Stamar Monoprosopi E.P.E. v. McDonald's Hellas M.E.P.E. (Case No. 5283). On September 2, 2010, the plaintiffs, former franchisees of McDonald's restaurants in Greece, filed a complaint against our affiliate, McDonald's Hellas M.E.P.E., with the Hellenic Competition Commission (HCC) alleging infringement of Article 1 of the Greek Competition Act and Article 101 TFEU. The plaintiffs allege that our affiliate engaged in price fixing and violated competition rules by requiring franchisees to obtain food products from certain suppliers. In their complaint, the plaintiffs ask the HCC to take actions to require our affiliate to cease the alleged violations and to impose fines for such conduct, and seek a declaration that any requirement of franchisees to use certain suppliers is illegal under Greek law. Our affiliate intends to defend its interests vigorously in this case.

Chai Su Lin v. Golden Arches Restaurants Sendirian Berhad (Case No. KCH-22NCvC-12/2-2014). On February 27, 2014, the plaintiff, a franchisee in Malaysia, filed a complaint in the High Court of Kuching, State of Sarawak, Malaysia, alleging our affiliate, Golden Arches Restaurants Sendirian Berhad, violated the franchise agreement between the parties and the Franchise Act 1998 in Malaysia. The plaintiff seeks declaratory judgment that the franchise agreements violated the Franchise Act 1998 and that the plaintiff is entitled to all territorial rights in the City of Kuching, Malaysia, injunctive relief, and costs. Our affiliate intends to defend its interests vigorously in this case.

Jason Hughes, et al. v. McDonald's Corp., McDonald's USA, LLC, McDonald's Restaurants of California, Inc., Fremak Arches, Inc. d/b/a McDonald's, Marpenny Corp. d/b/a McDonald's and Does 1-100 (Case No. RG14717085). On March 12, 2014, the plaintiffs, various current and former employees of franchised restaurants, filed a lawsuit against us, our predecessor, an affiliate and franchisees in the Superior Court of the State of California, County of Alameda, alleging violations of the California Labor Code and the California Business & Professions Code related to altering time records, requiring off-the-clock work, failing to pay

minimum and overtime wages, failing to provide required meal periods and rest breaks, failing to pay all wages due to discharged and quitting employees, failing to keep accurate records and provide accurate itemized wage statements, failing to indemnify employees for necessary expenses, negligence, unfair and unlawful business practices and retaliation for complaining about the alleged labor violations. The plaintiffs also allege that the defendant McDonald's entities are joint employers of those employees. The plaintiffs seek class certification, injunctive relief, monetary and punitive damages, interest, statutory penalties, declaratory judgment, disgorged profits, and attorneys' fees and costs. The defendants intend to defend their interests vigorously in these cases.

Stephanie Ochoa, et al. v. McDonald's Corp., McDonald's USA, LLC, McDonald's Restaurants of California, Inc., The Edward J. Smith and Valerie S. Smith Family Limited Partnership d/b/a McDonald's and Does 1-100 (Case No. 3:14-cv-02098-JD). On March 12, 2014, the plaintiffs, various current and former employees of franchised restaurants, filed a lawsuit against us, our predecessor, an affiliate and franchisees in the Superior Court of the State of California, County of Alameda, alleging violations of the California Labor Code and the California Business & Professions Code related to altering time records, requiring off-the-clock work, failing to pay minimum and overtime wages, failing to provide required meal periods and rest breaks, failing to pay all wages due to discharged and quitting employees, failing to keep accurate records and provide accurate itemized wage statements, failing to indemnify employees for necessary expenses, negligence, unfair and unlawful business practices and retaliation for complaining about the alleged labor violations. The plaintiffs also allege that the defendant McDonald's entities are joint employers of those employees. The plaintiffs seek class certification, injunctive relief, monetary and punitive damages, interest, statutory penalties, declaratory judgment, disgorged profits, and attorneys' fees and costs. On May 7, 2014, our franchisees removed this lawsuit to the U.S. District Court, Northern District of California. On September 25, 2015, the court dismissed all of plaintiffs' joint employer theories against the McDonald's entities except one based on ostensible agency theory. The defendants intend to defend their interests vigorously in these cases.

Guadalupe Salazar, et al. v. McDonald's Corp., McDonald's USA, LLC, McDonald's Restaurants of California, Inc., Bobby O. Haynes and Carole R. Haynes Family Limited Partnership d/b/a McDonald's and Does 1-100 (Case No. 3:14-cv-02096-RS). The plaintiffs also allege that the defendant McDonald's entities are joint employers of those employees. The plaintiffs seek class certification, injunctive relief, monetary and punitive damages, interest, statutory penalties, declaratory judgment, disgorged profits, and attorneys' fees and costs. On May 7, 2014, our franchisees removed this lawsuit to the U.S. District Court, Northern District of California. The defendants intend to defend their interests vigorously in these cases.

Montel Pullen, et al. v. McDonald's Corporation, McDonald's USA, LLC, and ECS Partnership d/b/a McDonald's Restaurant (Case No. 5:14-cv-11081-JCO-MJH). On March 13, 2014, the plaintiffs, various current and former employees of franchised restaurants, filed a lawsuit against us, our predecessor, and a franchisee in the U.S. District Court, Eastern District of Michigan, alleging waiting-time and uniform deduction violations of the Fair Labor Standards Act (FLSA) and the Michigan Minimum Wage Law, and breach of contract and unjust enrichment under Michigan common law. The plaintiffs also allege that the defendant McDonald's entities are joint employers of those employees. The plaintiffs seek class certification, injunctive relief, monetary damages, interest, statutory penalties, disgorged profits, and attorneys' fees and costs. The plaintiffs filed a first amended complaint on March 27, 2014. The defendants intend to defend their interests vigorously in this case.

Shamia Wilson, et al. v. McDonald's Corporation, McDonald's USA, LLC, and Accell, LLC d/b/a McDonald's Restaurant (Case No. 2:14-cv-11082-DPH-DRG). The plaintiffs also allege that the defendant McDonald's entities are

joint employers of the franchisee's employees. The plaintiffs filed a first amended complaint on March 21, 2014 and a second amended complaint on June 12, 2014, adding as named defendants other operating entities of the franchisee. The plaintiffs seek class certification, injunctive relief, monetary damages, interest, statutory penalties, disgorged profits, and attorneys' fees and costs. In January 2016, certain plaintiffs accepted offers of judgment made by the franchisee, which resulted in the dismissal of these plaintiffs' claims against the defendant McDonald's entities with prejudice. The claims of the remaining plaintiffs are still pending against the McDonald's entities. The defendants intend to defend their interests vigorously in this case.

Luis Canizares Gonzalez and Luis Canizares Restauracion, S.L., v. McDonald's Sistemas de España Inc. Sucursal en España (MSE) and McDonald's Corporation (Case No. 559/2014). On June 16, 2014, a franchisee in Spain and his operating entity filed a complaint against our affiliate, MSE, and our predecessor in Madrid's Commercial Court No. 72 alleging promissory estoppel, breach of contract related to McDonald's alleged failure to meet its obligations under the franchise agreement and violations of Article 62 of the Ley de Ordenación del Comercio Minorista for the alleged failure to disclose pre-contractual information related to their franchise obligations. The plaintiffs are seeking money damages, compensation for lost earnings and mental anguish, interest and costs. Our affiliate and our predecessor intend to defend their interests vigorously in this case.

Dieter Abt, et al. v. McDonald's Corp., McDonald's USA, LLC, The Marketing Store Worldwide, LLC, et al. (Case No. BC 552072). On July 18, 2014, the plaintiffs filed a complaint in California state court against us, our predecessor, The Marketing Store Worldwide, LLC (TMSW) and others, alleging the defendants used the plaintiffs' money and intellectual property to fund and further develop the McDonald's Channel, an in-store controlled television and media test, and made false representations that they intended to continue working with plaintiffs to implement the McDonald's Channel after McDonald's purportedly knew that it had no intention of doing so. Plaintiffs have amended their initial complaint four times since the commencement of the case in July 2014, and their fourth amended complaint, filed in November 2015, alleges against our predecessor and us claims for fraud, negligent misrepresentation, promissory fraud, fraudulent concealment and unjust enrichment. Plaintiffs seek actual and punitive damages, costs and restitution for all alleged benefits received by McDonald's. Defendants filed a motion to dismiss plaintiffs' fourth amended complaint in December 2015. The defendants intend to vigorously defend their interests in this case.

Carpe Diem Invest AS, et al. v. McDonald's Norge AS (Case No. 14-143059 TV1-OTIR/07). On September 5, 2014, the plaintiffs, the operating entities for 3 franchisees in Norway, filed a complaint against our affiliate, McDonald's Norge AS, with the Oslo City Court alleging our affiliate violated the Competition Act Section 10 in Norway by allegedly fixing prices for products sold in the plaintiffs' restaurants and alleging such actions constitute a breach of McDonald's contractual obligations and violate general contract law. In their complaint, the plaintiffs seek monetary damages, penalties, interest and legal fees. In December 2014, our affiliate settled its claim with 1 of the franchisees. The franchisee agreed to a termination of the franchises for its 2 restaurants, sold our affiliate the assets of the restaurants for approximately 10 million Norwegian Krone and dismissed all claims. In December 2015, following trial, the court dismissed all of the remaining plaintiffs' claims against our affiliate. These plaintiffs have appealed the court's decision. Our affiliate intends to continue to defend its interests vigorously in this case.

José Quijano and JCQ Foods, Inc. v. McDonald's USA, LLC, McDonald's Systems de Puerto Rico, Inc. h/n/c Arcos Dorados Puerto Rico, Inc., Golden Arch Development Corporation, Inc., et al. (Case No. CAC 402-2014-3456). On November 20, 2014, the owner of 14 McDonald's restaurants in Puerto Rico and his operating entity, filed a complaint against us, our predecessor's Puerto Rican companies, Arcos Dorados Puerto Rico LLC, and others in the Puerto Rico Court of First Instance, Arecibo, Puerto Rico, claiming that the defendants' conduct resulted in serious economic damage to the plaintiffs. The plaintiffs are seeking injunctive relief, monetary damages, and a declaration that defendants' alleged actions breached their obligations under the plaintiffs' franchise agreements, constitute a violation of the Puerto Rico franchise distribution law (Law 75), caused damages and losses for non-fulfillment of contract and unfair competition, and constitute fault and negligence and willful intent under the Civil Code of Puerto Rico. On February 10, 2015, the court granted the defendants' petition to transfer this lawsuit to San Juan Superior Court. The defendants intend to defend their interests vigorously in this case.

April Dudley, et al v. Lott Management, Inc., et al. (Case No. 14 C 10236). On December 20, 2014, the plaintiffs, various former employees of franchised restaurants, filed a lawsuit against us, our predecessor and a franchisee in the U.S. District Court, Northern District of Illinois, alleging straight time and overtime wage violations of the Fair Labor Standards Act and the Illinois Minimum Wage Law. The plaintiffs sought court approval for a collective and class action for these alleged violations, as well as declaratory relief, actual damages, liquidated damages, statutory damages, interest, and attorneys' fees and costs. On December 31, 2015, the court granted preliminary approval of a settlement between the plaintiffs, acting on behalf of themselves and a class of similarly situated plaintiffs, and our franchisee. If the court grants final approval, the settlement provides us, our predecessor and our franchisee with a release of all claims arising from the allegations in the complaint. Until the court's final approval of the settlement and dismissal of the case with prejudice, the defendants intend to continue to defend their interests vigorously in this case.

On December 19, 2014, the National Labor Relations Board ("NLRB") Office of the General Counsel issued consolidated complaints against certain of our franchisees and us, claiming that we were joint employers of those franchisees' employees. The NLRB alleges that we and certain of our franchisees violated rights of employees working at McDonald's restaurants at various locations by, among other things, making statements and taking actions against them for engaging in activities allegedly aimed at improving their wages and working conditions. The NLRB has scheduled consolidated hearings in three regional offices, with litigation commencing on March 10, 2016 in New York. We strongly disagree with the NLRB's decision and intend to vigorously challenge the NLRB's allegations, including the allegation of joint employer status, at the administrative trials and through subsequent appeal processes which will likely follow from the issuance of the complaints.

Zhuang Zhi-Xun and Qing-Yi Limited v. McDonald's Restaurants (Taiwan) Co., Ltd. (Case No. 105 Xu-Zhi No.710). On December 25, 2015, the plaintiff, an operator of a McDonald's restaurant in Taiwan and his operating entity, filed in Taipei District Court a complaint against our affiliate, McDonald's Restaurants (Taiwan) Co., Ltd., alleging it failed to comply with the pre-contractual disclosure requirements set forth in the Taiwan Fair Trade Commission's Guidelines on Franchisors' Business Practice. The plaintiff alleges our affiliate failed to disclose certain information related to our affiliate's plans to open new restaurants in the same business area as plaintiff's restaurant. For such claims, plaintiff seeks compensation of \$700,000 New Taiwan dollars, plus interest, court fees, and rescission. Plaintiff additionally requests the court to render the arbitration clause in the franchise agreement null and void based on the Taiwan Fair Trade Act and the Consumer Protection Act. Our affiliate intends to defend its interest vigorously in this case.

Chris Howe v. McDonald's Corporation and Does 1-100 (Case No. 5:16-cv-00176). On January 29, 2016, plaintiff filed a complaint against our predecessor in the U.S. District Court, Central District of California – Eastern Division, on behalf of himself and purported classes of McDonald's customers in California and in 41 other states and the District of Columbia who purchased Mozzarella Cheese Sticks in McDonald's restaurants in California. Plaintiff alleges that McDonald's advertising of Mozzarella Cheese Sticks violated, and continues to violate, California's Unfair Competition Law, California's False Advertising Law, California's Consumers Legal Remedies Act, and various state warranty laws. Plaintiff also asserts a claim for unjust enrichment. Plaintiff seeks, on behalf of himself and the purported classes, monetary damages, attorney's fees, costs and expenses, pre- and post-judgment interest, and injunctive relief. Our predecessor intends to defend its interests vigorously in this case.

Occasionally, disputes arise with our franchisees. If a dispute cannot be resolved through our internal processes such as appealing to higher level individuals (our "open door policy") or our formal Ombudsman process, then as a matter of common practice (not required by the Franchise Agreement) we will often agree to use mediation. Even though we follow these practices, occasionally lawsuits alleging the same or similar allegations to those listed in this Item 3 have been brought against us or our predecessor and could be brought against us in the future.

Additionally, we and our predecessor have been named as defendants in numerous additional labor and employment lawsuits brought by employees of our franchisees on an individual basis, alleging that we are joint employers with our franchisees. These lawsuits allege racial discrimination, sexual harassment, wrongful termination, constructive discharge and similar claims under Title VII of the Civil Rights Act of 1964 and 42

U.S.C. Section 1981, or similar statutes. We strongly disagree with the joint employment allegations and intend to vigorously defend these actions.

Concluded Cases

Antal, Inc., Nicholas L. Antal and Mary Dianna Antal, Husband and Wife v. McDonald's Corporation and McDonald's Restaurants of Oklahoma, Inc. (Case No. CIV-0401441). On September 24, 2004, former franchisees filed a petition in the District Court of Oklahoma County, Oklahoma, commencing Case No. CJ-2004-7891. Our predecessor filed a notice of removal on October 27, 2004, removing the case to the Federal District Court for the Western District of Oklahoma. The case was remanded back to state court in February 2005. The petition alleged that the defendants issued "false field inspections" and "false re-investment schedules" and threatened to default the plaintiffs if they did not sell their franchises, which forced plaintiffs to sell their franchises at less than their value and to forego future profits. The petition contained counts labeled "Bad Faith Breach of Contract" and "Fraud and Coercion" and sought compensatory and punitive damages, costs and attorneys' fees. In June 2006, our predecessor settled this litigation by agreeing to pay \$300,000 to the plaintiffs in exchange for general releases.

Sandra Darling and Darling Management Corporation v. McDonald's Corporation, Dean L. Hecker, Robert Rodriguez, Elizabeth A. Tatman, Howard & Tatman and Does Conspirators 1-10 and Does General 11-25 (Case No. KC 035084). On February 9, 2001, a former franchisee filed an action in the Superior Court of Los Angeles County, California, against our predecessor, 2 of its former employees and Darling's former accountants. The complaint included claims for conspiracy to defraud and convert funds, breach of an implied covenant of good faith contract performance, and violation of the California Unfair Competition Law in connection with our predecessor's inspections of Darling's restaurants, our predecessor's decisions concerning new restaurant openings, and Darling's sale of her restaurants to a third party. Our predecessor denied the allegations and filed a counterclaim. Upon learning that Darling had filed bankruptcy, our predecessor removed this case to the United States Bankruptcy Court for the Central District of California, which approved the sale of the litigation to a third party and remanded the matter to the Superior Court. On April 29, 2003, a jury awarded the plaintiff compensatory and punitive damages. In January 2006, the California appellate court reversed the judgment and ordered a new trial on compensatory damages alone. In February 2007, the case was settled. Our predecessor paid \$4.6 million, and the parties exchanged mutual releases.

Bob Johnson and Tykasa, Inc. v. McDonald's Corporation (Case No. CV05-5810 JFW (AJWx)). On August 10, 2005, a franchisee filed a complaint against our predecessor in the Federal District Court for the Central District of California alleging that our predecessor charged excessive rent at 2 of plaintiffs' restaurants and breached a promise to pay certain remodeling costs. The complaint made claims for breach of contract, breach of the implied covenant of good faith and fair dealing, promissory estoppel, fraud, and unfair and deceptive trade practices. Plaintiffs sought a declaratory judgment, unspecified damages, attorneys' fees and costs. The case was settled in February 2007. Our predecessor agreed to purchase 2 of the plaintiffs' restaurants for about \$4.35 million (of which \$2 million is guaranteed) and to sell 2 other restaurants to Johnson for about \$1.5 million, contingent on government approval. The purchase and sale prices may change depending on whether additional real estate tenure is obtained and when the transactions close. The parties also exchanged mutual releases.

Greg Currie v. McDonald's Restaurants of Canada Limited, McDonald's Corporation, and Simon Marketing, Inc. (Case No. 02-CV-238276CMI). On October 28, 2002, the plaintiff filed a complaint in the Superior Court of Justice in Toronto, Ontario, Canada, challenging the integrity of the random seeding process that Simon Marketing used in McDonald's promotional games, alleging that the process was compromised by a Simon Marketing employee. The plaintiff claimed to represent a class of consumers who purchased food and otherwise participated in the promotions. The plaintiff alleged violations of the Canadian Competition Act, deceit, breach of contract, and negligence and sought compensatory and punitive damages and disgorgement of profits. On May 10, 2007, the parties entered into a Settlement Agreement, pursuant to which McDonald's agreed to make available one \$1 million prize in a promotional game in Canada before the end of 2009. The prize was awarded in 2008 and the lawsuit has been dismissed.

James W. Garrett, Bonita L. Garrett, the James W. Garrett Trust and the Bonita L. Garrett Trust v. McDonald's Corporation, Bernie Schaefer, Sarah Zenger, John Does I-V, Jane Does I-V, Corporation I-V (Case No.

C20046486). On December 1, 2004, plaintiffs filed a complaint in the Superior Court for the State of Arizona, County of Pima, alleging that in 2000 our predecessor decided to rewrite 1 of plaintiffs' franchises without disclosing that it had decided not to rewrite plaintiffs' 2 remaining franchises, which were not scheduled to be considered for rewrite until 2004. Plaintiffs asserted claims for tortious breach of an implied covenant of good faith and fair dealing, negligent misrepresentation, fraud by concealment/deceit, and fraud by misrepresentation. Plaintiffs further asserted claims against Schaefer and Zenger for breach of fiduciary duty/constructive fraud and aiding and abetting the commission of a tort. Plaintiffs sought unspecified compensatory and punitive damages, costs, and interest. Our predecessor, Schaefer, and Zenger removed this case to the Federal District Court for the District of Arizona, and in March 2006, the court granted Schaefer's and Zenger's motion to dismiss. In December 2007, the parties settled the case when the plaintiffs sold their franchise to one of our affiliates for \$1,975,000.

Council for Education and Research on Toxics v. McDonald's Corporation and Burger King (Case No. BC280980); and People v. Frito-Lay, Inc., Pepsico, Inc., J.J. Heinz, Inc., Kettle Foods, Inc., KFC Corporation, Lance, Inc., The Procter & Gamble Distributing Company, The Procter & Gamble Manufacturing Company, Wendy's International, Inc., McDonald's Corporation and Burger King (Case No. BC338956). On September 5, 2002, the Council for Education and Research on Toxics ("CERT") filed a complaint against our predecessor and Burger King in the Superior Court for Los Angeles County, California, alleging that French fries contained acrylamide, and that our predecessor and Burger King had a duty since January 1, 1990, to "warn their customers that their French fries contain a chemical known by the State of California to cause cancer." CERT claimed that our predecessor and Burger King violated Proposition 65 and the California Unfair Competition Act. The complaint sought an injunction, product warnings, civil penalties, attorneys' fees, and costs. On August 26, 2005, the California Attorney General filed suit against all the defendants in the CERT case, and others, in the Superior Court for Los Angeles County, California, alleging that all the defendants' products contained acrylamide, and that their failure to warn violated Proposition 65 and the California Unfair Competition Act. The complaint sought injunctive relief requiring warnings, civil penalties, and costs. On November 13, 2007, the action filed by the California Attorney General was settled by our predecessor paying \$666,000 in civil penalties and \$275,000 in attorneys' fees and agreeing to post a warning in all McDonald's restaurants in California. On March 7, 2008, our predecessor settled the CERT case by paying \$1.4 million to fully resolve all claims.

H. Keith Melton, Mark M. Watson, and Melton Management, Inc. v. Charles Robeson and McDonald's USA, LLC (Case No. 50 2008 CA040438). On December 23, 2008, franchisees and their operating company filed a complaint against Charles Robeson and us in the Circuit Court of Palm Beach County, Florida. The action was filed in response to a lawsuit we filed against the plaintiffs, McDonald's USA, LLC v. Melton Management, Inc., H. Keith Melton, and Mark Watson (Case No. 8:08-cv-2303-T17TBM), on November 18, 2008, in the Federal District Court for the Middle District of Florida. In addition to the state court action, the plaintiffs filed a motion to dismiss and stay proceedings in our federal action. The state court complaint asserted claims for fraud, negligent misrepresentation, and tortious interference with prospective business advantage. The plaintiffs sought unspecified monetary damages, attorney's fees, costs, and interest. The parties settled this litigation on December 30, 2009, with our purchasing 7 of Melton's franchises and settling all claims for \$10,330,844, plus other terms including offering Watson 1 of the purchased franchises for \$320,000. The parties also exchanged mutual releases.

Primer Hispania, S.L. v. McDonald's Sistemas de España, Inc., Sucursal en España (MSE) (Case No. 41/2012). On January 9, 2012, a franchisee in Spain, through his operating entity, filed a complaint against our affiliate, MSE, in the Commercial Court No. 10 of Madrid alleging violations of the Unfair/Disloyal Competition and Defense of the Competition laws for unequal treatment. The plaintiff sought an order that would have required our affiliate to cease the alleged violations and provide rent reductions and money damages. On January 25, 2013, the parties settled this litigation. The franchisee agreed to terminate his franchise and sell us the restaurant equipment for 420,000 Euros, and the parties exchanged mutual releases.

Ahmed Ahmed, individually and on behalf of all similarly situated persons v. McDonald's Corporation, Finley's Management Co. D/B/A McDonald's #11663 (Case No. 11-014559-CZ). On November 23, 2011, the plaintiff filed a lawsuit against our predecessor and our franchisee in the Circuit Court of Wayne County, Michigan, alleging the defendants violated the Michigan consumer protection act by falsely advertising that certain chicken products sold at a Michigan restaurant conformed to Muslim dietary laws. On April 17, 2013, our predecessor

agreed to settle the case by paying \$700,000 in damages, \$25,000 of which went to the plaintiff and the rest to community groups and to attorneys' fees.

Dasmine Bell, et al. v. McDonald's USA, LLC, and McDonald's Restaurants of Florida, Inc. (Case 8:14-cv-02742-JSM-EAJ). On October 10, 2014, the plaintiff, a former employee of our affiliate, filed a complaint against us and our affiliate in the U.S. District Court for the Middle District of Florida, alleging that our affiliate, along with McDonald's as a joint employer, violated the Fair Credit Reporting Act by performing background checks without the required authorizations and disclosures. On January 26, 2015, we and our affiliate agreed to settle the case by paying \$4,000 in damages and in exchange received a general release from the plaintiff.

Syed Ali Husain and Khursheed Husain v. McDonald's Corporation, McDonald's USA, LLC, Mwaffak Kanjee, and Does 1-20 (Case No. CIV 09-6177). On December 8, 2009, the plaintiffs, franchisees, filed a complaint against our predecessor, Mwaffak Kanjee, one of our officers, and us in the Superior Court of California, Marin County, California. The complaint asserted that we refused to grant new term franchises for 3 of the plaintiffs' restaurants after allegedly entering into agreements to do so and alleged breach of contract, fraudulent and negligent misrepresentation, promissory estoppel, breach of the implied covenant of good faith and fair dealing, unjust enrichment, equitable estoppel, unfair business practices, and violation of the Unruh Act. The plaintiffs sought an order directing McDonald's to grant new 20-year franchise terms for the 3 restaurants, compensatory damages, and costs. We and our predecessor filed a cross-complaint against the plaintiffs alleging that their rights to operate the 3 franchises expired, and seeking an order requiring the Husains to vacate the restaurants, compensatory damages, and attorneys' fees. On September 25, 2012, the court ordered the Husains to vacate the 3 restaurants and return possession to McDonald's. The case proceeded on the parties' remaining claims. In September 2014, the parties entered into a memorandum of understanding in which McDonald's agreed to pay \$22,375,000 for the plaintiffs' remaining franchises, in exchange for mutual releases of all claims, including resolution of this case. In January 2015, McDonald's acquired the remaining franchises and the court dismissed the case with prejudice. In addition, under the terms of the franchise agreements for the 3 expired franchises which were the subject of this case, McDonald's exercised its option to purchase the furniture, fixtures and equipment at those locations for the fair market value price of \$270,015.

Other than these actions, no litigation is required to be disclosed in this Item.

- (3) The following is the rent structure for new restaurants:

Fixed Percentage Rent with Monthly Base Rent and Pass Thru Rent, if applicable

Monthly Base Rent

All restaurants will have a Monthly Base Rent. For a site where both the land and the building are owned by McDonald's or its affiliates, Monthly Base Rent is based upon the total amount invested by McDonald's in the acquisition and development of the land and the building. A finance factor is applied to this amount to produce an appropriate return for McDonald's. For a site where the land and/or building is leased by McDonald's from a third party, Monthly Base Rent is based upon the total amount invested by McDonald's in the acquisition and development of the land and the building as well as monthly rent paid in the first year to a third party landlord. A finance factor is applied to each of these amounts to produce an appropriate return for McDonald's. You must pay this amount every month of the franchise term.

Pass Thru Rent

For a site where the land and/or building is leased by McDonald's, there may be rent escalations for which McDonald's is responsible under the lease which are above and beyond the original monthly rent we paid to the landlord. For these rent escalations, McDonald's will charge you pass thru rent which must be paid every month the escalations are in effect. We do not apply a finance factor to the pass thru rent.

Fixed Percentage Rent

The Fixed Percentage Rent for new restaurants that opened on or after July 1, 2013, is generally computed as follows:

The Fixed Percentage Rent is payable only if the monthly Gross Sales exceed the monthly base sales figure which is computed by dividing the dollar amount of the Monthly Base Rent by the Fixed Percentage Rent rate. If you are purchasing an existing restaurant from a franchisee, the chart will not apply as you will be assuming the Monthly Base Rent and Fixed Percentage Rent paid by the selling franchisee (except for any rent relief which is personal to the selling franchisee).

The Fixed Percentage Rent for new term franchises will not be lower than the Fixed Percentage Rent in the previous franchise term. For sites owned by McDonald's, the percentage rent will remain the same unless McDonald's has made additional investments outside of our standard contributions to institutional programs such as rebuilds, relocations and major remodels. For sites leased by McDonald's, the percentage rent will remain the same as the previous term unless McDonald's has made additional investments outside of our standard contributions to institutional programs as described above, and will also include any additional lease costs above the average lease cost generally over the previous 20 years charged to McDonald's in the new term franchise being paid as pass thru rent.

While the table shown above references total acquisition and development costs, you should be aware that the table is the end result of a process by which McDonald's gives consideration to many economic factors including the amounts of typical franchisor and franchisee investments, the ratio between our investment and your investment, potential rates of return on investment, the ratio between what we think might be our potential return and yours, and the amount which we have at risk. Varying Fixed Percentage Rent factors have resulted in an average factor which is used in Item 19, which includes pro forma profit and loss statements.

The percentages used in computing monthly payments based on Gross Sales are determined by McDonald's management in consideration of the rights being granted by the Franchise Agreement, the drawing power of the McDonald's restaurant, the value of the McDonald's System as a whole and McDonald's interests in obtaining a profit in light of competitive conditions. All payments made by you to McDonald's constitute a single financial arrangement between you and McDonald's which, taken as a whole and without regard to any designation or description, reflect the value of the rights being made available to you by McDonald's and the services being rendered by McDonald's during the franchise term. The percentages may vary among franchises depending upon when the franchise was sold as well as other factors. In unusual circumstances that involve special costs, the fees paid by you may be higher than those outlined in this Item 6.

- (4) We have adopted a policy that allows co-investment in the building and site improvements of new and relocated traditional, STO and STR restaurants for a reduction in the Fixed Percentage Rent and Monthly

Base Rent, if certain eligibility conditions are met. You are not required to participate under this policy. If the eligibility conditions are met and you elect to co-invest, the co-invested amount is in addition to the initial investment described in Item 7. The terms and criteria of this policy differ slightly for new and relocated traditional, STO and STR restaurants and are listed below. We may apply, modify, or terminate this policy at any time at our discretion.

Terms:

For new and relocated traditional, STO and STR restaurants, the general terms are as follows: (a) you have the ability to reduce your stated percentage rent in increments of .25% ("quarters"), down to the applicable co-investment minimum stated rent; (b) the cost to co-invest is determined using a standardized approach that blends the investment tiers and the related percentage rent rates of the applicable Fixed Percentage Rent Chart and will be no less than \$30,000 per quarter for new and relocated traditional restaurants or no less than \$30,000 in total for new and relocated STO and STR restaurants; (c) you must pay the additional investments to us; (d) you may pay the additional investments in cash or you may finance them, for up to 10 years, with your own lender (we do not arrange for any financing of these additional investments), but you may not use the building or leasehold improvements as collateral for your loan; and (e) we will retain full ownership of, and legal title to, the building and leasehold improvements, but you will get the tax benefits associated with your co-investment amount. For new and relocated traditional restaurants, if our investment is over \$2,710,000, or for new and relocated STO and STR restaurants, if our investment is over \$1,000,000, these terms will be decided on a case-by-case basis.

Co-Investment Criteria and Calculation for New Traditional Restaurants:

For new restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 20 years; (b) our development costs are more than \$1,350,000; (c) the Fixed Percentage Rent is over 11%; (d) your franchise for the restaurant is 20 years; (e) if the restaurant is on property leased by us, we do not pay any percentage rent to our landlord; and (f) decision to co-invest must be made before the restaurant opens.

For new restaurants, the co-investment floor for the calculation (to determine the number of quarters available and maximum rent reduction) is 11%. When you select the actual co-investment amount, the corresponding percentage rent reduction is applied to the rent structure that was established for the restaurant prior to the co-investment decision, but rent may not be reduced below 11%.

Co-Investment Criteria and Calculation for Relocated Traditional Restaurants:

For relocated restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 20 years; (b) your franchise for the restaurant is 20 years; and (c) if the restaurant is on property leased by us, we do not pay any percentage rent to our landlord.

For relocated restaurants, the co-investment floor (for the calculation to determine the number of quarters available and maximum rent reduction) is the existing restaurant's stated percentage rent or 11%, whichever is lower, but not below 8.50%. When you select the actual co-investment amount, the corresponding percentage rent reduction is applied to the rent structure that was established for the restaurant prior to the co-investment decision, but rent may not be reduced below 8.50%.

Co-Investment Criteria and Calculation for New and Relocated STO and STR Restaurants:

For new and relocated STO and STR restaurants, the following criteria apply: (a) our real estate tenure at the location is at least 10 years; (b) our development costs are more than \$640,000; (c) the Fixed Percentage Rent is over 9.0% for STR and 9.5% for STO; (d) your franchise for the restaurant is 10 years; and (e) if the restaurant is on property leased by us, we do not pay any uncapped percentage rent to our landlord.

For new and relocated STO and STR restaurants, the co-investment floor (for the calculation to determine the number of quarters available and maximum rent reduction) is 9.0% for STR and 9.5% for STO. When you select the actual co-investment amount, the corresponding percentage rent reduction is applied

to the rent structure that was established for the restaurant prior to the co-investment decision, but the rent may not be reduced below 9.0% for STR and 9.5% for STO.

- (5) Not payable to us. While the McOpCo companies are voting members of the local advertising funds and OPNAD, they do not have controlling voting power.
- (6) All Satellite restaurants (other than McDonald's in Walmart (MIW) restaurants) will have an Annual or Monthly Base Rent. The rent charged is determined on a case-by-case basis by our management. The rent will vary depending on our investment, rent paid to the head landlord, length of term, projected profitability, and return on investment. MIW restaurants will pay Fixed Percentage Rent, which generally ranges from 15% to 15½% of Gross Sales, and is based on rent paid to Walmart and estimated sales volume for the MIW restaurant.
- (7) The following is the rent structure for STO and STR locations:

Small Town Oil and Small Town Retail Locations Fixed Percentage Rent with Monthly Base Rent Monthly Base Rent

All restaurants will have a Monthly Base Rent. For STO and STR locations, Monthly Base Rent is calculated in the same manner as described in this Item, note 3. You must pay this amount every month of the franchise term.

Fixed Percentage Rent

The Fixed Percentage Rent for STO and STR locations that opened on or after May 28, 2014, is generally computed as follows:

McDonald's Total Acquisition and Development Costs		Fixed Percentage Rent	
More Than	Up to	STO	STR
\$0.00	\$640,000	9.50%	9.00%
\$640,000.01	\$670,000	9.75%	9.25%

\$880,000.01	\$940,000	11.25%	10.75%
\$940,000.01	\$1,000,000	11.50%	11.00%
\$1,000,000.01	and above	Established on a case by case basis	

- (8) The rent structure for BFLs is determined by us on a case-by-case basis. A BFL franchise may be offered by McDonald's after considering various factors, including your personal financial net worth and liquidity, projected pre-opening and opening expenses at the proposed restaurant, and the projected sales volume and operating expenses at the proposed restaurant during the first 3 years of operation. Under a BFL you may have a conditional option to purchase the franchise and the restaurant equipment, signs, and certain other assets after the first year of the franchise term. The minimum option price for new and existing restaurants is determined by McDonald's on a case-by-case basis.
- (9) The relocation contribution is required if you relocate your restaurant to a new site.
- (10) For new restaurants, this fee is paid to our approved POS suppliers and they remit payment to us.
- (11) The one-time \$216 license fee is paid to us and we remit payment to a third-party vendor. After the first year, the only recurring fee is a \$154 annual maintenance and hosting fee that is paid to us and that we remit to a third-party vendor.
- (12) For new restaurants, this fee is paid in the first year to our approved technology equipment suppliers or POS suppliers and they remit payment to us.

- (1) Franchisees who rebuild or relocate their restaurants will pay the initial franchise fee on the earlier of:
 - (a) the first of the month after the seventh year after the opening of the rebuilt or relocated restaurant; or
 - (b) the end of the previous franchise term.
- (2) Applies to STO and STR locations.
- (3) Applies to Satellites.
- (4) See Item 5.
- (5) McDonald's acquires real estate and building and franchises the right to operate at the location. Amounts shown as rent are part of the overall economic package of fees as described in Item 6.
- (6) Special site restaurants may be higher.
- (7) See Item 6, note 4.
- (8) Varies due to size of building, location, estimated sales volume, transportation charges and sales tax. If you request changes to the building, payment for the requested changes may be required before signing the Franchise Agreement. The cost of our basic Store System 6.5 computer platform ranges from \$55,000

to \$65,000, which includes the POS, In Store Processor, Cashless 2.0, computer hardware, software, and related equipment.

- (9) Cost varies due to distances from Regional Offices and Oak Brook, Illinois, and costs of living in various areas of the country.
- (10) You may or may not need capital to support ongoing expenses, such as employee wages, utilities, payroll taxes, legal and accounting fees, travel, advertising, promotion, outside services, linen, operating supplies, small equipment, maintenance and repair, office supplies, cash shortages, insurance, debt service, and non-product purchases, as well as additional opening capital for other variable costs. These figures are estimates and McDonald's cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as how well you follow McDonald's methods and procedures; the sales volume of your restaurant; your management skill, experience, and business acumen; local economic conditions; the local market for our product; the prevailing wage rate; competition; your rent structure; and whether your restaurant is an STO, STR, or a Satellite location. Restaurants opening in cold weather months may be more likely to need capital in the initial 3-month period because restaurant sales are typically lower.
- (11) We have relied on the combined 61 years of restaurant business experience that we and our predecessor have to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise. These figures do not include percentage rent or service fees. We have offered and continue to offer for sale restaurants owned by McOpCo companies. Of all of the sales of restaurants by McOpCo companies in 2015, only two sales exceeded the high end of the initial investment range by \$71,355 and \$365,272.

Item 8

Restrictions on Sources of Products and Services

Except as noted below, McDonald's does not require that you purchase or lease goods, services, supplies, fixtures, equipment, inventory, or computer hardware and software from McDonald's or our designees in the establishment or operation of your McDonald's restaurant business. As described below, we require that these items and sources of supply meet the specifications, requirements, and standards that McDonald's has, in its sole business judgment, formulated for use in the McDonald's System. Except when an ongoing restaurant business is sold, or except as otherwise noted, neither McDonald's nor any affiliate sells fixtures, equipment, food, or supplies to our franchisees; and none of our officers own any interest in any of our approved suppliers. McDonald's may negotiate with approved suppliers in an effort to seek favorable offers for the benefit of the McDonald's System (including offers on price and other purchasing terms). However, our franchisees are free to negotiate their own purchasing terms with approved suppliers at any time. In certain instances, if you participate in programs involving the test or early implementation of new products, equipment, software, or other items, we may install these items in your restaurant at our cost. If these products, equipment, software, or other items are ultimately approved for use in your restaurant, you may be required to reimburse us for the items and related costs. These obligations will be specified in the test or early implementation letter signed by you and McDonald's.

McDonald's strives for the maintenance of quality and uniformity throughout the McDonald's System by identifying standards for the purchasing, distribution, preparation, and service of goods, services, supplies, fixtures, equipment, inventory, and computer hardware and software. We consider the specifications, requirements, and/or standards for food, equipment, information technology, purchasing, distribution, preparation, and service to be of critical importance to the success of the McDonald's System, and therefore require that you deal only with suppliers that have been approved by us. If you desire to use a particular supplier not already approved by McDonald's and if that supplier meets the specifications and requirements of the McDonald's System, then that supplier may, under conditions described below, become an approved supplier for your specific restaurant. Costs associated with gaining approval status may be your responsibility and/or the supplier's where existing suppliers are capable of providing an existing product. Detailed food product specifications are not generally issued to franchisees, but may be made available upon your request to us and upon your agreeing to maintain certain confidentiality obligations. Other food preparation and equipment

requirements and standards are provided to you in our Operations and Training Manual and through other publications provided to our franchisees.

In order for a supplier to be accepted by McDonald's as an approved source of supply, a request for acceptance must be forwarded to our Supply Chain Management Department and other appropriate departments for consideration. The designated Supply Chain Management professional applies the following general criteria in considering whether the supplier will be designated as an approved source of supply:

- (1) Ability to consistently make the manufactured product to McDonald's standards, requirements, and/or specifications.
- (2) Agreement to protect McDonald's confidential information and the secrets behind the uniqueness of McDonald's products from dissemination to others, through production of private brand name products for McDonald's.
- (3) Production, delivery, and service capability, be it local or national, to meet supply and service commitments as well as to insure safe food as specified by McDonald's.
- (4) Integrity of ownership (to assure that its association with McDonald's would not bring ill will upon McDonald's or be inconsistent with McDonald's image).
- (5) Financially sound condition.
- (6) Compliance with all federal, state, and local laws and McDonald's Code of Conduct for Suppliers.

McDonald's may elect not to accept a supplier as an approved supplier if McDonald's determines, in its sole judgment, that there are a sufficient number of approved suppliers at that time for the McDonald's System. There may be instances in which alternative suppliers cannot be approved because the nature of the product or service requires use of one, or a limited number of, suppliers in order to realize efficiencies or protect the interests of the McDonald's System overall.

Approved suppliers must maintain standards in accordance with our written specifications and requirements. On a routine and continuing basis, McDonald's may visit and inspect the operations of approved suppliers and consult with them to ensure compliance with our standards, requirements, and specifications, as well as to assure compliance with federal, state, and local laws and McDonald's Code of Conduct for Suppliers. Termination of a supplier as an approved source of supply may occur by written notice to or personal meeting with the supplier. We advise our franchisees as soon as possible when a supplier is disapproved.

Insurance sources are approved upon submission of a policy meeting our specifications. Coverage must be at least as comprehensive as the minimum requirements of the Franchise Agreement, and in some cases may be higher if required by local law, landlords, property owners, or other third parties. The Franchise Agreement provides that all insurance be placed with a reputable insurance company licensed to do business in the state in which the restaurant premises are located, having both a financial size category equal to or greater than IX and a rating of "A+" or "A" as determined by Alfred M. Best and Company, Inc.

Except as noted below, neither we nor our affiliates derive revenue from your purchase or lease of property, goods, services, supplies, fixtures, equipment, inventory, or computer hardware and software from approved sources of supply. We have no purchasing or distribution cooperatives. We do not provide any material benefits to a franchisee based on your use of approved sources of supply.

Under the franchise you are required to lease the restaurant premises from us, under an Operator's Lease that is incorporated into the Franchise Agreement. Under the Operator's Lease, you are required to pay rent to McDonald's, along with the related occupancy costs, which include property taxes, insurance, maintenance, and structural repairs. McDonald's derives revenue from this leasing arrangement, as detailed in Item 6.

McDonald's requires new restaurants to use a standard POS platform, NP⁶. The computer hardware and software for NP⁶ is purchased through our approved POS suppliers. The NP⁶ computer platform includes computer software owned by our predecessor and maintained by RDI (see Item 1). Included in the payments you make to our approved POS suppliers for the NP⁶ platform is a one-time license fee that is paid to us and a payment for the NP⁶ software and maintenance for the first year, which is paid to us and which we will pay to RDI. After the first year, you are billed by McDonald's for an annual maintenance fee that is paid to RDI for providing periodic updates and enhancements to our approved software (see Item 6).

McDonald's may allow, but does not require, franchisees to offer customers the ability to make purchases with certain credit and debit cards, using a specified system (the "Integrated Cashless System"). Almost all franchisees participate in this program. The Integrated Cashless System is designed to work with the POS platform. If you elect to use the Integrated Cashless System, it must be installed and linked to your POS system by installers that we approve. In addition, your restaurant must have required hardware and software purchased from and installed by our designated suppliers. Finally, you must sign an agreement with our designated transaction processor and pay the processor certain transaction processing fees. We also recommend that your restaurant have McDonald's approved high-speed internet access. If you elect to participate, the detailed terms will be provided to you.

McDonald's may allow, but does not require, franchisees to offer customers the ability to buy and make purchases with gift cards, using a specified system (the "Gift Card System"). The Gift Card System is designed to work with the POS platform and the Integrated Cashless System. The Gift Card System is provided and managed by P2W, Inc. NFP ("P2W"), an independent non-profit corporation. P2W is not our affiliate, but is managed by a board of directors that includes our employees and franchisees. If you elect to use the Gift Card System, your restaurant must have the Integrated Cashless System and use designated equipment that is purchased from designated suppliers. In addition, you must sign a subscription agreement with P2W, purchase training materials, and sign a contract with the transaction processor designated by P2W, under which you will be required to pay the processor certain transaction processing fees. Currently, P2W pays for the production costs of the gift cards and certain other expenses. If you elect to participate, the detailed terms will be provided to you. The Gift Card System is not related to the gift certificate program described in Item 11.

In connection with implementing the Integrated Cashless and the Gift Card systems, we may negotiate and enter into agreements with suppliers, installers, and transaction processing companies under which we may receive certain payments. We may use these payments to help support future technological innovation. For convenience, these uses may be referred to internally as "technology funds." However, we do not operate any actual legally segregated, dedicated, trust, or restricted-use funds for technology development. With respect to the Gift Card System, we may also provide certain administrative services (such as accounting services) to P2W at our actual cost. We do not derive any revenue from this arrangement.

In 2015, we and our predecessor received \$34,641,295 in supplier rebates and other fees composed of the following: beverage supplier fees, cashless incentives and office supply rebates.

In 2015, our total revenue was about \$8.56 billion and revenue from the sale or lease of real estate and services to franchisees was about \$4.36 billion. This represents 51% of our total revenue. These figures were derived from our audited financial statements and other financial information. All of your required purchases (which includes items which must be purchased from us or our approved suppliers and items which must be purchased in accordance with specifications) represent approximately 90% to 95% of your total purchases in connection with the establishment of the restaurant and approximately 60% to 67% of your overall purchases in operating the restaurant.

Occasionally, we may incur additional costs and expenses to develop or improve certain products or services for the benefit of the McDonald's System (including but not limited to, goods, equipment, computer hardware and software, and support services), which ultimately may be provided to McDonald's restaurants by approved suppliers. We may seek to recover all or a portion of these additional costs and expenses from our franchisees and/or the approved suppliers. If that recovery is obtained from the approved suppliers, it may be reflected in the prices they quote for these products or services.

See Item 10 for disclosure on financing fees that may be received by McDonald's.

- (1) If your restaurant is located in an STO location, you may be required to maintain the common areas within the shared building and all external common areas for the fuel facility operator and to obtain

certain utilities and insurance for the fuel facility operator, subject to reimbursement for a portion of all such costs from the fuel facility operator. If your restaurant is located in an STR location, you may be required to maintain a proportionate share of external common areas and obtain insurance for certain common areas.

Item 10 Financing

Typically, no financing arrangements are offered by McDonald's. As part of the Franchise Agreement, McDonald's issues an Operator's Lease for each site owned or leased by McDonald's. The Operator's Lease is a standard commercial lease under which you pay rent to McDonald's for use of the premises. The Operator's Lease does not contain any financing terms. For BFL franchises, the Operator's Lease provides for the lease of the restaurant's business facilities as well as the premises. The BFL arrangement does not contain any financing terms but may provide a conditional option for you to purchase certain restaurant assets from us for a lump sum (see Item 6). In that case, a BFL Rider which contains the option is attached to the Franchise Agreement. The BFL Rider is attached as Exhibit F, and the Operator's Lease is attached as Exhibit G.

Our predecessor may, at its discretion, guarantee loans made by a third party lender, Lake Forest Bank and Trust Company (the "Lender"), to franchisees for remodeling existing restaurants, working capital, delinquent accounts receivable, refinancing existing restaurant loans, acquiring restaurant businesses from McOpCo companies, purchasing restaurant assets by exercising the option under a BFL Rider, and for other reasons approved by McDonald's. The Lender will prepare all the necessary documents and will handle the processing, payments, customer service, and collections according to standards developed by us. Our predecessor will provide a guarantee to the Lender for these obligations and in return will receive a guarantee fee (currently equal to 0.50% of average outstanding balance) in consideration for the risks and costs associated with the guaranteed loans. The rate on these loans will typically be 1 month LIBOR plus 3.75% per annum for floating rate loans which may be prepaid with no penalty. As of December 31, 2015, 1 month LIBOR was 0.43%. If a fixed rate loan is made, there may be a pre-payment penalty. Loans typically will be for a maximum term of 3 years with a 7-year amortization and will be secured by restaurant equipment, seating, signage, decor, and inventory. The loan amount will vary depending on the purpose for which the loan is to be used. A personal guarantee from the franchisee and his or her spouse will be required and, should a legal dispute arise, the franchisee agrees to waive the right to a jury trial and agrees not to consolidate the action with others. A default on these loans will be considered a default under the Franchise Agreement, and the franchisee will be required to sign a Guaranteed Loan Program Agreement with us (see Exhibit M). As of December 31, 2015, the annual percentage rate (APR) was 4.24%. All loan participants will be required to permit electronic debiting of accounts for payment. The financing documents are typically a Promissory Note, Security Agreement, Authorization for ACH Drafting of Loan Payments, and Guaranteed Loan Program Agreement similar to the documents in Exhibit M.

Item 11 Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, McDonald's is not required to provide you with any assistance.

Our Pre-Opening Obligations:

Construct or have others construct, remodel, or otherwise prepare the premises for the McDonald's restaurant in accordance with our then-current plans and specifications and with local ordinances and building codes. We will deliver the premises to you when they are sufficiently completed to allow you to install, at your sole cost and expense, the signs, trade fixtures, equipment, and other personal property and improvements necessary to complete the premises for operation of a McDonald's restaurant. If the restaurant has not been constructed or is not ready for occupancy when the Franchise Agreement is executed, we will use our best efforts to expedite the construction. We either own the premises or lease it from the owner and lease or sublease the premises to you (Franchise Agreement – Section 9, Operator's Lease – Section 2.06).

Prescribe detailed specifications for purchasing, preparation, and service, and make available to you names of approved sources of supply. We do not sell or lease to you equipment, signs, fixtures, opening inventories, or supplies or deliver or install these items except as noted in Item 8 or when we sell or lease an ongoing business to you (Franchise Agreement – Sections 3, 12(b), and 12(i), Operator’s Lease – Section 2.04). See Items 8 and 9.

Provide our training program to you, which includes your enrolling your managers at Hamburger University or other training centers. The training program is more fully described in this Item (Franchise Agreement – Sections 4 and 6).

McDonald’s will allow you to view McDonald’s Operations and Training Manual (the “O&T Manual”) before you purchase the franchise (Franchise Agreement – Section 4).

Our Operational Obligations:

Advise and consult with you periodically and at other reasonable times upon your request in connection with the operation of the restaurant. We will communicate to you our knowledge of new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald’s System. The communications will be accomplished by visits by operations consultants, printed reports, seminars, newsletter mailings, emails, and online resources. We will make available to you all additional services, facilities, rights, and privileges relating to the operation of the restaurant that we make generally available to all our franchisees operating McDonald’s restaurants (Franchise Agreement – Section 3).

Make available to you the O&T Manual and any other business manuals prepared and modified by us for use by our franchisees in connection with the operation of a McDonald’s restaurant. These manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies (Franchise Agreement – Section 4).

Advertising Programs:

We employ advertising and marketing consultants to participate in the formulation and production of concepts and materials for production and media placement of national programs for the McDonald’s System. Our in-house advertising and marketing departments develop overall direction and strategy for the national programs and recommend them to franchisees. Advertising and marketing programs are placed in national and local media including, but not limited to, print, radio, television, outdoor, point of sale, direct mail, and the Internet. We do not maintain an advertising or marketing fund nor do we have any obligation to make placement of programs in the media. You must advertise and promote your restaurant to the general public and spend at least 4% of the restaurant Gross Sales each year for this purpose. For new, rebuilt, relocated, and remodeled restaurants, we strongly recommend the use of “grand opening” promotions. You must use only advertising and marketing materials and programs that we have provided to you or approved in advance in writing. All advertising and marketing must also conform to the standards and policies of the McDonald’s System relating to the trademarks and service marks. Advertising and marketing by cooperatives are subject to the same approval requirements. Your expenditures for OPNAD and local cooperative advertising and/or marketing of the McDonald’s System are credited to this required expenditure. You are not required to participate in OPNAD or a local cooperative; however, your consistent involvement with OPNAD and local cooperatives is one of several factors used to measure your compliance with the Operator Involvement standard, which is one of the National Franchising Standards you must meet to be eligible for growth and rewrite. Also, if you decide not to participate in a cooperative, you may not gain access to that cooperative’s advertising and marketing programs (Franchise Agreement – Section 5). See Items 6 and 9.

OPNAD and the local cooperatives are independent entities formed by franchisees. The McOpCo companies that operate restaurants also participate in OPNAD and the local cooperatives. These cooperatives carry out programs to advertise and market cooperative restaurants. Each cooperative maintains and administers its own advertising and marketing fund, which is funded by its members. The funds may be used for media placement and to develop and produce advertising and marketing concepts and materials for use by cooperative restaurants. Individual

franchisee and McOpCo-owned restaurants contribute to OPNAD and the local funds on the same basis. Each franchisee member of OPNAD pledges the same contribution rate, currently 1.60% of sales, for a designated period. Each local cooperative establishes its own separate contribution rate and time period for its fund. If you join a local cooperative, you contribute at the same rate as each other member of the cooperative with similar restaurants or restaurants located in the same general area.

Members of OPNAD elect or designate regional representatives with operating and decision making powers to conduct cooperative business. Local cooperative members participate in cooperative business according to the rules and procedures established by each cooperative. McOpCo companies that operate restaurants are members of OPNAD and the local cooperatives. Neither McDonald's nor the McOpCo companies can change or dissolve OPNAD or the local cooperatives.

The OPNAD fund is independently audited annually and its financial statements are available for review. The local cooperatives generally audit their fund and prepare financial statements, which are available for review; however, requirements vary among the cooperatives. The cooperative advertising and marketing funds are intended for uses and allocated in varying percentages designated by each cooperative, including production, media placement, and administrative expenses.

We provide the services of certain marketing, legal, and accounting personnel to the OPNAD fund without charge. That fund administers a gift certificate program on behalf of all of its members for the redemption of gift certificates sold to customers at McDonald's restaurants. Charges for certain other accounting personnel who provide services to the fund and the gift certificate program are included in the administrative costs for the OPNAD fund. The gift certificate program is not related to the Gift Card System described in Item 8.

We are not required to spend any amount to advertise or promote your restaurant in any manner. Since we do not administer or maintain an advertising or marketing fund, there are no unexpended advertising fees used by us. We do not use advertising or marketing funds in any manner to solicit the sale of McDonald's franchises.

Computer Systems:

McDonald's requires new restaurants to use a standard POS platform, NP⁶. The computer hardware and software for NP⁶ are purchased through our approved POS suppliers. The hardware and software components used in NP⁶ have been integrated to the service and production systems of McDonald's restaurants. NP⁶ is the proprietary property of McDonald's.

Other components of our required computer platform include the In Store Processor (ISP), which is purchased through one of our approved suppliers, uses server computer hardware that operates with software that is the proprietary property of McDonald's and other software applications. In addition, RFM is a web-based application that enables you to update price, product, and promotion information for NP⁶.

McDonald's Regional Restaurant Data Diagnostics system (R2D2) provides you with highly focused, actionable reports to help improve your restaurant operations. We will install software that runs on your McDonald's approved ISP and which collects and transmits your sales information to our servers. In addition to providing reports you request, we use R2D2 sales data in reports we send you to verify your sales information.

The term "Store Systems" describes the combined software application suite deployed at the restaurant. Enhancements to hardware and software components of Store Systems are made available by McDonald's and McDonald's approved suppliers for purchase by the franchisee, who may be required to update or upgrade the system periodically to meet McDonald's System's standards. Normal Store Systems software upgrades based on an established enhancement request process are included in your annual maintenance fee as determined by McDonald's. However, if the Store Systems platform changes significantly, a one-time fee must be paid by the franchisee. You may choose from the approved supplier or approved independent third parties for installation, maintenance, repair, and support services at varying costs.

In accordance with the Franchise Agreement, McDonald's has adopted and is implementing a revised standard relating to Store Systems, applicable to all U.S. McDonald's restaurants, as stated below:

Restaurants that are currently operating older, previously approved POS systems (such as Panasonic II+, PAR II, 386 based PcPOS, PcPOS without ISP, or PcPOS with ISP but not running the current version of Store Systems) are required to replace or upgrade to the current version of Store Systems. McDonald's will not approve any franchise transfer or grant a new term franchise if the restaurant is not using the approved Store Systems technology. All new restaurants must adopt Store System 6.5 technology.

The cost of our basic Store System 6.5 computer platform ranges from \$55,000 to \$65,000, which includes the POS, In Store Processor, Cashless 2.0, computer hardware, software, and related equipment. See Item 6 for software-related fees.

The Store Systems software is generally used in the restaurant to efficiently and accurately process customer orders by integrating production and service systems in the restaurant and to compile information including sales, transactions, product mix, and cash control. It may also be used to compile additional inventory, labor, and payroll information used in managing the restaurant. It may also be used in connection with the Integrated Cashless and Gift Card systems. We have independent access to your sales and other restaurant-level information, which is stored on our server, and there are no contractual limits on our right to access such information. You must provide us with monthly statements of all receipts from the restaurant operation and additional financial, operating, and other information on forms and in the manner we reasonably request, which may include independent access to sales, transactions, product mix, and inventory information. You must submit electronically each month your financial statements, including your consolidated balance sheet, consolidated general and administrative expense statement, consolidated debt summary, and individual restaurant profit and loss statement(s), using our web-based Franchisee Financial System (FFS), which is a database of financial information. You must keep and preserve on the restaurant premises full and complete written books and records of the restaurant's Gross Sales for at least 3 years in a manner and form satisfactory to us. The books and records include cash register tapes, over-ring slips, sales journals, general ledger, profit and loss statements, balance sheets, cash sheets, purchase invoices, bank statements with canceled checks and deposit advices, corporate and management company books and records, and federal and state tax returns. We are not obligated to provide assistance to you in obtaining these items or services (Franchise Agreement – Section 10, Operator's Lease – Sections 3.02 and 3.03). See Items 6 and 7.

The Integrated Cashless System can be used to accept credit and debit card purchases by customers. If you elect to use the Integrated Cashless System, you must purchase the hardware and software that we specify (including card readers, cables, and related hardware) from our designated supplier. The required hardware and software, which is not proprietary to us or any affiliate, has been used continuously in McDonald's restaurants since June 2003. You must also sign an agreement with our designated transaction processor (see Item 8), and we recommend that your restaurant have McDonald's approved high-speed internet access. For Store System 6.5, the cashless system is known as Cashless 2.0 and we charge an annual fee for maintenance and hosting of data (see Item 6). Your POS system and the transaction processor will collect your cashless transaction information. We will have independent access to aggregated transaction information generally, along with information on the number and dollar amount of specific cashless transactions in any individual restaurant.

The Gift Card System can be used to offer customers the ability to buy and make purchases with gift cards. If you elect to use the Gift Card System, you must sign a subscription agreement with P2W, Inc., which manages the system (see Item 8), and you must purchase specified hardware (including card readers, cables, and related hardware) from a designated supplier. This hardware, which is not proprietary to us or any affiliate, has been used continuously in McDonald's restaurants since June 2004. You must also sign an agreement with a designated transaction processor (see Item 8). No other hardware or suppliers are currently approved for the Gift Card System. Your POS system, the transaction processor, and P2W will collect your Gift Card System transaction information. We will have independent access to aggregated transaction information generally, along with information on the number and dollar amount of specific gift card transactions in any individual restaurant.

With both the Integrated Cashless and Gift Card systems, you may need to upgrade or update your hardware or software during the term of your franchise. There are no contractual limitations on the frequency or cost of these upgrades or updates.

Site Selection:

We select the site for location of the restaurant premises and negotiate the location's purchase or lease. You do not select or approve restaurant sites. You will not sign a Franchise Agreement unless we have already selected the site.

We utilize our judgment and experience in selecting locations for McDonald's restaurants based upon population density, traffic patterns, market statistics, proximity of shopping centers, schools, competition, accessibility of utility and public services, costs of purchasing or leasing the site, assessment of future demographic developments, our interest in developing an effective marketing network that will be convenient to consumers, and other factors. Site locations are called to our attention through independent canvassing of highways and urban, suburban, small town, and other neighborhoods.

Restaurant Opening:

In the normal course of business, the Franchise Agreement is submitted to you for execution approximately 30 days before the restaurant is opened for business. During this period, you are receiving shipments of restaurant equipment. The initial franchise fee, if applicable, is payable on the opening of the restaurant. No monthly fees accrue until the restaurant opens for business. See Items 5 and 6.

The restaurant opening may occasionally be delayed by weather conditions, delayed delivery, or installation of equipment, fixtures and signs, labor disputes, governmental regulation, or other causes beyond our reasonable control. You may not open the restaurant for business until you have executed the Franchise Agreement and have delivered the agreement to us with payment of the initial franchise fee, if applicable.

Training:

McDonald's operates Hamburger University (HU), the international training center for the McDonald's System. The content and duration of all operations courses, which are offered at HU and various local sites, are revised and reconsidered from time to time to meet the needs of our franchisees. All courses and learning events are offered at frequent intervals and are designed to give you specific skill sets in the various facets of the conduct of a McDonald's restaurant, including such areas as equipment, standards, controls, and leading people. The basic minimum core training, which you must complete to be qualified to operate a McDonald's restaurant, is known as the Restaurant Department Management (RDM) curriculum. Existing franchisees will not be required to complete the RDM curriculum to acquire an additional restaurant.

Our RDM curriculum is deployed through the Learning Management System (LMS), which allows you to complete and track the progress of your assigned learning online. You are assigned a job role in LMS and complete an RDM learning plan. You are also assigned a coach who helps with your assigned learning, monitors your training, approves you for additional courses, and verifies the skills acquired. It takes approximately two years to complete all RDM learning plans, from Shift Manager through General Manager. The time needed to complete a learning plan may vary due to previous classes you have completed, testing out of coursework, and the amount of time you dedicate to training each week.

The complete training program and materials include many elements. There are various pre- and post-assessments, formal and virtual collaboration classes, computer-based learning (e-learning), coaching sessions, and visual job aids, practical laboratory simulations, and verifications for all stations and positions. The training method and manner are tailored to individual circumstances. As part of the training program, you must perform and master all of the crew and management functions at the restaurant. You do not receive compensation during the training program. McDonald's does not charge you a fee to complete the basic minimum core training provided at our designated training centers.

You are required to complete all curricula, including the General Manager (GM) Business Leadership Capstone course conducted at HU, to McDonald's satisfaction to be qualified to operate a McDonald's restaurant. During the GM Business Leadership Capstone course, you are instructed by experts experienced in the operation and

management of McDonald's restaurants. You must be fully trained, in McDonald's sole judgment, before you operate a restaurant.

At the opening of your restaurant, an operations consultant will spend time with you providing assistance and refinement of previous training and instruction.

You must complete the training program successfully before signing the Franchise Agreement or paying any money to McDonald's.

The experience of the instructors in the McDonald's restaurant business averages 5 or more years. Instructors include HU professors and regional training consultants. Rob Lauber, Vice President of our predecessor and Chief Learning Officer, has been the head of our training program since July 2014. Prior to this role, from March 2006 to July 2014, he was the Vice President of Yum! University at Yum! Brands in Louisville, Kentucky.

McDonald's bears the cost of maintaining HU and other designated training centers associated with providing basic and advanced instruction in the RDM curriculum, including the overhead cost of training, staff salaries, materials, and all technical training tools. You are responsible for the costs of traveling, living, compensation, and other expenses incurred by you and your employees in connection with attendance at HU or other training facilities. You may also be charged a fee to cover McDonald's costs of providing certain training and related materials other than those associated with the RDM curriculum. You are not an employee of McDonald's and are not compensated by McDonald's for or during any training described in this Item.

There are no further mandatory training requirements for you. However, annual meetings, conventions, various workshops, and other training sessions may be conducted on an ongoing basis within each region, and McDonald's may require you to pay for the costs associated with that ongoing training or participation. Additionally, optional courses may be offered to you or your employees for a fee. You are responsible for the costs of traveling, living, compensation, and other expenses incurred by you and your employees in connection with attendance at all ongoing training.

In addition to HU and McDonald's other designated training centers, McDonald's occasionally may offer initial and ongoing training at temporary remote locations (such as hotel conference rooms) for the convenience of attendees. These remote locations are not designated training centers, but you may attend them in lieu of designated training centers. If you elect to attend training offered at a remote location, McDonald's may require you to pay for the costs associated with that training.

Before entering the training program, you must sign a Preliminary Agreement, which is attached to this disclosure document as Exhibit J. The Preliminary Agreement contains the terms of our agreement, which allows you to participate in McDonald's franchise applicant training program. It states, among other things, that there is no guarantee that you will be offered a McDonald's franchise, that McDonald's may remove you from the training program for any reason or no reason at all, and you may withdraw from the training program at any time. The Preliminary Agreement also states you will not be compensated during your training and will not be an employee of McDonald's or any McDonald's franchisee.

The RDM curriculum is described in the following tables and includes, but is not limited to:

- (1) Self-Study Modules and Coaching: Self-directed modules and coaching provide initial training, practice, and verification. Performance objectives and verification procedures are clearly defined.
- (2) Facilitated Courses: Hands-on training is supported and reinforced by facilitated courses that emphasize participant involvement. Interactive problem solving, small work group, and skill-building activities provide an opportunity to practice new skills and obtain feedback from peers and instructors.
- (3) Equipment Training: Self-directed equipment training and instructor-led support is provided based on system needs.

The recommended methods and time frames for training, practice, and verification have been determined to ensure that you receive the right training at the right time. The training program table generally describes the minimum classroom and in-restaurant training that you must complete to be considered qualified to operate a McDonald's restaurant. Since the entire curriculum is skill-based, the time necessary to complete the training varies from individual to individual.

Item 12 Territory

McDonald's franchises contain a limited grant of authority to use the McDonald's System in the operation of the specific restaurant developed by McDonald's at that address. The Franchise Agreement does not contain any exclusive grant, exclusive area, exclusive territorial rights, protected territory, or any right to exclude,

control, or impose conditions on the location or development of future McDonald's restaurants at any time. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. The sales and customer trading patterns which a restaurant experiences at any particular time are subject to change by reason of many factors, including our ongoing development of the marketing network of McDonald's restaurant locations, and do not represent any continuing franchisee entitlement or expectation. McDonald's may establish other franchisee or McOpCo company-owned outlets that may alter customer trading patterns and affect the sales of, and compete with, your location. McDonald's reserves the right to use the Marks (as described in Item 13) in any other channel of distribution. For example, McCafe packaged coffee is being sold in supermarkets and other retail outlets and via e-commerce. McDonald's reserves the right to sell other similar goods and services under the Marks or under different trademarks and service marks. Internal policies which McDonald's may apply and modify periodically in connection with decisions to develop new restaurants are not part of the Franchise Agreement and do not involve any contract right granted to you.

Item 13 Trademarks

We grant you the right to use many commercially valuable trademarks, trade names, service marks, logos, and other commercial symbols (collectively "Marks") that are material to the operation of your restaurant.

The following Marks have been registered with the United States Patent and Trademark Office on the Principal Register. All required affidavits of use and applications for renewal have been filed and accepted. Those Marks which have been registered for more than 6 years have become incontestable.

We believe the following Marks are the principal marks you will use to identify your restaurant.

<u>Trade/Service Mark</u>	<u>Reg. No.</u>	<u>Reg. Date</u>	<u>Int. Class</u>
THE GOLDEN ARCHES	1,250,082	08/30/83	42
THE GOLDEN ARCHES LOGO	893,440	06/23/70	42
MCDONALD'S (Name)	743,572	01/08/63	42
MCDONALD'S and GOLDEN ARCHES LOGO (Sign Design)	1,287,408	07/24/84	42

The grant of rights under the McDonald's System includes the non-exclusive right to use all the Marks in connection with the operation of your restaurant.

We do not own the Marks. We are licensed by our affiliate, Restaurant Brands, LLC, to use and license the use of the Marks in the U.S. in connection with McDonald's restaurants. This license lasts for 20 years from the effective date of that license, with automatic renewals, and may be terminated only by agreement, if we become the subject of any insolvency proceedings or if we fail to use the Marks as prescribed by Restaurant Brands. Periodically, additional Marks may be adopted and/or registered that are considered important to our business, and we may incorporate some but not all of them into the McDonald's System.

There currently are no decisions of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, or the trademark administrator of any state or any court which affect your right to use the Marks. There is currently no pending infringement, opposition, or cancellation proceeding nor any material litigation involving such Marks the outcome of which is relevant to their use in the state in which your restaurant is to be located.

Other than our license with Restaurant Brands, there currently are no agreements that significantly limit our rights to use or license the use of the Marks in the U.S. in a manner material to the franchise. You must

follow our rules when you use the Marks. You cannot use our name or any Mark as part of the name of your operating company, or with any modifying words, designs, or symbols (except those we approve).

There is no obligation under the Franchise Agreement to notify us of any use by others of names or marks which are identical or confusingly or deceptively similar to any of the Marks. While there is no obligation under the Franchise Agreement to take affirmative action, we consider the Marks to be a valuable property right and we continually work, in cooperation with our affiliates, to protect the Marks against infringement by others and to protect your right to use the Marks. Restaurant Brands or our predecessor has the right to control administrative proceedings or litigation involving the Marks. To our knowledge there currently are no superior prior rights or infringing uses of the Marks that would materially affect your use of the Marks in the operation of your restaurant.

We have no obligation under the Franchise Agreement to protect you against, participate in your defense of, or to reimburse you for, any damages which you are held liable for in any proceeding arising out of your use of the Marks. We may at any time require you to limit and/or modify your use of the Marks. In this event, we are not obligated under the Franchise Agreement to reimburse you for the cost incurred due to the modification or discontinuance of use of the Marks.

Item 14

Patents, Copyrights, and Proprietary Information

No patents are required to be disclosed in this Item.

We or our predecessor claim copyrights in the O&T Manual and various menus, advertising and marketing materials, and similar items used in operating your restaurant. These copyrighted materials have not been registered with the U.S. Registrar of Copyrights, and do not need to be registered at this time. Currently there are no decisions of the U.S. Copyright Office (Library of Congress), and no pending infringement proceedings or material litigation involving the copyrighted works that could affect your use of them. Any copyrighted works that we do not own are licensed to us by our predecessor. This license may be terminated only by agreement, if we become the subject of any insolvency proceedings, or if we breach the terms of our license agreement with our predecessor. Other than our license with our predecessor, there currently are no agreements that significantly limit our rights to use or license the use of the copyrighted works in the U.S.

You have no obligation under the Franchise Agreement to notify us of any apparent infringement of or challenge to your use of any copyrighted works, or of any person's claim of any rights in any copyrighted works. Although there is no obligation under the Franchise Agreement for us to take affirmative action, we consider the copyrighted works to be valuable property and we continually work, in cooperation with our predecessor, to protect against infringement by others and to protect your rights of use. Our predecessor has the right to control all litigation involving the copyrighted works it licenses to us, including the O&T Manual. We have no obligation under the Franchise Agreement to protect you against, participate in your defense of, or to reimburse you for, any damages that you are held liable for in any proceeding arising out of your use of any copyrighted works.

We may modify or discontinue using any copyrighted works, and/or use additional or substitute copyrighted works, and you must comply with our directions for any modification or discontinuance after receiving notice from us. We are not obligated under the Franchise Agreement to reimburse you for any costs incurred due to any modification or discontinuance of any copyrighted works.

McDonald's O&T Manual and other materials in the McDonald's System contain trade secrets and confidential and proprietary information. This information includes, but is not limited to: methods, formats, specifications, standards, systems, procedures, sales and marketing techniques, knowledge and experience used in developing and operating McDonald's restaurants; real estate and development plans; marketing plans, research, advertising and promotional programs for McDonald's restaurants; knowledge of suppliers, methods of ordering and specifications for products, materials, and supplies; knowledge of the operating results, financial information, and financial performance information; customer communication and retention programs; graphic designs; intellectual property; recipes, formulae and food preparation processes; information generated by, or used or developed in, the operation of a restaurant; and any other information McDonald's may designate as confidential

or proprietary. You must follow our rules when you use the O&T Manual and any other confidential and proprietary information. You must keep them absolutely confidential at all times, and you must take all reasonable steps to prevent improper disclosure to others.

In addition, you must not disclose (unless approved or required by McDonald's) financial performance, operating results, or sales information (collectively, the "Financial Information") relating to your McDonald's restaurant where: (a) McDonald's has not publicly disclosed its financial performance for the period; (b) it is reasonably foreseeable that such Financial Information will be consolidated with the Financial Information of other McDonald's restaurants; and (c) it is reasonably foreseeable that the Financial Information or consolidated Financial Information will be made public and/or be used to influence investment decisions regarding McDonald's common stock.

Using McDonald's confidential and proprietary information or the Financial Information in an unauthorized manner is strictly prohibited. Failure to maintain the confidentiality of this information and/or the unauthorized use or disclosure of this information may lead to civil or criminal prosecution as well as the termination of the Franchise Agreement.

Item 15

Obligation to Participate in the Actual Operation of the Franchise Business

We require you to provide full time and best efforts to, and personal on-premises supervision of, the day-to-day operation of your McDonald's restaurant business. This duty is stated in paragraphs 1(e) and 13 of the Franchise Agreement.

Item 16

Restrictions on What the Franchisee May Sell

You may sell only products authorized by McDonald's and use the premises only as a McDonald's restaurant. In the dispensing and sale of these products, you may use only packaging, paper goods, ingredients, and handling and preparation methods that meet the McDonald's System specifications and quality standards which we may designate and modify. We have the right to add, delete, or change authorized products that you are required to offer. There are no limits on our right to do so. See Items 8 and 9.

The McDonald's System is a comprehensive restaurant system for the retailing of a limited menu of uniform and quality food and beverage products, which McDonald's may modify at any time at its discretion. You must operate the restaurant in conformity with the entire McDonald's System at all times, including serving at the restaurant a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service. See Items 8 and 9.

We impose no limitations on the customers to whom you may sell goods and services, provided that you adopt and use the McDonald's System only at the specific restaurant developed by McDonald's and franchised to you. See Item 12.

Item 17

Renewal, Termination, Transfer, and Dispute Resolution

THE FRANCHISE RELATIONSHIP

This table lists certain important provisions of the franchise and related agreements. You should read these provisions in the agreements attached to this disclosure document.

You should remember that the franchise consists of a Franchise Agreement and Exhibit A to that agreement, known as an Operator's Lease. The summaries which appear below refer to each of these documents separately, but they should be read and considered as a whole.

w. Choice of law	Section 27	The Franchise Agreement is interpreted and governed by Illinois law (with specific exceptions stated in the Franchise Agreement).

Note 1 We are not obligated by the Franchise Agreement to do so, but if your spouse wishes to train to become qualified after your death or disability, we will work with your spouse for up to 18 months (as long as we determine that adequate progress is being made) so that your spouse can attempt to become approved to operate the restaurant.

Note 2 We are not obligated by the Franchise Agreement to do so, but if an existing traditional McDonald's franchise is transferred to you (in other words, if you purchase an existing restaurant from another franchisee) with our approval and you remodel, in accordance with McDonald's specifications, the restaurant within 12 months or, if impractical, commit in writing to remodel within 6 months and complete the remodel within a reasonable time thereafter, we may offer you a new 20-year franchise term after considering whether the restaurant has been identified for relocation or rebuild; the age of the restaurant building; whether there is sufficient real estate tenure; whether you have had any previous ownership in the franchise; and such other criteria as we establish from time to time. The restaurant cannot have already previously been remodeled and you also must have fully completed any required reinvestment within the time frame established by us. In this case, a rent adjustment and a prorated initial franchise fee may apply based on the new term.

Note 3 Under a BFL franchise, if you have a conditional option to purchase certain restaurant assets, the conditions are met, and you exercise the option, your franchise will be extended for up to 20 years after the beginning of the term (based on available real estate tenure).

Item 18 Public Figures

McDonald's does not use any public figure to promote our franchise.

Item 19 Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the

information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Of the approximately 12,594 domestic traditional McDonald's restaurants opened at least 1 year as of December 31, 2015, approximately 71% had annual sales volumes in excess of \$2,200,000; approximately 59% had annual sales volumes in excess of \$2,400,000; and approximately 48% had annual sales volumes in excess of \$2,600,000. The average annual sales volume of domestic traditional McDonald's restaurants open at least 1 year as of December 31, 2015, was \$2,620,000 during 2015. The highest and lowest annual sales volume in 2015 for these domestic traditional McDonald's restaurants was \$9,230,000 and \$341,000, respectively.

Of the approximately 11,330 domestic traditional franchised McDonald's restaurants opened at least 1 year as of December 31, 2015, approximately 68% had annual sales volumes in excess of \$2,200,000; approximately 56% had annual sales volumes in excess of \$2,400,000; and approximately 45% had annual sales volumes in excess of \$2,600,000. The average annual sales volume of domestic traditional franchised McDonald's restaurants open at least 1 year as of December 31, 2015, was \$2,578,000 during 2015. The highest and lowest annual sales volume in 2015 for these domestic traditional McDonald's restaurants was \$9,230,000 and \$341,000, respectively.

Of the approximately 1,264 domestic traditional McOpCo restaurants opened at least 1 year as of December 31, 2015, approximately 91% had annual sales volumes in excess of \$2,200,000; approximately 84% had annual sales volumes in excess of \$2,400,000; and approximately 73% had annual sales volumes in excess of \$2,600,000. The average annual sales volume of domestic traditional McOpCo restaurants open at least 1 year as of December 31, 2015, was \$2,996,000 during 2015. The highest and lowest annual sales volume in 2015 for these domestic traditional McOpCo restaurants was \$8,530,000 and \$1,170,000, respectively.

The pro forma statements included below show annual sales volumes of \$2,200,000, \$2,400,000, and \$2,600,000. These pro forma statements have been derived from independent franchisee traditional restaurant financial statements to provide information relevant to a prospective franchisee (see Note 1). Specific assumptions used in the presentation of these pro forma statements are indicated above and below each statement.

The pro forma statements are based upon a total of 10,544 independent franchisee traditional restaurants open and operated by a franchisee for at least 1 year and do not include restaurants operated by McOpCo companies, Satellites or restaurants which changed owners in 2015. A franchisee's individual financial results may differ from the results stated in the pro forma statements for the reasons described in this item or for other reasons. Substantiation of the data used in preparing the earnings claims, including computations of all actual or average profit or earnings, will be made available to prospective franchisees upon reasonable request.

It is anticipated that the information reported in these pro forma statements reflects the operating results before occupancy costs for independent franchisee restaurants open for at least 1 year. However, the operating income before occupancy cost figures appearing below should not be construed as the financial results or "profit" before occupancy costs which might be experienced by a franchisee with a similar sales volume or an indication that any particular sales volume will be obtained. An individual franchisee is likely to experience operating expense variations including, but not limited to, general insurance, legal and accounting fees, labor costs, and store management benefits (life and health insurance, etc.). Additionally, market conditions, operational and management methods employed by a franchisee, different geographic areas of the country, and menu price variations may significantly affect operating results. The nature of these variables makes it difficult to estimate the financial results for any particular franchisee or location.

PRODUCT SALES (see Note 2)	\$2,200,000	100.0%	\$2,400,000	100.0%	\$2,600,000	100.0%
TOTAL COST OF SALES	671,000	30.5%	728,000	30.3%	787,000	30.3%
GROSS PROFIT	1,530,000	69.5%	1,669,000	69.5%	1,812,000	69.7%
OTHER OPERATING EXPENSES (excluding rent, service fees, depreciation and amortization (D&A), interest, and income taxes)*	970,000	44.1%	1,036,000	43.2%	1,106,000	42.5%
OPERATING INCOME BEFORE OCCUPANCY COSTS (excluding rent, service fees, D&A, interest, and income taxes) (see Note 3)**	561,000	25.5%	633,000	26.4%	706,000	27.2%

Of the 10,544 independent franchisee traditional restaurants included in the pro forma statements above, approximately 66% had operating income before occupancy costs greater than \$561,000; approximately 53% had operating income before occupancy costs greater than \$633,000; and approximately 44% had operating income before occupancy costs greater than \$706,000.

* **OTHER OPERATING EXPENSES** — Includes, but is not limited to, the following costs: labor, franchisee's salary as manager, payroll taxes, advertising fee (as described in Item 6), promotion, outside services, linen, operating supplies, small equipment, maintenance and repair, utilities, office supplies, legal and accounting fees, insurance, real estate and personal property taxes, business operating licenses, and non-product income or expense. This is a combination of the Total Controllable Expenses and Other Operating Expenses excluding rent, service fees, D&A, and interest included in our typical store financial statements.

** **OPERATING INCOME BEFORE OCCUPANCY COSTS** — Represents Operating Income excluding rent, service fees, D&A, interest, and income taxes. The rent paid to McDonald's will vary based upon sales and McDonald's investment in land, site improvements, and building costs. Refer to Item 6 for information regarding franchise fees (including rent and service fees paid to McDonald's). D&A and interest will vary based upon the purchase price and required reinvestment of the specific restaurant acquired. Refer to Item 7 for a description of investment costs.

Additionally, organization overhead costs such as salaries and benefits of non-restaurant personnel (if any), cost of an automobile used in the business (if any), and other discretionary expenditures may significantly affect profits realized in any given operation. The nature of these variables makes it difficult to estimate the performance for any particular restaurant with sales of any given volume.

These sales, profits, or earnings are averages of specific restaurants and should not be considered as the actual or potential sales, profits, or earnings that will be realized by any other franchisee. McDonald's does not represent that any franchisee can expect to attain these sales, profits, or earnings.

Note 1 — Data for McOpCo company restaurants is not included in the pro forma statements because of certain expenses that are typically incurred by a McOpCo-operated restaurant that are not incurred by restaurants franchised to individuals. If data for McOpCo-operated restaurants open for at least 1 year were included along with franchised restaurants, the percent of total restaurants in each category would not be statistically different and the range of Operating Income Before Occupancy Costs would be \$547,000 to \$685,000.

Note 2 — The description of this line, "Product Sales," is to clarify that only product sales are included. Non-product sales and associated costs are included in Other Operating Expenses. The Operating Income Before Occupancy Costs numbers were determined using restaurants with product sales between \$2,100,000 to \$2,300,000; \$2,300,000 to \$2,500,000; and \$2,500,000 to \$2,700,000, respectively.

Note 3 — We are not presenting average occupancy costs in the above calculation because a wide variety of rent charts and ownership options exist. In addition, the effective rent paid by a franchisee may be more in any particular month than the stated percent rent indicated in the franchisee's lease because a portion of the rent may be fixed regardless of the sales level for a given month. The range of effective rent percentages in 2015 for franchised restaurants was 0% to 36.51%. Refer to Item 6 for a description of rents.

- (1) Substantially all of the Terminations are as a result of closings of restaurants by mutual agreement during the franchise term.
- (2) Franchisees are not given the right to renew or extend the franchise at the end of the term. At McDonald's sole discretion, a franchisee may or may not be offered a new term franchise. If we do not grant a new term franchise, the franchisee has the opportunity to sell the franchise during the remaining term, and a qualified purchaser is allowed to enter into a new term Franchise Agreement at the end of the remaining term. These transactions are not included as Non-Renewals. Substantially all of the Non-Renewals are as a result of closings of restaurants by mutual agreement at the end of the franchise term.
- (3) Reacquired by Franchisor does not include "spin" transactions, in which we or an affiliate acquired the restaurant from one franchisee and immediately sold the restaurant to another franchisee without our ever having operated the restaurant.
- (4) Ceased Operations includes Franchise Agreements that were mutually terminated because the franchisee relocated the restaurant to a new site. The existing Franchise Agreement was terminated, and we entered into a Franchise Agreement for the new site with the franchisee.

FINANCIAL STATEMENTS

Report of Independent Auditors

The Board of Directors
McDonald's USA, LLC

We have audited the accompanying consolidated financial statements of McDonald's USA, LLC, which comprise the consolidated balance sheets as of December 31, 2015 and 2014, and the related consolidated statements of income, cash flows and member's equity for each of the three years in the period ended December 31, 2015, and the related notes to the consolidated financial statements.

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of McDonald's USA, LLC at December 31, 2015 and 2014, and the consolidated results of its operations and its cash flows for each of the three years in the period ended December 31, 2015, in conformity with U.S. generally accepted accounting principles.

McDonald's USA, LLC
Notes to consolidated financial statements

Summary of significant accounting policies**Nature of business**

McDonald's USA, LLC (the "Company") is a limited liability company that franchises and operates McDonald's restaurants in the restaurant industry in the United States.

All restaurants are operated either by the Company or by franchisees, including conventional franchisees under franchise arrangements, and affiliates under license agreements.

The following table presents restaurant information by ownership type:

<i>Restaurants at December 31,</i>	2015	2014	2013
Franchised	12,899	12,836	12,739
Company-operated	1,360	1,514	1,539
Systemwide restaurants	14,259	14,350	14,278

The results of operations of restaurant businesses purchased and sold in transactions with franchisees, were not material either individually or in the aggregate to the consolidated financial statements for periods prior to purchase and sale.

The Company is a wholly-owned subsidiary of McDonald's Corporation (McDonald's). On January 1, 2005, McDonald's contributed assets, net of liabilities, of \$5,548.8 million to the Company. McDonald's has retained legal title to certain of the property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements. McDonald's or its affiliates directly own the intellectual property rights in the U.S. and license or sublicense such rights to the Company.

Consolidation

The consolidated financial statements include the accounts of the Company and its subsidiaries. Investments in affiliates owned 50% or less are accounted for by the equity method.

On an ongoing basis, the Company evaluates its business relationships such as those with franchisees, joint partners, suppliers, and advertising cooperatives to identify potential variable interest entities. Generally, these businesses qualify for a scope exception under the consolidation guidance. The Company has concluded that consolidation of any such entity is not appropriate for the periods presented.

Estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the U.S. requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Recently issued accounting standards*Balance Sheet Reclassification of Deferred Taxes*

For the annual reporting period ended December 31, 2015, the Company early adopted Accounting Standards Update ("ASU") 2015-17, "Income Taxes (Topic 740): Balance Sheet Classification of Deferred Taxes." This update requires that all deferred tax assets and liabilities be presented as non-current on the Balance Sheet. The Company has not retrospectively adjusted prior periods as amounts were immaterial.

Lease accounting

In February 2016, the Financial Accounting Standards Board ("FASB") issued ASU 2016-02, "Leases (Topic 842)", which amends the Accounting Standards Codification ("ASC") 840, "Leases", and becomes effective beginning January 1, 2019. The Company is currently evaluating the impact of ASU 2016-02.

Revenue recognition

The Company's revenues consist of sales by Company-operated restaurants and fees from franchised restaurants operated by conventional franchisees and affiliates. Sales by Company-operated restaurants are recognized on a cash basis. The Company presents sales net of sales tax and other sales related tax. Revenues from conventional franchised restaurants and restaurants licensed to affiliates include rent and royalties based on a percent of sales with minimum rent payments, and initial fees. Continuing rent and royalties are recognized in the period earned. Initial fees are recognized upon opening of a restaurant or granting of a new franchise term, which is when the Company has performed substantially all initial services required by the franchise arrangement.

In May 2014, the FASB issued guidance codified in ASC 606, "Revenue Recognition – Revenue from Contracts with Customers," which amends the guidance in ASC 605, "Revenue Recognition." In July 2015, the FASB made a decision to defer by one year the effective date of its new standard to January 1, 2018, although early adoption is permitted as of January 1, 2017.

The new standard allows for either a full retrospective or modified retrospective transition approach. The Company does not believe that the standard will impact its recognition of revenue from company-operated restaurants or its recognition of royalties from restaurants operated by franchisees or licensed to affiliates, which are based on percent of sales. The Company is continuing to evaluate the impact the adoption of this standard will have on the recognition of other less significant revenue transactions, such as initial fees from franchisees for new restaurant openings or new franchise terms.

Advertising costs

Advertising costs included in operating expenses of Company-operated restaurants primarily consist of contributions to advertising cooperatives and were (in millions): 2015—\$161.4; 2014—\$168.6; 2013—\$175.6. Production costs for radio and television advertising are expensed when the commercials are initially aired. These production costs as well as other marketing-related expenses included in Selling, general & administrative expenses were (in millions): 2015—\$88.8; 2014—\$77.7; 2013—\$60.4. In addition, significant advertising costs are incurred by franchisees through contributions to advertising cooperatives in individual markets.

Share-based compensation

Share-based compensation includes the portion vesting of all share-based awards granted based on the grant date fair value.

The Company is charged for the share-based compensation expense by McDonald's related to their employees, which was (in millions): 2015—\$32.4; 2014—\$36.4; 2013—\$26.8. Compensation expense related to share-based awards is generally amortized on a straight-line basis over the vesting period in Selling, general & administrative expenses. As of December 31, 2015, there was \$21.5 million of total unrecognized compensation cost related to nonvested share-based compensation that is expected to be recognized over a weighted-average period of 1.9 years.

The fair value of each McDonald's stock option granted is estimated on the date of grant using a closed-form pricing model. The following table presents the weighted-average assumptions used in the option pricing model for the 2015, 2014, and 2013 stock option grants. The expected life of the options represents the period of time the options are expected to be outstanding and is based on historical trends. Expected stock price volatility is generally based on the historical volatility of McDonald's stock for a period approximating the expected life. The expected dividend yield is based on McDonald's most recent annual dividend rate. The risk-free interest rate is based on the U.S. Treasury yield curve in effect at the time of grant with a term equal to the expected life.

Weighted-average assumptions

	2015	2014	2013
Expected dividend yield	3.6%	3.3%	3.5%
Expected stock price volatility	18.8%	20.0%	20.6%
Risk-free interest rate	1.7%	2.0%	1.2%
Expected life of options (<i>in years</i>)	6.0	6.1	6.1
Fair value per option granted	\$10.43	\$12.23	\$11.09
Number of options granted	1,199,002	1,237,185	1,141,329

The fair value of each RSU granted is equal to the market price of McDonald's stock at date of grant less the present value of expected dividends over the vesting period. Approximately 233,000, 253,000, and 261,000 RSUs were granted with weighted average grant date fair values of \$86.64, \$85.02, and \$83.57 in 2015, 2014, and 2013, respectively.

Property and equipment

Property and equipment are stated at cost, with depreciation and amortization provided using the straight-line method over the following estimated useful lives: buildings—up to 40 years; leasehold improvements—the lesser of useful lives of assets or lease terms which generally include option periods; and equipment—three to 12 years. McDonald's has retained legal title to certain of the property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements.

Goodwill

Goodwill represents the excess of cost over the net tangible assets and identifiable intangible assets of acquired restaurant businesses. The Company's goodwill primarily results from purchases of McDonald's restaurants from franchisees.

If a Company-operated restaurant is sold within 24 months of acquisition, the goodwill associated with the acquisition is written off in its entirety. If a restaurant is sold beyond 24 months from the acquisition, the amount of goodwill written off is based on the relative fair value of the business sold compared to the fair value of the Company.

The Company conducts goodwill impairment testing in the fourth quarter of each year or whenever an indicator of impairment exists. If an indicator of impairment exists (e.g., estimated earnings multiple value of the Company is less than its carrying value), the goodwill impairment test compares the fair value of the Company, generally based on discounted future cash flows, with its carrying amount including goodwill. If the carrying amount of the Company exceeds its fair value, an impairment loss is measured as the difference between the implied fair value of the Company's goodwill and the carrying amount of goodwill. Historically, goodwill impairment has not significantly impacted the consolidated financial statements.

The following table presents the 2015 activity in goodwill:

<i>IN MILLIONS</i>	
Balance at December 31, 2014	\$ 1,295.8
Net Restaurant purchases (sales)	(2.4)
Balance at December 31, 2015	\$ 1,293.4

Long-lived assets

Long-lived assets are reviewed for impairment annually in the fourth quarter and whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. For purposes of annually reviewing the Company's restaurant assets for potential impairment, assets are initially grouped together at a television market level. The Company manages its restaurants as a group or portfolio with significant common costs and promotional activities; as such, an individual restaurant's cash flows are not generally independent of the cash flows of others in a market. If an indicator of impairment (e.g., negative operating cash flows for the most recent trailing 24-month period) exists for any television market's assets, an estimate of undiscounted future cash flows produced by each individual restaurant within the television market is compared to its carrying value. If an individual restaurant is determined to be impaired, the loss is measured by the excess of the carrying amount of the restaurant over its fair value as determined by an estimate of discounted future cash flows.

Losses on assets held for disposal are recognized when management and McDonald's Board of Directors, as required, have approved and committed to a plan to dispose of the assets, the assets are available for disposal, the disposal is probable of occurring within 12 months, and the net sales proceeds are expected to be less than its net book value, among other factors. Generally, such losses relate to restaurants that have closed and ceased operations as well as other assets that meet the criteria to be considered "available for sale".

Income taxes

The Company's earnings will be included in McDonald's consolidated U.S. federal income tax return. For state income tax returns, depending on the laws of each state, the Company's earnings may be combined with the earnings of the McDonald's consolidated group or the Company may file its own state income tax return. The Company records its income tax provision

on a separate-return basis and settlements are made through intercompany accounts with McDonald's. Deferred assets and liabilities for the future tax consequences attributable to differences between the financial statement carrying amounts of assets and liabilities and their respective tax bases are recorded in the Company's consolidated balance sheets.

Income tax uncertainties

McDonald's and the Company are regularly audited by federal and state tax authorities, and tax assessments may arise several years after tax returns have been filed. Accordingly, tax liabilities are recorded when, in management's judgment, a tax position does not meet the more likely than not threshold for recognition. For tax positions that meet the more likely than not threshold, a tax liability may still be recorded depending on management's assessment of how the tax position will ultimately be settled.

The Company records interest and penalties on unrecognized tax benefits in the provision for income taxes.

Fair value measurements

The Company measures certain non-financial assets and liabilities on a nonrecurring basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants on the measurement date. Fair value disclosures are reflected in a three-level hierarchy, maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability on the measurement date. The three levels are defined as follows:

- Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for an identical asset or liability in an active market
- Level 2 – inputs to the valuation methodology include quoted prices for a similar asset or liability in an active market or model-derived valuations in which all significant inputs are observable for substantially the full term of the asset or liability
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement of the asset or liability

Non-financial assets and liabilities measured at fair value on a nonrecurring basis

Certain assets and liabilities are measured at fair value on a nonrecurring basis; that is, the assets and liabilities are not measured at fair value on an ongoing basis but are subject to fair value adjustments in certain circumstances (e.g., when there is evidence of impairment). For the year ended December 31, 2015, no material fair value adjustments or fair value measurements were required for non-financial assets or liabilities.

Subsequent Events

The Company evaluated subsequent events through March 10, 2016, the date the financial statements were available to be issued. There were no subsequent events that required recognition or disclosure.

Comprehensive Income

The FASB Topic 220 – Comprehensive Income does not apply to the Company since there are no items of other comprehensive income in any period presented.

Depreciation and amortization expense for property and equipment was (in millions): 2015—\$483.3; 2014—\$485.2; 2013—\$480.0. McDonald's has retained legal title to certain of the property and equipment assets, which are in turn used by the Company in accordance with extended intercompany agreements. Total	\$ (140.2)	\$ 33.5	\$ (63.1)

Gains on sales of restaurant businesses

The Company's purchases and sales of businesses with its franchisees are aimed at achieving an optimal ownership mix in each market. Resulting gains or losses on sales of restaurant businesses are recorded in operating income because the transactions are a recurring part of our business.

Equity in earnings of unconsolidated affiliates

Unconsolidated affiliates and partnerships are businesses in which the Company actively participates but does not control. The Company records equity in earnings from these entities representing McDonald's share of results. These results are reported before income taxes. These partnership restaurants are operated under conventional franchise arrangements and, therefore, are classified as conventional franchised restaurants.

Asset dispositions and other (income) expense

Asset dispositions and other (income) expense consists of gains or losses on excess property and other asset dispositions, provisions for restaurant closings and uncollectible receivables, asset write-offs due to restaurant reinvestment, litigation settlements, and other miscellaneous income and expenses.

Other charges

These charges include costs associated with strategic initiatives, such as restructuring activities.

Contingencies

In the ordinary course of business, the Company is subject to proceedings, lawsuits and other claims primarily related to competitors, customers, employees, franchisees, government agencies, intellectual property, shareholders and suppliers. The Company is required to assess the likelihood of any adverse judgments or outcomes to these matters as well as potential ranges of probable losses. A determination of the amount of accrual required, if any, for these contingencies is made after careful analysis of each matter. The required accrual may change in the future due to new developments in each matter or changes in approach such as a change in settlement strategy in dealing with these matters. The Company does not believe that any such matter currently being reviewed will have a material adverse effect on its financial condition or results of operations.

Franchise arrangements

Conventional franchise arrangements generally include a lease and a license and provide for payment of initial fees, as well as continuing rent and royalties to the Company based upon a percent of sales with minimum rent payments that parallel the Company's underlying leases and escalations (on properties that are leased). Under this arrangement, franchisees are granted the right to operate a restaurant using the McDonald's System and, in most cases, the use of a restaurant facility, generally for a period of 20 years. These franchisees pay related occupancy costs including property taxes, insurance and maintenance.

Revenues from franchised and affiliated restaurants consisted of:

<i>IN MILLIONS</i>	2015	2014	2013

Revenues from franchised restaurants	<u>\$ 4,360.5</u>	<u>\$ 4,299.7</u>	<u>\$ 4,339.0</u>

Future gross minimum rent payments due to the Company under existing franchise arrangements are:

<i>IN MILLIONS</i>	Owned sites	Leased sites	Total

Total minimum payments	<u>\$ 9,501.0</u>	<u>\$ 7,208.8</u>	<u>\$ 16,709.8</u>

At December 31, 2015, net property and equipment under franchise arrangements totaled \$7.4 billion (including land of \$2.7 billion) after deducting accumulated depreciation and amortization of \$4.3 billion.

Leasing arrangements

At December 31, 2015, the Company was the lessee at 6,171 restaurant locations through ground leases (the Company leases the land and the Company or franchisee owns the building) and through improved leases (the Company leases land and buildings). Lease terms for most restaurants, where market conditions allow, are generally for 20 years and, in many cases, provide for rent escalations and renewal options, with certain leases providing purchase options. Escalation terms vary and the timing of these escalations generally ranges from annually to every five years. For most locations, the Company is obligated for the related occupancy costs including property taxes, insurance and maintenance; however, for franchised sites, the Company requires the franchisees to pay these costs. In addition, the Company is the lessee under noncancelable leases covering certain offices.

The following table provides detail of rent expense:

<i>IN MILLIONS</i>	2015	2014	2013

The provision for income taxes, classified by the timing and location of payment, was as follows:

<i>IN MILLIONS</i>	2015	2014	2013
U.S. federal	\$ 922.0	\$ 893.0	\$ 931.7
U.S. state	139.6	143.1	166.3
Current tax provision	1,061.6	1,036.1	1,098.0
U.S. federal	16.5	36.5	57.9
U.S. state	(2.5)	(6.9)	(4.3)
Deferred tax provision	14.0	29.6	53.6
Provision for income taxes	\$ 1,075.6	\$ 1,065.7	\$ 1,151.6

Net deferred tax liabilities consisted of:

<i>IN MILLIONS</i>	December 31, 2015	December 31, 2014
Property and equipment	\$ 1,246.7	\$ 1,305.8
Intangibles and tax-deductible goodwill	437.5	404.2
Other	87.1	53.9
Total deferred tax liabilities	1,771.3	1,763.9
Employee benefit plans	(122.4)	(124.0)
Other	(135.9)	(142.5)
Total deferred tax assets before valuation allowance	(258.3)	(266.5)
Valuation allowance	1.0	2.6
Net deferred tax liabilities ⁽¹⁾	\$ 1,514.0	\$ 1,500.0

- (1) Net of current tax assets included in prepaid expenses and other current assets in the Consolidated balance sheet of \$7.9 million at December 31, 2014.

The statutory U.S. federal income tax rate reconciles to the effective income tax rate as follows:

	2015	2014	2013
Statutory U.S. federal income tax rate	35.0%	35.0%	35.0%
State income taxes, net of related federal income tax benefit	3.1	3.1	3.5
Other, net	(0.5)	0.2	(0.4)
Effective income tax rate	37.6%	38.3%	38.1%

As of December 31, 2015 and 2014, the Company's gross unrecognized tax benefits totaled \$102.5 million and \$117.7 million, respectively. After considering the federal impact on state issues, about \$67 million of the total as of December 31, 2015 would favorably affect the effective tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amount of unrecognized tax benefits:

<i>IN MILLIONS</i>	2015	2014
Balance at January 1	\$ 117.7	\$ 124.5
Decreases for positions taken in prior years	(12.3)	(7.6)
Increases for positions taken in prior years	3.4	4.6
Increases for positions related to the current year	13.0	22.4
Settlements with taxing authorities	(11.2)	(10.0)
Lapsing of statutes of limitations	(8.1)	(16.2)
Balance at December 31 ⁽¹⁾	\$ 102.5	\$ 117.7

(1) Of the 2015 amount, \$15.1 million is included in current liabilities with the remainder in other long-term liabilities on the Consolidated balance sheet.

It is reasonably possible that the total amount of unrecognized tax benefits could decrease within the next 12 months by approximately \$15 million to \$35 million, of which \$5 million to \$15 million could favorably affect the effective tax rate. This decrease would result from the completion of tax audits in multiple tax jurisdictions and the expiration of the statute of limitations.

The Company is generally no longer subject to U.S. federal, state, and local income tax examinations by tax authorities for years before 2009.

The Company had \$18.2 million and \$17.5 million accrued for interest at December 31, 2015 and 2014 respectively, and no accrual for penalties in either year. The Company recognized interest and penalties related to tax matters of \$3.5 million, \$0.7 million and \$3.1 million in 2015, 2014 and 2013 respectively, which are included in the provision for income taxes.

Employee benefit plans

The Company's Profit Sharing and Savings Plan for U.S.-based employees includes a 401(k) feature, a regular employer match, and a discretionary employer match. The 401(k) feature allows participants to make pretax contributions that are matched each pay period from shares released under the Employee Stock Ownership Plan ("ESOP"). The Profit Sharing and Savings Plan also provides for a discretionary employer match after the end of the year for those participants eligible to share in the match.

All current account balances, future contributions and related earnings can be invested in several investment alternatives as well as McDonald's common stock in accordance with each participant's elections. Participants' future contributions to the 401(k) feature are limited to 20% investment in McDonald's common stock. Participants may choose to make separate investment choices for current account balances and for future contributions.

The Company also maintains certain nonqualified supplemental benefit plans that allow participants to (i) make tax-deferred contributions and (ii) receive Company-provided allocations that cannot be made under the Profit Sharing and Savings Plan because of Internal Revenue Service limitations. The investment alternatives and returns are based on certain market-rate investment alternatives under the Profit Sharing and Savings Plan. Total liabilities were \$208.0 million at December 31, 2015 and \$219.2 million at December 31, 2014 and were primarily included in Other long-term liabilities on the Consolidated balance sheet.

The Company has entered into derivative contracts to hedge market-driven changes in certain of the liabilities. All changes in liabilities for these nonqualified plans and in the fair value of the derivatives are recorded in the Selling, general & administrative expenses.

Total U.S. costs for the Profit Sharing and Savings Plan, including nonqualified benefits and related hedging activities, were (in millions): 2015—\$16.7; 2014—\$18.9; 2013—\$13.1.

Related party transactions

In exchange for intellectual property license rights, the Company pays McDonald's a royalty equal to two percent of Company-operated and franchised restaurant sales. Royalty expense was (in millions): 2015—\$716.7; 2014—\$708.9; 2013—\$717.2.

In addition, the Company paid dividends to McDonald's of (in millions): 2015— \$1,782.2; 2014— \$1,252.5; 2013— \$929.6.

In 2015 and 2014, the Company had the following long-term payable arrangements with McDonald's, each of which accrue interest at Libor + 1% and mature on December 31, 2024.

Lender	Line of credit		Outstanding amount	
	December 31		December 31	
<i>IN MILLIONS</i>	2015	2014	2015	2014
McDonald's	\$1,500.0	\$1,500.0	\$1,500.0	\$1,500.0
McDonald's	900.0	900.0	900.0	900.0
McDonald's	1,000.0	1,000.0	-	-
Total	\$3,400.0	\$3,400.0	\$2,400.0	\$2,400.0

The Company incurred net interest related to the payables due to McDonald's as follows (in millions): 2015—\$39.5; 2014—\$38.6; 2013—\$44.2. As of December 31, 2015 and 2014, the Company had accrued interest due to McDonald's, classified as a current liability of \$22.7 million and \$21.9 million respectively.

Additionally, the Company had a \$675.0 million revolver available from McDonald's due in 2024, which may exceed \$675.0 million from time to time but not on the maturity date, which accrues interest at LIBOR + 1% of which no amounts were outstanding at December 31, 2015 and 2014.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“Franchise”) made this ____ day of _____, for the operation of a McDonald’s restaurant located at _____ (the “Restaurant”) by and between:

McDONALD’S USA, LLC,

a Delaware limited liability company,

(“McDonald’s”)

and

(collectively “Franchisee”)

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald’s and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald’s operates a restaurant system (“McDonald’s System”). The McDonald’s System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald’s restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names “McDonald’s” and “McDonald’s Hamburgers,” designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald’s System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator's Lease ("Lease") which is attached hereto as Exhibit A, incorporated in this Franchise.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. ***Franchise Grant and Term.***

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and
- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____ and end on _____, unless terminated prior thereto pursuant to the provisions hereof.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of

Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Service Fee.** Franchisee shall pay a monthly service fee on or before the tenth (10th) day of the following month in an amount equal to four percent (4.0%) of the Gross Sales of the Restaurant for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Initial Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Initial Fee of Forty-Five Thousand Dollars (\$45,000.00) paid by Franchisee to McDonald's; and (b) the fee has been earned by McDonald's (except where the construction of the Restaurant has not been completed within one (1) year from the date of the execution and delivery of this Franchise). If the Restaurant has not been constructed or is not ready for occupancy at the time of the execution of this Franchise, McDonald's shall use its best efforts to expedite the construction and lease of the Restaurant to Franchisee. However, McDonald's shall not be liable to Franchisee in any manner for any delays in or lack of completion of such construction for any reason. McDonald's shall be under no obligation to enforce performance or to seek other remedies for non-performance of any lease, clause, or contract necessary for the construction of the Restaurant and reserves the right, in case construction of the Restaurant should be abandoned, the lease assigned, or other interest in the premises be relinquished, to terminate this Franchise upon reimbursement to Franchisee of the Initial Fee. At such time as the Restaurant is completed and ready for occupancy, the Initial Fee shall be deemed to be earned. If the Restaurant is not ready for occupancy within one (1) year from the date of this Franchise, Franchisee shall have the right to terminate this Franchise and obtain an immediate refund of the Initial Fee upon written request to McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and

loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. ***Restrictions.*** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. ***Compliance With Entire System.*** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **Interference With Employment Relations of Others.** During the term of this Franchise, Franchisee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six (6) months.

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the

deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) Assignment to Franchisee's Corporation. Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage service fee charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge

required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. ***Insurance.*** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$5,000,000 per occurrence/\$5,000,000 aggregate.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all

obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks; or

(q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. **Other Breaches.** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. **Effect of Termination.**

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. ***Effect of Waivers.*** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **ONE McDONALD'S PLAZA, OAK BROOK, ILLINOIS 60523**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any

material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. ***Governing Laws.*** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. ***Acknowledgment.*** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected," or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or Rewrite (New Term) Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

The following changes are made to the Franchise Agreement in the following states:

Minnesota Paragraph 27 continues with, “Nothing in this Franchise or the Franchise Disclosure Document shall in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, or Franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

A new Paragraph 28(h) is inserted (and remaining sub-paragraphs are renamed (i) through (k)) as follows: “McDonald’s considers the trademarks, trade names, logo types, service marks, and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types, or other commercial symbols in the United States.”

Paragraph 28(l) is added as follows: “With respect to franchises governed by Minnesota law, McDonald’s will comply with Minnesota Statutes Section 80C.14, Subdivisions 3, 4, and 5 which require, except in certain specified cases, that the Franchisee be given ninety (90) days notice of termination (with sixty (60) days to cure) and 180 days notice for non-renewal of this Franchise; and that consent to the transfer of this Franchise will not be unreasonably withheld.”

North Dakota Paragraph 11(b) continues with, “Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. However, Franchisee and McDonald’s agree to enforce these provisions to the extent allowed under law.”

Paragraph 27 continues with, “, except that North Dakota law will govern with respect to claims arising under the North Dakota Franchise Investment Law.”

Washington Paragraph 28(k) is added as follows: “In recognition of the requirements of the Washington Franchise Investment Protection Act (the “Act”) and the rules and regulations promulgated thereunder, this Franchise shall be modified as follows:

The State of Washington has a statute, RCW 19.100.180, which might supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise. There also might be court decisions which supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise.

In the event of a conflict of laws, to the extent required by the Act, the provisions of the Act, Chapter 19.100 RCW, shall prevail.

To the extent required by the Act, a release or waiver of rights executed by a franchisee shall not include rights under the Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, might not be enforceable; however, McDonald’s and Franchisee agree to enforce them to the maximum extent the law allows.”

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Franchise") made this ____ day of _____, for the operation of a McDonald's restaurant located at _____ (the "Restaurant") by and between:

McDONALD'S USA, LLC,

a Delaware limited liability company,

("McDonald's")

and

(collectively "Franchisee")

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald's and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald's operates a restaurant system ("McDonald's System"). The McDonald's System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald's restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names "McDonald's" and "McDonald's Hamburgers," designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald's System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator's Lease ("Lease") which is attached hereto as Exhibit A, incorporated in this Franchise.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. ***Franchise Grant and Term.***

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;

(iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and

(iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____ and end on _____, unless terminated prior thereto pursuant to the provisions hereof.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Service Fee.** Franchisee shall pay a monthly service fee on or before the tenth (10th) day of the following month in an amount equal to four percent (4.0%) of the Gross Sales of the Restaurant for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due

McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) ***Interest on Delinquencies.*** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. ***Initial Fee and Annual Fee.*** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of (i) an Initial Fee of Five Hundred Dollars (\$500.00) paid by Franchisee to McDonald's on the opening date of the Restaurant; and (ii) an Annual Fee of _____ (\$ _____) to be paid by Franchisee to McDonald's beginning on the first anniversary of the opening date of the Restaurant and on each subsequent anniversary; and (b) the fees have been earned by McDonald's (except where the construction of the Restaurant has not been completed within one (1) year from the date of the execution and delivery of this Franchise). If the Restaurant has not been constructed or is not ready for occupancy at the time of the execution of this Franchise, McDonald's shall use its best efforts to expedite the construction and lease of the Restaurant to Franchisee. However, McDonald's shall not be liable to Franchisee in any manner for any delays in or lack of completion of such construction for any reason. McDonald's shall be under no obligation to enforce performance or to seek other remedies for non-performance of any lease, clause, or contract necessary for the construction of the Restaurant and reserves the right, in case construction of the Restaurant should be abandoned, the lease assigned, or other interest in the premises be relinquished, to terminate this Franchise upon reimbursement to Franchisee of the Initial Fee. At such time as the Restaurant is completed and ready for occupancy, the Initial Fee shall be deemed to be earned. If the Restaurant is not ready for occupancy within one (1) year from the date of this Franchise, Franchisee shall have the right to terminate this Franchise and obtain an immediate refund of the Initial Fee upon written request to McDonald's.

10. ***Reports.*** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and

loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. ***Restrictions.*** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. ***Compliance With Entire System.*** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **Interference With Employment Relations of Others.** During the term of this Franchise, Franchisee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six (6) months.

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the

deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) Assignment to Franchisee's Corporation. Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage service fee charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge

required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. ***Insurance.*** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$5,000,000 per occurrence/\$5,000,000 aggregate.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all

obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks; or

(q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. **Other Breaches.** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. **Effect of Termination.**

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. ***Effect of Waivers.*** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **ONE McDONALD'S PLAZA, OAK BROOK, ILLINOIS 60523**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any

material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. ***Governing Laws.*** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. ***Acknowledgment.*** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected," or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or Rewrite (New Term) Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

IN WITNESS WHEREOF, the parties hereto set their hands and seals, in duplicate, the day and year in this instrument first above written.

The following changes are made to the Franchise Agreement in the following states:

Minnesota Paragraph 27 continues with, “Nothing in this Franchise or the Franchise Disclosure Document shall in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, or Franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

A new Paragraph 28(h) is inserted (and remaining sub-paragraphs are renamed (i) through (k)) as follows: “McDonald’s considers the trademarks, trade names, logo types, service marks, and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types, or other commercial symbols in the United States.”

Paragraph 28(l) is added as follows: “With respect to franchises governed by Minnesota law, McDonald’s will comply with Minnesota Statutes Section 80C.14, Subdivisions 3, 4, and 5 which require, except in certain specified cases, that the Franchisee be given ninety (90) days notice of termination (with sixty (60) days to cure) and 180 days notice for non-renewal of this Franchise; and that consent to the transfer of this Franchise will not be unreasonably withheld.”

North Dakota Paragraph 11(b) continues with, “Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. However, Franchisee and McDonald’s agree to enforce these provisions to the extent allowed under law.”

Paragraph 27 continues with, “, except that North Dakota law will govern with respect to claims arising under the North Dakota Franchise Investment Law.”

Washington Paragraph 28(k) is added as follows: “In recognition of the requirements of the Washington Franchise Investment Protection Act (the “Act”) and the rules and regulations promulgated thereunder, this Franchise shall be modified as follows:

The State of Washington has a statute, RCW 19.100.180, which might supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise. There also might be court decisions which supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise.

In the event of a conflict of laws, to the extent required by the Act, the provisions of the Act, Chapter 19.100 RCW, shall prevail.

To the extent required by the Act, a release or waiver of rights executed by a franchisee shall not include rights under the Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, might not be enforceable; however, McDonald’s and Franchisee agree to enforce them to the maximum extent the law allows.”

FRANCHISE AGREEMENT (WALMART)

[CITY, STATE]

[Address]

L/C: _____

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Franchise") made this _____ day of _____, for the operation of a McDonald's restaurant at the Walmart store located at _____ (the "Restaurant") by and between:

McDONALD'S USA, LLC,

a Delaware limited liability company,

("McDonald's")

and

(collectively "Franchisee")

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald's and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald's operates a restaurant system ("McDonald's System"). The McDonald's System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald's restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names "McDonald's" and "McDonald's Hamburgers," designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald's System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. McDonald's entered into a Master Lease Agreement with certain Wal-Mart entities (collectively "Walmart") dated February 1, 2011, as amended ("Master Lease"), a copy of which is attached hereto as Exhibit A

and made a part hereof. The Master Lease provides McDonald's with the opportunity to operate the Restaurant within the Walmart store located at the above address ("Walmart Store"). The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Master Lease. The rights granted to Franchisee are subject to the Master Lease. Franchisee acknowledges receipt of a copy of the Master Lease, and Franchisee agrees to comply with all of the provisions of the Master Lease except for McDonald's rent, Utility Reimbursement, and Licensed Premise Improvement Charge obligations.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. **Franchise Grant and Term.**

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and
- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on _____, and end on the earlier of: (i) _____, (ii) the termination of this Franchise pursuant to the provisions hereof, (iii) the closing of the Walmart Store, or (iv) the termination of the Master Lease.

3. **General Services of McDonald's.** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as

a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **System Fee.** Franchisee shall pay a monthly system fee, based upon the Gross Sales of the Restaurant for the preceding month immediately ended, on or before the tenth (10th) day of the following month. The system fee consists of a four percent (4.0%) service fee plus the percent rent in the amount calculated using the chart attached hereto as Schedule B and made a part hereof.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Annual Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Annual Fee of One Thousand Dollars (\$1,000.00) to be paid by Franchisee to McDonald's on January 10 of each year this Franchise is in effect; and (b) the fee has been earned by McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. ***Restrictions.*** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. ***Compliance With Entire System.*** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good,

clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the greater of: (i) the hours from 7:00 a.m. to 11:00 p.m. or (ii) the hours of operation of the Walmart Store, or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty); maintain sufficient supplies of food and paper products; and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as

the Franchisee, then _____ shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. ***Interference With Employment Relations of Others.*** During the term of this Franchise, Franchisee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six (6) months.

15. ***Assignment.*** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by

operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) **First Option to Purchase.** Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) **Other Assignment.** In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage service fee charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and

McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. **Insurance.** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$1,000,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$10,000,000 per occurrence/\$10,000,000 aggregate.

(c) All such insurance as may be required under the Master Lease.

All insurance policies required to be carried hereunder shall name McDonald's USA, LLC, the applicable Wal-Mart entity, and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks;

(q) Franchisee intentionally understates Gross Sales reported to McDonald's; or

(r) Any default under the Master Lease by the Franchisee.

19. ***Other Breaches.*** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. ***Effect of Termination.***

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall: (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices; (ii) discontinue the use of the McDonald's System and its associated

trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. ***Effect of Waivers.*** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. ***Notices.*** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **ONE McDONALD'S PLAZA, OAK BROOK, ILLINOIS 60523**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. ***Cost of Enforcement.*** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. ***Indemnification.*** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. ***Construction and Severability.*** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. ***Scope and Modification of Franchise.*** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected," or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or Rewrite (New Term) Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document; and

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law.

The following changes are made to the Franchise Agreement in the following states:

Minnesota Paragraph 27 continues with, “Nothing in this Franchise or the Franchise Disclosure Document shall in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes, Chapter 80C, or Franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.”

A new Paragraph 28(h) is inserted (and remaining sub-paragraphs are renamed (i) through (k)) as follows: “McDonald’s considers the trademarks, trade names, logo types, service marks, and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types, or other commercial symbols in the United States.”

Paragraph 28(l) is added as follows: “With respect to franchises governed by Minnesota law, McDonald’s will comply with Minnesota Statutes Section 80C.14, Subdivisions 3, 4, and 5 which require, except in certain specified cases, that the Franchisee be given ninety (90) days notice of termination (with sixty (60) days to cure) and 180 days notice for non-renewal of this Franchise; and that consent to the transfer of this Franchise will not be unreasonably withheld.”

North Dakota Paragraph 11(b) continues with, “Covenants not to compete such as those mentioned above are generally considered unenforceable in the State of North Dakota. However, Franchisee and McDonald’s agree to enforce these provisions to the extent allowed under law.”

Paragraph 27 continues with, “, except that North Dakota law will govern with respect to claims arising under the North Dakota Franchise Investment Law.”

Washington Paragraph 28(k) is added as follows: “In recognition of the requirements of the Washington Franchise Investment Protection Act (the “Act”) and the rules and regulations promulgated thereunder, this Franchise shall be modified as follows:

The State of Washington has a statute, RCW 19.100.180, which might supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise. There also might be court decisions which supersede this Franchise in Franchisee’s relationship with McDonald’s, including the areas of termination and renewal of this Franchise.

In the event of a conflict of laws, to the extent required by the Act, the provisions of the Act, Chapter 19.100 RCW, shall prevail.

To the extent required by the Act, a release or waiver of rights executed by a franchisee shall not include rights under the Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, might not be enforceable; however, McDonald’s and Franchisee agree to enforce them to the maximum extent the law allows.”

New Restaurant Rider

This Rider is attached to and incorporated into that certain Franchise Agreement, dated _____ (“Franchise”), by and between **McDonald’s USA, LLC**, a Delaware limited liability company (“McDonald’s”) and _____ and _____ (collectively “Franchisee”).

1. Prior to the opening date of the Restaurant, all construction extras ordered or authorized by Franchisee for which McDonald’s has paid the parties constructing the Restaurant must be paid by Franchisee to McDonald’s.

2. The amount of the monthly base rental payment in the Operator’s Lease (Exhibit A to this Franchise) is computed based in part on McDonald’s total current real estate costs and its estimated construction costs. If those costs increase within 180 days after the opening date of the Restaurant, the monthly base rental payment will be recomputed and increased based on the increased costs, but only to a maximum monthly base rental increase of \$325.00. The corresponding monthly base sales will be adjusted accordingly. The effective date of the increase will be 180 days after the opening date of the Restaurant.

[Additional paragraph to be used for Co-investment, if applicable.]

3. On or before the opening date of the Restaurant, Franchisee will pay to McDonald’s a one-time contribution in the amount of \$ _____ toward the costs of constructing the Restaurant (“Improvement Costs”). Improvement Costs means in the aggregate any and all costs associated with the design, permitting, materials, and construction of the building and site improvements (the building and site improvements are collectively referred to in this Rider as the “Improvements”), including, but not limited to, survey and design plans; zoning, subdivision, and other land use assessments, applications, permits, and approvals; title and other legal reviews; soil borings, environmental, and other physical studies and investigations; the demolition of the existing building and site improvements and proper disposal of any resulting debris; any interest expense incurred by McDonald’s; and all fees, expenses, overhead, and profit payable to outside consultants (including attorneys, architects, engineers, contractors, suppliers, etc.) for services, labor, and materials in connection with the design, permitting, and construction of the Restaurant.

[Additional paragraph to be used for Co-investment, if applicable.]

4. Franchisee and McDonald’s agree that Improvements attributable to Franchisee’s share of total Improvement Costs will be treated for income tax purposes as lessee improvements; that Franchisee will be entitled to any cost recovery, depreciation, or amortization deductions available under applicable income tax laws for Improvements; and that McDonald’s will not claim any cost recovery, depreciation, or amortization deductions with respect to Improvements. Franchisee and McDonald’s agree that Improvements attributable to McDonald’s share of total Improvement Costs will be treated for income tax purposes as owned by McDonald’s; that McDonald’s will be entitled to any cost recovery, depreciation, or amortization deductions available under applicable income tax laws for Improvements; and that Franchisee will not claim any cost recovery, depreciation, or amortization deductions with respect to Improvements. Franchisee and McDonald’s further agree that any Franchisee’s share of total Improvement Costs is not intended to be, and will not be treated as, in whole or in part, a substitute for

rent. Neither Franchisee nor McDonald's will take any position on any tax return or in any tax proceeding that is inconsistent with the tax treatment provided in this paragraph.

Franchisee and McDonald's will each be treated as incurring a pro rata portion of each cost item that constitutes an Improvement Cost. Franchisee's pro rata portion will be equal to the ratio of Franchisee's share to total Improvement Costs. McDonald's pro rata portion will be equal to the ratio of McDonald's share to total Improvement Costs. If Franchisee chooses to perform a cost segregation study with respect to Franchisee's share of Improvement Costs, Franchisee will be solely responsible for all costs and expenses incurred in connection with performing the study. Notwithstanding the preceding sentences, and except for any leasehold estate in the land granted Franchisee in connection with this Franchise, McDonald's will have the exclusive legal and equitable right, title, and interest in and to the land and Improvements.

Franchisee is solely responsible for preparing and filing all personal property, sales and use, and other tax returns and for paying all personal property, sales and use, and other taxes, if any, associated with Improvement Costs.

[Additional paragraphs to be used for Co-investment, if applicable.]

5. In connection with Franchisee's payment of a share of the Improvement Costs, Section 3.07 is hereby added to the Lease:

3.07 **Allocations of Rent.** Each payment of Basic Rent payable hereunder on a monthly basis shall be allocated to and accrue during the calendar month in which such Basic Rent payment is due (i.e., the commencement date, in the case of the first payment, and thereafter the first day of each month). Each payment of Percentage Rent payable hereunder shall be allocated to and accrue during the same period as the Gross Sales period used to compute the amount of such Percentage Rent. Payments of rent with respect to real estate taxes, assessments, other expenses and other charges shall be allocated to and accrue during the periods to which such real estate taxes, assessments, other expenses and other charges relate. Any other rent paid or deemed paid to Landlord and not otherwise appropriately attributable to a specific period shall be allocated to and accrue during the period beginning on the date of such payment or deemed payment and ending at the scheduled termination date of the term of this Lease.

[Additional paragraph to be used for Oil sites.]

6. Franchisee agrees to reimburse McDonald's each year for the premium to obtain pollution/environmental contamination insurance under the terms of Schedule A attached to this Rider.

Franchisee must obtain commercial general liability insurance as required by the Operator's Lease for the benefit of McDonald's and name the oil partner as an additional insured.

[Schedule to be used for Oil sites.]

SCHEDULE A

Pollution Coverage (rev. 6/15)

The standard commercial general liability insurance purchased by owner/operators excludes pollution and/or environmental contamination. Since the oil alliance sites have a pollution exposure if contamination is caused by negligence of McDonald's or the owner/operator, an Environmental Impairment Liability Policy (Pollution) has been purchased by McDonald's for the protection of the owner/operators and McDonald's.

This coverage is being purchased on behalf of the owner/operators because, individually, such insurance is either not available or the cost is prohibitive.

All Oil Alliance sites are covered under this policy.

A brief summary of the coverage follows:

Insurance Company:	Lexington Insurance Company
Policy Period:	6/1/15-6/1/16 (renewed annually)
Limit of Liability:	\$10,000,000 each loss
Policy Aggregate Limit:	\$20,000,000
Deductible:	\$50,000 per occurrence
Annual Premium:	\$381.10 per location (includes taxes)*

*This is the premium in effect as of the date of this Franchise and it may increase with the renewal of the policy.

Insurance premiums will be collected via the base rent draft on the third workday of each month.

Owner/operator will be drafted one twelfth of the premium per month except for the first three months of operation. During the first three months of operation, the following will occur:

- The premium will not be charged for the month of store opening.
- The premium will be due but not drafted for the first full month of operation.
- The second full month's premium along with the first full month's premium will be drafted on the third workday of second month of operation.

Below is an example of how the premium will be drafted based on a June 15th open date and a \$381.10 annual premium:

June	\$0	\$0
July	\$31.76	\$0
August	\$31.76	\$63.52
September	\$31.76	\$31.76

THIS ADDITION TO THE DRAFT DOES NOT CHANGE BASE SALES CALCULATIONS.

Additional details of the coverage can be secured by contacting the McDonald's Insurance Department at 630-623-6340. For questions on the premium collection procedures, contact a Home Office Representative at 630-623-5319.

The purchase price will be \$ _____.

[Alternate paragraph and table to be used for Scale Option Price.]

The purchase price will be the greater of either 1) \$ _____ or 2) the amount determined by the following table:

<u>If the trailing 12 months gross sales are between:</u>	<u>Purchase Price</u>
\$ _____ or less	\$ _____
\$ _____ and \$ _____	\$ _____
\$ _____ and up	\$ _____

Any amounts paid by McDonald’s for restaurant equipment or leasehold improvements (collectively add-ons) from the opening date of the Restaurant to the date of the exercise of the conditional option will be added to the purchase price determined above.

- b) Franchisee will be responsible for payment of all taxes, including, but not limited to, state sales and bulk transfer taxes, which may be due as a result of the exercise of the conditional option.

- c) Franchisee may not exercise the conditional option unless McDonald's has determined to its satisfaction that: (i) Franchisee's operation of the Restaurant has been in compliance with this Franchise; (ii) Franchisee is eligible for growth and rewrite; (iii) Franchisee injects 25% of the purchase price in unencumbered funds; and (iv) the cash flow from the operations of the Restaurant is sufficient.
- d) Upon exercise of the conditional option, this Franchise will be amended to provide for the following term and rental:
 - (i) The term will expire 20 years after the opening date of the Restaurant, unless terminated earlier in accordance with this Franchise.
 - (ii) A monthly rental payment equal to the basic rent amount, plus the percentage of monthly gross sales in excess of the monthly gross sales amount, as shown on Schedule B1 attached to this Rider.
 - (iii) The amount of the monthly base rental payment shown on Schedule B1 attached to this Rider is computed based in part on McDonald's total current real estate costs and its estimated construction costs. If those costs increase within 180 days after the opening date of the Restaurant, the monthly base rental payment will be recomputed and increased based on the increased costs, but only to a maximum monthly base rental increase of \$325.00. The corresponding monthly base sales will be adjusted accordingly. The effective date of the increase will be the date of the exercise of the conditional option.
- e) Upon exercise of the conditional option, Franchisee must execute a Business Facilities Lease Option Exercise Agreement with McDonald's on McDonald's standard forms.
- f) The conditional option will not survive the original term of this Franchise and is personal to Franchisee only.

[Additional paragraph to be used for Oil sites.]

2. Franchisee agrees to reimburse McDonald's each year for the premium to obtain pollution/environmental contamination insurance under the terms of Schedule A attached to this Rider.

OPERATOR'S LEASE

THIS LEASE shall be considered effective the same date as the Franchise Agreement to which it is attached (the "Franchise Agreement"). The term "Landlord," when used in this Lease, shall refer to McDonald's USA, LLC, a Delaware limited liability company, and the term "Tenant," when used in this Lease, shall refer to the undersigned Tenant.

In consideration of the mutual promises contained in this Lease, the parties agree as follows:

ARTICLE 1 SUMMARY OF FUNDAMENTAL LEASE PROVISIONS

1.01 **Term:** (See Article 2.02) The term of this Lease will begin on _____ and end on _____.

1.02 **Rent:** See Article 3.01 and Schedule B, attached.

1.03 **Legal Description:** See Schedule A and Article 2.01.

1.04 **Liability Insurance Limits:** \$5,000,000 per occurrence/\$5,000,000 aggregate.

1.05 **Attachments, Exhibits and Addenda:** This Lease includes the following Attachments, Schedules and Addenda which will take precedence over conflicting provisions (if any) of this Lease, and they are made an integral part of this Lease and are fully incorporated into it by this reference.

- (i) Schedule A – Legal Description
- (ii) Schedule B – Rent
- (iii) Schedule C – Landlord's Interest Addendum
- (iv) Schedule D – Head Lease dated _____ with amendments dated _____.
- (v) Schedule E – _____

References in this Article to the other Articles in this Lease are for convenience and to designate some of the other Articles where references to particular Fundamental Lease Provisions will be made. If there is any conflict between a Fundamental Lease Provision and the balance of the Lease, the former will control.

ARTICLE 2 PREMISES AND TERM

2.01 **Premises:** Landlord leases to Tenant the real estate described in Schedule A, attached, together with all easements and appurtenances and all buildings and improvements located on the real estate (all of which are collectively referred to in this Lease as "the Premises"). The Premises are subject to any easements, conditions, encumbrances, restrictions, and party wall agreements, if any, of record and roads and highways and zoning and building code restrictions existing on the date of this Lease.

2.02 Term: The term of this Lease will be as indicated in Article 1.01, subject, however, to any rights set forth in this Lease for the earlier termination of the Lease term. At the request of either party, a supplement establishing the beginning and ending dates of this Lease shall be executed. Landlord may establish the beginning date by notifying the Tenant in writing of the date it recognizes as the beginning date of the term.

2.03 Quiet Enjoyment: Landlord promises that Tenant, upon paying the rent and all other charges provided for in this Lease, and upon observing and keeping all Tenant's obligations, will lawfully and quietly hold, occupy and enjoy the Premises during the term of this Lease, without hindrance or interference by anyone claiming by, through or under Landlord, subject to the terms of this Lease and any mortgage or encumbrance now or hereafter placed on the Premises by Landlord.

2.04 Use of Premises: Tenant will use and occupy the Premises solely for a McDonald's Restaurant selling only such products and operating in a manner that may be designated by McDonald's USA, LLC. Tenant agrees to continuously occupy the Premises during the term of this Lease and agrees not to vacate them. A breach of this provision will be deemed to be substantial. If Tenant vacates the Premises during the term of this Lease, Landlord will have the right, in addition to its other rights and remedies, to enter the Premises for the purpose of continuing the operation of the McDonald's Restaurant; and, if Landlord so elects, Landlord shall be entitled to all profits, if any, from the operation of the restaurant. Tenant further agrees to conduct its restaurant business in a manner that will maximize Gross Sales. Tenant agrees to purchase, install and maintain, all at its own expense, signs and trade fixtures and equipment in accordance with the plans, specifications and layouts of McDonald's USA, LLC, or any of its subsidiaries, unless these items have been furnished by Landlord.

2.05 Rule Against Perpetuities: If the term of this Lease or the accrual of rent have not commenced within one (1) year from date of execution of this Lease, this Lease will become null and void and of no further force and effect. The sole remedy of Tenant in such case is the return of any monies paid to Landlord in anticipation of this Lease.

2.06 Construction and Delivery of Building and Other Improvements: Landlord will construct or have others construct or remodel or otherwise prepare the Premises for a McDonald's Restaurant in accordance with the then current plans and specifications of McDonald's USA, LLC. The Premises will be delivered to Tenant when they are sufficiently completed to allow Tenant to install, at Tenant's sole cost and expense, the signs, trade fixtures, equipment and other personal property and improvements necessary to complete the Premises for the operation of a McDonald's Restaurant, unless otherwise provided in Article 1.03. Tenant will promptly and diligently perform its work in accordance with the plans and specifications previously submitted by or to Tenant and approved by Landlord and in compliance with all applicable federal, state and local statutes, codes and regulations. Tenant will do all that is reasonably necessary to promptly open the restaurant as soon as possible after delivery of the Premises to the Tenant.

2.07 Acceptance of Premises: By taking possession of the Premises, Tenant acknowledges that Tenant has inspected the Premises and the improvements thereon and found them to be in a safe, satisfactory, and completed condition, ready for occupancy and the installation of trade fixtures, equipment and signage. All warranties as to the condition of the Premises or its fitness for use, either expressed or implied, are expressly waived by Tenant. Tenant may, however, receive certain warranties and guarantees, by separate agreement, from McDonald's USA, LLC or one of its subsidiaries; but those warranties will be personal covenants, only, and will not be binding upon the successors and assigns of Landlord.

2.08 Tenant's Compliance With Various Requirements: Tenant may not use or permit any person to use the Premises or any part of it for any use in violation of federal, state or local laws, including, but not limited to, present and future ordinances or other regulations of any municipality in which the Premises are situated. Tenant will not use or permit any person to use the Premises or any building thereon for the manufacture or sale of intoxicating liquor of any kind whatsoever. Except as provided below, Tenant may not operate any coin or token operated vending or similar device for the sale of any goods, wares, merchandise, food, beverages or services, including but not limited to, pay telephones, pay lockers, pay toilets, scales, amusement devices, and machines for the sale of beverages, foods, candy, cigarettes or other commodities. One coin operated newspaper vending machine, Playplace games and one pay telephone may be installed, if they are in compliance with Landlord's current written policy on the installation and maintenance of these items. During the term of this Lease, Tenant will keep the Premises and all buildings in a clean and wholesome condition and repair and will maintain the Premises so that they fully comply with all lawful health and police regulations. Tenant will conduct the McDonald's Restaurant on the Premises strictly in accordance with the terms and provisions of the Franchise Agreement. Tenant will minimize all cooking odors and smoke, maintain the highest degree of sanitation and comply with all ordinances, orders, directives, rules and regulations of all governmental bodies, bureaus and offices having jurisdiction over Tenant and over the Premises. Landlord makes no warranties or representations as to the state of such ordinances, rules, orders and directives, regulations, and Tenant acknowledges that Tenant has independently investigated them and will comply with them. Landlord makes no warranties or representations that the Premises, when accepted by Tenant, conform with the Federal, State or Industrial Safety Codes. Tenant will obtain, keep in full force and effect, and strictly comply with, all governmental licenses and permits which may be required for Tenant's use and occupancy of the Premises and the operation of the McDonald's Restaurant.

ARTICLE 3 RENT, TAXES, RECORDS AND REPORTS

3.01 Rent: Tenant promises to pay rent to Landlord, without offset or deduction, as follows:

A. Basic Rent and Pass Thru Rent: Tenant will pay monthly to Landlord the Basic Rent and any Pass Thru Rent, if applicable, as indicated in Schedule B, attached. The first payment of Basic Rent and Pass Thru Rent, if applicable, will be due and payable on the commencement date of the term, and the subsequent monthly rental payments, including any Pass Thru Rent, will be due thereafter, in advance, on or before the first day of every succeeding calendar month. If the date of commencement of rent occurs on a day other than the first day of the month, the first rental payment (of Basic Rent, Pass Thru Rent, if any, and Percentage Rent, if any) will be adjusted for the proportionate fraction of the whole month so that all rental payments, other than the first, will be made and become due and payable on the first day of each month.

B. Percentage Rent: In addition to the Basic Rent and Pass Thru Rent, if applicable, Tenant promises to pay Percentage Rent to Landlord in the amount and during the periods set forth in Schedule B, attached, on all Gross Sales from the Premises in excess of the Monthly Base Sales set forth in Schedule B, attached. See Article 3.03 for the manner of payment of Percentage Rent.

C. Definition of "Gross Sales": For the purposes of this Lease, the term "Gross Sales" will mean all receipts (cash, cash equivalent, credit or redeemed gift certificates) or revenue from sales by Tenant, and of all others, from all business conducted upon or from the Premises, whether such sales be evidenced by check, cash, credit, charge account, exchange or otherwise,

and will include, but not be limited to, the amount received from the sale of goods, wares and merchandise, including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise, and for services performed at the Premises, together with the amount of all orders taken or received at the Premises, all as may be prescribed or approved by the Franchise Agreement. Gross Sales will not include sales of merchandise for which cash has been refunded, or allowances made on merchandise claimed to be defective or unsatisfactory, provided that such returned or exchanged merchandise will have been previously included in Gross Sales. Gross Sales will not include the amount of any sales tax imposed by any federal, state or other governmental authority directly on sales and collected from customers, provided that the amount of the tax is added to the selling price and actually paid by Tenant to such governmental authority. Each charge or sale upon installment or credit will be treated as a sale for the full price in the month during which such charge or sale is made irrespective of the time when Tenant receives payment (whether full or partial). In addition, Landlord may, from time to time, permit or allow certain other items to be excluded from Gross Sales. However, any such permission or allowance may be revoked or withdrawn at the discretion of Landlord and will not stop Landlord from requiring strict compliance with the terms of this Lease.

D. Taxes and Assessments: In addition to the Basic Rent, the Pass Thru Rent, if applicable, and the Percentage Rent, Tenant will pay directly to the taxing authority, when due, all real estate taxes and special and general assessments that are levied or assessed against the Premises during the term or any extension of this Lease. Tenant agrees to provide to Landlord, if requested, copies of paid invoices and such other documentation evidencing payment of taxes as may be reasonably requested by Landlord. If Tenant shall default in the payment of any obligation herein required to be paid by Tenant, then Landlord may pay the same together with any penalty or interest levied on the tax bill, and Tenant will be obligated to repay Landlord on demand for such payment, together with interest on all past due obligations, including interest on the penalty and interest levied under this provision.

(a) **First and Last Year:** All real estate taxes and general and special assessment payments of every nature paid during the first and last year of the term of this Lease will be prorated. This tax proration will be based upon the fiscal year of the taxing authority levying the tax, using the percentage of the taxes payable during the first or last tax fiscal year that Tenant actually occupies, or had the right to occupy, the demised Premises. The party paying such taxes shall be entitled to reimbursement from the other party for its pro rata share upon demand and the presentation of an itemized statement with copies of all appropriate documentation evidencing payment.

(b) **Rent Taxes:** Tenant will also pay promptly, when due, any tax which is levied or assessed against the rental, real or tangible personal property, whether or not called a rental tax, excise tax, sales tax, gross receipts tax, tax on services or otherwise; and Tenant will promptly reimburse Landlord for any similar tax which Landlord is required to pay or, in fact, does pay. Such payment or reimbursement will not be deducted from Gross Sales.

(c) **Personal Property Taxes:** Tenant agrees to pay all personal property taxes levied upon the fixtures, equipment and other improvements located on the Premises whether installed and paid for by Tenant or Landlord. The personal property taxes for the first and last year of the term of this Lease will be prorated in the same manner as the real estate taxes and assessments.

(d) **Appeal:** Subject to Landlord's rights, Tenant, at Tenant's sole expense, is authorized and hereby permitted to contest and appeal property tax assessments on the demised Premises, and Landlord will cooperate with and assist Tenant in any reasonable manner.

E. **Other Charges and Expenses:** Any other charge or expense of any nature which Landlord may be required to pay by virtue of Landlord's interest in the Premises (including, but not limited to, common area maintenance charges, merchant's association's dues, utility charges, fees and taxes and security service fees – collectively referred to as "other charges") will be promptly paid by Tenant to the party to whom they are due as additional charges. Landlord will provide Tenant with information necessary for Tenant to pay the other charges prior to, or as soon as possible after, the commencement of the term of this Lease. Until Tenant receives this information, Tenant will not be responsible for the other charges.

F. **Method and Proof of Payment:**

(a) Tenant shall, at all times, participate in Landlord's automatic debit/credit transfer program as specified by Landlord from time to time for the payment of all amounts due Landlord pursuant to this Lease. Tenant shall execute and deliver to Landlord such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(b) With respect to Articles 3.01(D) and (E), above, or any other provision in this Lease which requires or contemplates Tenant first paying other charges or expenses, Landlord may, at its exclusive option, elect to make such payments directly to the taxing authority, Head Landlord (if applicable), utility company or other party due a payment for which Tenant is liable under this Lease. If Landlord wishes to exercise this option, Landlord will notify Tenant in writing of its election. From that time on, Landlord shall make such payments directly, and all penalties and expenses thereafter accruing shall be the responsibility of Landlord. If Landlord elects to make any payment directly, Tenant shall, nonetheless, be responsible for making payment to Landlord for any payment Landlord will make, or makes, within ten (10) days of Tenant's receipt of a billing advice from Landlord.

3.02 **Records:** Tenant will keep and preserve upon the Premises complete written records of all Gross Sales conducted in any calendar or business year for a period of three (3) years, in a manner and form satisfactory to Landlord. Tenant will permit Landlord or Landlord's representatives to examine or audit the records at any and all reasonable times, and will, upon Landlord's request, explain the method of keeping records. The books and records will include cash register tapes, properly identified, over-ring slips, sales journals, general ledger, profit and loss statements, balance sheets, purchase invoices, bank statements with canceled checks and deposit advices, corporate books and records, management company books, including, but not limited to, minute books and stock certificate books, state sales tax returns, federal income tax returns, retailer's occupation tax returns or similar returns required to be filed by the state in which the Premises are located.

3.03 **Reports:** By 11:00 a.m. Central Standard Time of the first business day of each month, Tenant will deliver to Landlord, in the manner specified by Landlord from time to time, a statement by Tenant or Tenant's authorized representative, reflecting Gross Sales during the preceding month. Tenant will pay to Landlord on or before ten (10) days after the end of each calendar month during this Lease all sums due based upon Gross Sales as shown in the statement for the period covered by the statement. Within thirty (30) days following the expiration of each calendar year of the term of this Lease, Tenant will deliver to Landlord at the place last fixed for the payment

of rent, a statement of Gross Sales for the preceding calendar year (certified, at Tenant's expense, if requested by Landlord, by a Certified Public Accountant of good standing and reputation in the state in which the Premises are located) which will show Gross Sales separately for each monthly period during the preceding year.

A. **Default in Reporting:** Upon failure of Tenant to prepare and deliver promptly any monthly or annual statement required by this Lease or to make any required payment, Landlord may elect to treat Tenant's failure as a substantial breach of this Lease entitling Landlord to terminate this Lease and Tenant's right to possession of the Premises.

B. **Inspection of Records by Landlord:** If Landlord is dissatisfied with statements furnished by Tenant, Landlord may notify Tenant, and Landlord, at its option, may then examine Tenant's books or have a Certified Public Accountant selected by Landlord examine Tenant's books. If such examination discloses any underpayment of Percentage Rent, Tenant will promptly pay the deficient amount. If Tenant contests such deficiency, Landlord will then appoint an independent auditor to examine Tenant's books and records. If the independent audit confirms that there has been an underpayment exceeding two percent (2%) of the Percentage Rent, as represented by Tenant, Tenant will, in addition to the above, reimburse Landlord for the cost of the auditor's examination.

3.04 **No Abatement of Rent:** Except as provided in this Lease, damage to or destruction of any portion or all of the buildings, structures and fixtures upon the Premises, by fire, the elements or any other cause, whether with or without fault on the part of Tenant, will not terminate this Lease or entitle Tenant to surrender the Premises or entitle Tenant to any abatement of or reduction in the rent payable, or otherwise affect the respective obligations of the parties, any present or future law to the contrary notwithstanding, subject to Article 6.05 in this Lease.

3.05 **Interest on Delinquencies:** If the Tenant is past due on the payment of any amount due Landlord, under this Lease, including accrued interest, the Tenant shall be required, to the extent permitted by law, to pay interest on the past due amount to the Landlord for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

3.06 **Lien for Rent:** Tenant grants to Landlord a lien upon all Tenant's property located on the Premises, from time to time, for all rent and other sums due from Tenant to Landlord under the provisions of this Lease.

ARTICLE 4 OBLIGATIONS OF TENANT

4.01 **Utilities:** Tenant will pay directly all charges for gas, electricity, or other utilities, sewer charges, taxes and driveway fees, if applicable, and for all water used on the Premises as such charges become due. Tenant's obligation to pay the foregoing charges will commence five (5) days after Tenant's equipment is delivered to the Premises.

4.02 **Maintenance and Repair:** Tenant will, at its expense, (a) keep the entire Premises, all improvements, utility lines and Tenant's or Landlord's fixtures and equipment at all times in good repair, order or condition; (b) replace all broken, damaged or missing personal property, fixtures or equipment; and (c) at the expiration of the term of this Lease, whether by lapse of time or otherwise, surrender the Premises in good repair, order and condition, ordinary wear and tear

excepted, and loss by fire and other casualty excepted to the extent that provision for such exception may elsewhere be made in this Lease. Upon request of Landlord, Tenant will remove all signs and other identifying features from the Premises. Tenant's obligation to make repairs to the Premises will include all repairs, whether ordinary or extraordinary, including structural repairs to the foundation, floors, walls and roof.

4.03 Alterations: Tenant shall not make any change in, alteration of, or addition to any part of the Premises, or remove any of the buildings or building fixtures without, in each instance, obtaining the prior written consent of Landlord and complying with all governmental rules, ordinances and regulations.

4.04 Surety: Before commencement of any construction or installation of any structure, fixture, equipment or other improvement on the Premises, or of any repairs, alterations, additions, replacement or restoration in, on or about the Premises, Tenant will give Landlord written notice specifying the nature and location of the intended work and the expected date of commencement. Tenant will deposit with Landlord, if requested by Landlord, a certificate or other evidence satisfactory to Landlord that Tenant has obtained a bond or that Tenant's building contractor, if any, has furnished a bond in favor of Landlord, with a surety approved by Landlord, guaranteeing the performance and completion of all work free and clear of all liens arising from such work. Landlord reserves the right to withhold its approval of any proposed construction, improvement, repair, alteration or replacement and, without limiting the generality of the foregoing, may require as a condition of its approval that it be permitted to review and approve any contract entered into by Tenant regarding such notices as may be necessary to protect Landlord against liability for liens and claims.

4.05 Liens Against Property: Nothing in this Lease will authorize Tenant to do any act which will in any way encumber the title of Landlord to the Premises. The interest or estate of Landlord or the fee owner in the Premises, if Landlord is not the fee owner, will not in any way be subject to any claim by lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Tenant will not permit the Premises to become subject to any mechanics', laborers' or materialsmen's lien for labor or material furnished to Tenant in connection with work of any character performed or claimed to have been performed on the Premises by or at the direction of, or sufferance of, Tenant.

If any lien is filed against the Premises or Tenant's interest in this Lease, at Landlord's option, Tenant will either pay the amount of the lien in full or will, upon demand of Landlord, provide and pay for a non-cancelable bond, placed with a reputable company, approved by Landlord, in an amount deemed sufficient by Landlord, insuring the interest of Landlord and any mortgagee from any loss by reason of the filing of such lien. Tenant will immediately pursue in good faith its legal remedies to remove a lien on the Premises.

4.06 Assignment by Tenant: Tenant will not allow or permit any transfer of this Lease or any interest in this Lease by operation of law, or assign, convey, mortgage, pledge or encumber this Lease or any interest in this Lease, or permit the use or occupancy of the Premises or any part thereof without, in each case, obtaining Landlord's prior written consent. No assignment (with or without Landlord's consent) will release Tenant from any of its obligations in this Lease. Notwithstanding the foregoing, Landlord shall consent to an assignment by Tenant of his rights and interest in this Lease if the Tenant complies with the terms and conditions of the Franchise Agreement pertaining to the assignment of the Franchise Agreement.

4.07 Franchise Agreement: Tenant will comply with and perform all covenants contained in the Franchise Agreement. Tenant's breach of any of the terms and covenants of the Franchise Agreement will also constitute a breach of this Lease. Termination, expiration, default or revocation of the Franchise Agreement for any reason, either in whole or in part, will also terminate this Lease, without further notice being required.

ARTICLE 5 FIXTURES AND EQUIPMENT

5.01 Fixtures: All buildings and improvements and all plumbing, heating, lighting, electrical and air conditioning fixtures and equipment and all other articles of property which, at the date Tenant takes possession of the Premises, are the property of Landlord or of the fee owner of the Premises are and will remain a part of the real estate and be considered to be leased in this Lease. Any additions, alterations or remodeling of improvements made to the Premises will immediately become the property of Landlord and will not be removed by Tenant at the termination of this Lease by lapse of time or otherwise.

5.02 Removal of Tenant's Property: At or prior to the termination of this Lease, whether by lapse of time or otherwise, Tenant will, subject to any rights of Landlord under the Franchise Agreement, remove all of its personal property and trade fixtures from the Premises and will repair any damage to the Premises which may have been caused by such removal.

ARTICLE 6 INSURANCE AND DAMAGE TO PROPERTY

6.01 Liability Insurance: Tenant will pay for and maintain during the entire term of this Lease the following insurance:

A. Worker's Compensation Insurance prescribed by law in the state in which the Premises are located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Premises are located allows the option of carrying no Worker's Compensation, and Tenant chooses to exercise that option, Tenant shall nonetheless carry and maintain other insurance with coverage and limits as approved by the Landlord.

B. Commercial General Liability Insurance in a form approved by Landlord, on an occurrence basis, with limits as described in Article 1.04.

C. Fire Legal Liability Insurance with minimum limits of \$500,000 per occurrence.

6.02 Rental Insurance: Tenant will maintain and keep in force rental insurance in an amount equal to not less than the total of one (1) year's Basic Rent and Pass Thru Rent, if applicable, as specified in Article 1.02 of this Lease.

6.03 Property Insurance: Tenant will maintain and keep in force, all risk insurance, including flood, earthquake and earth movement coverage, upon the Premises, fixtures, operational equipment, signs, furnishings, decor, plate glass and supplies, in a full replacement cost form obligating the insurer to pay the full cost of repair or replacement. It is intended that neither Landlord nor Tenant will be a co-insurer, and to that end, if the insurance proceeds are not adequate to rebuild the building or other improvements located on the Premises, Tenant will be obligated for the difference between the proceeds obtained and the actual cost of the restoration of the Premises, fixtures, operational equipment, signs, furnishings, decor, plate glass and supplies.

6.04 Placement and Policies of Insurance: All insurance policies required to be carried in this Lease will name Landlord and any party designated by Landlord as additional insured. All policies will be effective on or prior to the date Tenant is given possession of the Premises for the purpose of installing equipment, and evidence of payment of Premiums and duplicate copies of policies of the insurance required in this Lease will be delivered to Landlord at least thirty (30) days prior to the date that Tenant opens for business or thirty (30) days prior to the expiration dates of an existing policy of insurance. All policies of insurance will include as an additional insured any mortgagee, as its interest may appear, and will include provisions prohibiting cancellations or material changes to the policy until thirty (30) days prior written notice has been given to Landlord.

If Tenant should fail to obtain the required insurance, Landlord may, but is not obligated to, purchase the insurance, adding the premiums paid to Tenant's monthly rent. Tenant may authorize Landlord to purchase and to administer the required minimum insurance on Tenant's behalf. However, Landlord, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Tenant. Landlord may relieve itself of all obligations with respect to the purchase and administration of the required insurance coverage by giving ten (10) days written notice to Tenant.

All insurance will be placed with a reputable insurance company licensed to do business in the state in which the Premises are located and having a financial size category equal to or greater than IX and a policyholders rating of "A +" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by Landlord. Tenant further agrees to increase the various insurance coverages specified above from time to time upon the written request of Landlord to meet changing economic conditions and requirements imposed upon Landlord under the Landlord's Head Lease (if applicable) and loan agreements, if any.

6.05 Repair and Replacement of Buildings: If the building on the Premises is damaged by fire or any other casualty, Landlord will, within a reasonable time from the date of the damage or destruction, repair or replace the building so that Tenant may continue in occupancy. Landlord's obligation to rebuild or restore the Premises will, however, be only to the extent of insurance proceeds recovered. Basic Rent and any Pass Thru Rent required to be paid in this Lease will not abate during the period of untenability. If the building cannot be replaced or repaired within a reasonable time due to the inability of Landlord to obtain materials and labor, or because of strikes, acts of God or governmental restrictions that would prohibit, limit or delay the construction, then the time for completion of the repair or replacement will be extended accordingly. However, in any event, if the repair or replacement of the building has not been commenced within a period of one (1) year from the date of the damage or destruction, Tenant or Landlord may, at their option, terminate this Lease. If any damage or destruction occurs during the last five (5) years of the term of this Lease to the extent of fifty percent (50%) or more of the insurable value of the building, Landlord may, by notice to Tenant within forty (40) days after the occurrence of the damage or destruction, in lieu of repairing or replacing the building, elect to terminate this Lease as of the date of the damage or destruction. Tenant hereby expressly waives and releases any and all claims against Landlord for damages in case of Landlord's failure to rebuild or restore the building in accordance with the provisions of this Article. Tenant's sole remedy for any such failure will be to elect to terminate this Lease as of the date of occurrence of the damage or destruction. If the building and other improvements are not repaired, restored or replaced, for any reason, all proceeds of the all risk coverage insurance applicable to the building and other permanent improvements will be paid and given to Landlord. Tenant agrees to execute and deliver any release or other document Landlord may request to obtain the release or control of the proceeds.

If Landlord repairs and restores the Premises, as required above, Tenant agrees to promptly repair, replace, restore or rebuild Tenant's leasehold improvements, equipment and furnishings ("Tenant's Improvements") in accordance with the current standards and specifications for McDonald's Restaurants upon notice from Landlord that the Premises are ready for Tenant's Improvements. Tenant agrees to submit for Landlord's approval, all plans and specifications for Tenant's Improvements to Landlord within thirty (30) days after Landlord delivers its plans and specifications for the restored Premises to Tenant.

ARTICLE 7 RIGHTS OF LANDLORD

7.01 Inspection by Landlord: Landlord or any authorized representative of Landlord may enter the Premises at all times during reasonable business hours for the purpose of inspecting the Premises.

7.02 Indemnity for Litigation: If Landlord becomes subject to any claim, demand or penalty or becomes a party to any suit or other judicial or administrative proceeding by reason of any act occurring on the Premises, or by reason of an omission with respect to the business or operation of the McDonald's Restaurant, Tenant will indemnify and hold Landlord harmless against all judgments, settlements, penalties, and expenses, including reasonable attorney's fees, court costs and other expenses of litigation or administrative proceeding incurred by or imposed on Landlord in connection with the investigation or defense relating to such claim or litigation or administrative proceeding. At the election of Landlord, Tenant will also defend Landlord.

Tenant will pay all costs and expenses, including reasonable attorney's fees, which may be incurred by Landlord in enforcing any of the covenants and agreements of this Lease. All such costs, expenses and attorney's fees will, if paid by Landlord, together with interest, be additional rent due on the next rent date after such payment or payments.

7.03 Waiver of Claims: Landlord and Landlord's agents and employees will not be liable for, and Tenant waives claims for, damage to persons or property sustained by Tenant or any person claiming through Tenant resulting from any accident or occurrence in or upon the Premises or the building of which they are a part, including, but not limited to, claims for damage resulting from: (a) equipment or appurtenances becoming out of repair; (b) Landlord's failure to keep the building or the Premises in repair; (c) injury done or occasioned by wind, water or other natural element; (d) any defect in or failure of plumbing, heating or air conditioning equipment, electric wiring or installation thereof, gas, water and steam pipes, stairs, porches, railings or walks; (e) broken glass; (f) the backing up of any sewer pipe or downspout; (g) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank in, upon or about such building or Premises; (h) the escape of steam or hot water (it being agreed that all the foregoing are under the control of Tenant); (i) water being upon or coming through the roof, skylight, trapdoor, stairs, walks or any other place upon or near such building of the Premises or otherwise; (j) the falling of any fixture, plaster or stucco; (k) interruption of service of any utility.

7.04 Re-entry Upon Default: If (a) Tenant defaults in the payment of any installment of Basic Rent, Pass Thru Rent or Percentage Rent or any additional sum due in this Lease; (b) Tenant defaults in any of the covenants, agreements, conditions or undertakings to be performed by Tenant other than the payment of rent (Basic Rent, Pass Thru Rent, Percentage Rent or additional charges) and such default continues for ten (10) days after notice in writing to Tenant; (c) Tenant defaults in any of the terms of the Franchise Agreement or if the Franchise Agreement should terminate, whether by lapse of time or otherwise; (d) proceedings in bankruptcy or for liquidation, reorganization or rearrangement of Tenant's affairs are instituted by or against Tenant; (e) a

receiver or trustee is appointed for all or substantially all of Tenant's business or assets on the grounds of Tenant's insolvency; (f) a trustee is appointed for Tenant after a petition has been filed for Tenant's reorganization under the Bankruptcy Act of the United States; (g) Tenant makes an assignment for the benefit of its creditors; or (h) Tenant vacates or abandons the Premises, then in any of the above events, Landlord, at its election, may declare the term of this Lease ended and, either with or without process of law, re-enter, expel, remove and put out Tenant and all persons occupying the Premises under Tenant, using such force as may be necessary in so doing, and repossess and enjoy the Premises. Such re-entry and repossession will not work a forfeiture of the rents to be paid or terminate the covenants to be performed by Tenant during the full term of this Lease.

Upon the expiration of the term of this Lease by reason of any of the events described above, or in the event of the termination of this Lease or right to possession by summary dispossession proceedings or under any provision of law now or at any time in force, whether with or without legal proceedings, Landlord may, at its option, relet the Premises or any part for the account of Tenant and collect the rents therefor, applying them first to the payment of expenses Landlord may have in recovering possession of the Premises, including legal expenses and attorney's fees, and for putting the Premises into good order or condition or preparing or altering the same for re-rental, expenses, commissions and charges paid, assumed or incurred by Landlord in reletting the Premises, and then to the fulfillment of the covenants of Tenant in this Lease. Any such reletting may be for the remainder of the term of this Lease or for a longer or shorter period. In any case and whether or not the Premises or any part thereof is relet, Tenant will pay to Landlord the Basic Rent, Pass Thru Rent, if applicable, Percentage Rent, any additional charges, and all other charges required to be paid by Tenant up to the time of termination of this Lease, or of recovery of possession of the Premises by Landlord, as the case may be. Thereafter, Tenant covenants and agrees, if required by Landlord, to pay to Landlord, until the end of the term of this Lease, the equivalent of the amount of all the Basic Rent and Pass Thru Rent, if applicable, reserved in this Lease, Percentage Rent, and all other charges required to be paid by Tenant, less the net income of reletting, if any. These payments will be due and payable by Tenant to Landlord on the rent days above specified. In any of the circumstances described above, Landlord will have the election to recover against Tenant, as damages for loss of the bargain and not as a penalty, an aggregate sum which, at the time of such termination of this Lease, or of such recovery of possession of the Premises by Landlord, represents the then present worth of the excess, if any, of the aggregate of the Basic Rent, Pass Thru Rent, if applicable, Percentage Rent, and all other charges payable by Tenant in this Lease that would have accrued for the balance of the term over the aggregate rental value of the Premises for the balance of the term. Percentage Rent for purposes of this Article shall be deemed to mean the Percentage Rent which Landlord can show could be generated from the Premises but in no event less than the greatest amount of Percentage Rent paid by Tenant during any year. Nothing in this Lease contained will limit or prejudice Landlord's right to prove and obtain as liquidated damages arising out of such breach or termination the maximum amount allowed by any statute or rule of law which may govern the proceeding in which such damages are to be proved.

7.05 Holding Over: Tenant will not hold over beyond the expiration or sooner termination of the term of this Lease. If Tenant does hold over, it will give rise to a tenancy at the sufferance of Landlord upon the same conditions as are provided for in this Lease with a monthly rental for the period of such holding over which is double the Basic Rent, Pass Thru Rent, if applicable, and Percentage Rent last paid by Tenant during the term of this Lease, and interest thereon, as liquidated damages, and not as a penalty. Landlord's acceptance of any rent after holding over begins does not renew this Lease. This provision does not waive Landlord's rights of re-entry or

any other right in this Lease resulting from Tenant's breach of the covenant not to hold over or any other breach in this Lease.

7.06 Remedies Cumulative: The remedies in this Lease granted to Landlord will not be exclusive or mutually exclusive, and Landlord will have such other remedies against Tenant as may be permitted in law or in equity at any time. Any exercise of a right of termination by Landlord will not be construed to eliminate any right of Landlord to damages on account of any default of Tenant.

7.07 Waiver: No delay or omission of Landlord to exercise any right or power arising from any default will impair any such right or power or will be construed to be a waiver of any such default or an acquiescence under this Lease. No waiver of any breach of any of the covenants of this Lease will be held to be a waiver of any other breach or waiver, acquiescence in or consent to any further or subsequent breach of the same covenant. The rights in this Lease given to receive, collect or sue for any rent, monies or payments or to enforce the terms, provisions and conditions of this Lease, or to prevent the breach or non-observance thereof, or to exercise any right or remedy in this Lease, will not in any way affect the right or power of Landlord to declare the term ended and to terminate this Lease because of any default in or breach of any of the covenants, provisions or conditions of this Lease.

7.08 Accord and Satisfaction: No payment by Tenant or receipt by Landlord of a lesser amount than the monthly rent in this Lease stipulated will be deemed to be other than on account of the earliest stipulated rent, nor will any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided for in this Lease.

7.09 Right to Perform for Tenant: If Tenant should fail to perform any of its obligations under the provisions of this Lease, Landlord, at its option, may (but will not be required to) do the same or cause the same to be done. In addition to any and all other rights and remedies of Landlord, the cost incurred by Landlord in connection with such performance by Landlord will be an additional charge due from Tenant to Landlord, together with interest thereon at the maximum rate permitted by law in the state in which the Premises are located on the next rent date after such expenditure or, if there is no maximum rate permitted by law, at fifteen percent (15%) per annum.

7.10 Condemnation: If the entire Premises are condemned under eminent domain, or acquired in lieu of condemnation, for any public or quasi-public use or purpose, all rentals and taxes or other charges will be paid to that date, and Tenant will have the right to make a claim for the value of its leasehold estate. Tenant will, also, have the right to claim and recover such compensation as may be separately awarded for any and all damage to Tenant's business by reason of the condemnation and for any cost or loss to which Tenant might be put in removing Tenant's merchandise, furniture, equipment and other personal property. Tenant specifically waives and releases any claim it may have, however, for the value of the building, fixtures and other improvements on the Premises whether or not installed or paid for by Tenant. Tenant further agrees to subordinate any claim it may have to Landlord's claim for the value of the improvements.

If only a part of the Premises is taken or condemned and Landlord determines that the operation of a McDonald's Restaurant on the Premises is no longer economically feasible or desirable, Landlord may at any time, either prior to or within a period of sixty (60) days after the date when possession of the Premises will be required by the condemning authority, elect to

terminate this Lease. If Landlord fails to exercise its option to terminate this Lease or will not have any such option, Landlord will (1) with reasonable promptness, make necessary repairs to and alterations of the improvements on the Premises for the purpose of restoring it to substantially the same use as that which was in effect immediately prior to such taking, to the extent that may be necessary by the condemnation; and (2) be entitled to the entire award for such partial taking. If Landlord does not elect to terminate this Lease, Tenant's Basic Rent and Pass Thru Rent, if applicable, will be reduced by a fraction, the numerator of which will be the total condemnation award or settlement and the denominator of which will be the fair market value of the Premises, prior to the taking, as determined by an independent appraiser selected by the Landlord.

7.11 Subordination and Non-Disturbance: This Lease and all of Tenant's rights, title and interest under the Lease will be subject, subordinated and inferior to the lien of any and all mortgages and to the rights of all parties under any sale and leaseback of the Premises and to any and all terms, conditions, provisions, extensions, renewals or modifications of any such mortgage or mortgages or sale and leaseback which Landlord or any grantee of Landlord (collectively hereafter called "Fee Owner") has or may place upon the Premises and the improvements thereon, in the same manner and to the same extent as if this Lease had been executed subsequent to the execution, delivery and recording of such mortgage or of the deed and lease under the sale and leaseback. This provision is intended to include the right of any grantee or Landlord under a sale and leaseback to further encumber the property with one or more mortgages, all of which are declared to be superior to the interest of Tenant in this Lease.

If a mortgagee or any other person acquires title to the Premises pursuant to the exercise of any remedy provided for in such mortgage, or in the event of the default under the Lease related to a sale and leaseback of the Premises, Tenant's right of possession will not be disturbed provided (a) Tenant is not then in default under this Lease and (b) Tenant attorns to such title holder. Tenant agrees that upon a mortgage foreclosure it will attorn to any mortgagee or assignee or any purchaser at the foreclosure sale (collectively called "Purchaser") as its Landlord and in the case of a default under the terms of the lease used in a sale and leaseback, it will attorn to the Fee Owner of the Premises as its new Landlord and, in either event, this Lease will continue in full force and effect as a direct Lease between Tenant and such party under all of the terms of this Lease. If there is a foreclosure of a mortgage placed on the property by a grantee under a sale and leaseback, such attornment will be required only if, at the time of such foreclosure, the Lease used in the sale and leaseback is also in default.

The subordination of this Lease to any mortgagee of Fee Owner provided for in this Lease or to any Lease under a sale and leaseback arrangement will be automatic and self-operative, and no special instrument of subordination will be necessary. Without limiting such automatic and self-operative subordinations, however, Tenant will, on demand, at any time or times, execute, acknowledge and deliver to Fee Owner, without expense to Fee Owner, any and all instruments that may be necessary or proper to evidence the subordination of this Lease and all rights in this Lease to the lien of any such mortgage, or to any such lease under a sale and leaseback arrangement. If Tenant fails, at any time, to execute, acknowledge and deliver any such subordination instrument within five (5) days after receipt of the notice, in addition to any other remedies available, Landlord may execute, acknowledge and deliver the same as the attorney-in-fact on Tenant's behalf; and Tenant hereby irrevocably makes, constitutes and appoints Landlord, its successors and assigns, such attorney-in-fact for that purpose.

ARTICLE 8 MISCELLANEOUS

8.01 No Agency Created: Tenant will have no authority, express or implied, to act as agent of Landlord or any of its affiliates for any purpose. Tenant is, and will remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Premises, including any personal property, equipment, fixtures or real property connected with them and for all claims or demands based on damage or destruction of property or based on injury, illness or death of any person or persons, directly or indirectly, resulting from the operation of the McDonald's Restaurant located on the Premises.

8.02 Recording of Lease: Tenant will not record this Lease without the written consent of Landlord. However, upon the request of either party, the other party will join the execution of a memorandum or a so-called "short-form" of this Lease for the purpose of recordation. The memorandum or short form of this Lease will describe the parties, the Premises and the term of this Lease and will incorporate this Lease by reference. The party requesting execution of the memorandum will bear all costs for recording it.

8.03 Force Majeure: Whenever a period of time is provided in this Lease for either party to do or perform any act or thing, except the payment of monies, neither party will be liable for any delays due to strikes, lockouts, casualties, acts of God, war, governmental regulation or control or other causes beyond the reasonable control of the parties, and in any event the time period for the performance of an obligation in this Lease will be extended for the amount of time of the delay. This Article will not apply to, or result in, an extension of the term of this Lease.

8.04 Paragraph Headings: Headings in this Lease are for convenience only and are not to be construed as part of this Lease and will not be construed as defining or limiting in any way the scope or intent of the provisions of this Lease.

8.05 Invalidity of a Provision: If any term or provision of this Lease will to any extent be held invalid or unenforceable, the remaining terms and provisions of this Lease will not be affected, but each term and provision of this Lease will be valid and be enforced to the fullest extent permitted by law. If any material term of this Lease is stricken or declared invalid, Landlord reserves the right to terminate this Lease at its sole option.

8.06 Law Governing: The terms and provisions of this Lease will be governed by the laws of the State of Illinois.

8.07 Entire Agreement: This Lease and the Franchise Agreement will be deemed to include the entire agreement between the parties, and it is agreed that neither Landlord nor anyone acting in its behalf has made any statement, promise or agreement or taken upon itself any engagement whatever, verbally or in writing, in conflict with the terms of this Lease, or that in any way modifies, varies, alters, enlarges, or invalidates any of its provisions, or extends the term of this Lease, and that no obligations of Landlord will be implied in addition to the obligations expressed in this Lease. This agreement cannot be changed orally but only by an agreement in writing signed by Landlord and Tenant. Nothing in this Lease or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Tenant.

8.08 Parties Bound: The terms of this Lease will extend to and be binding upon the administrators, executors, heirs, assigns and successors of the parties, subject to the terms of Article 4.06.

8.09 Notices or Demands: All notices to or demands upon Landlord or Tenant given under any of the provisions of this Lease will be in writing. Any notices or demands from Landlord to Tenant will be deemed to have been duly and sufficiently given if a copy has been delivered personally or mailed by United States registered or certified mail in an envelope properly stamped and addressed to Tenant at the address of the Premises. Any notices or demands from Tenant to Landlord will be deemed to have been duly and sufficiently given if mailed by registered or certified mail in an envelope properly stamped and addressed to Landlord at One McDonald's Plaza, Oak Brook, Illinois 60523, Attention: Director, U.S. Legal Department. Mailed notices shall be deemed received three (3) business days after being deposited in the U.S. Mail. Either party, by notice, may change the address to which notice will be sent, but all notices mailed to Tenant at the address of the restaurant on the Premises will be deemed sufficient.

To indicate their consent to this Operator's Lease the parties, or their authorized representatives or officers, have signed this document.

EXCESS PROPERTY ADDENDUM

1. Landlord and Tenant acknowledge that the Premises includes excess property which will not be used in the operation of the McDonald's Restaurant developed on the Premises. The excess property is included in the legal description described on Schedule A of this Lease.
2. If the Landlord, in its sole discretion, is able to sell or lease the excess property during the term of this Lease, Tenant agrees to amend this Lease to accomplish the following:
 - A. The Premises shall be amended to delete the excess property so that it will no longer be leased to Tenant.
 - B. The Premises will be made subject and subordinate to easements that may be needed for access, utilities, drainage, signs or any other necessary use to properly or conveniently develop the excess property. Landlord agrees that no such easements or reservations shall unreasonably interfere with the continuing operation of the McDonald's Restaurant, and all costs, expenses and liabilities associated with the easements or any other use of the Premises shall be assumed by the Landlord.
3. Notwithstanding the deletion of the excess property from the Premises, the Tenant's rent shall remain as stated in this Lease and shall not be reduced. However, Tenant shall be reimbursed by Landlord for an amount equal to approximately all of Tenant's costs for real estate taxes, insurance and maintenance of the excess property up to an amount not to exceed the Landlord's gain on any sale or disposition of the excess property. The gain or loss on the disposition of the excess property shall be determined by subtracting the net book value of the excess property from the net proceeds of the Landlord's sale or other disposition of the excess property. If the excess property is leased by Landlord, the gain or loss shall be determined by subtracting the net present value of the rental payments to be received by Landlord from the net present value of all of Landlord's rental payments or Landlord's net book value associated with the excess property.
4. If the excess property is developed in such a manner as to provide for common access, parking, utilities or other easements that benefit both the Premises and the excess property, Tenant agrees to pay a pro rata share of the cost of maintaining and repairing such common access, parking, utilities or other easements as set forth in the written agreements.
5. The effective date of the above described amendment shall be the date of closing of the sale of the excess property, if sold, or the date the rent commences, if it is leased.

LANDLORD'S INTEREST ADDENDUM
(McDonald's USA, LLC Leased Property)

1. **LANDLORD'S INTEREST IN PREMISES:** Landlord holds a leasehold interest in the Premises or a portion of the Premises under the Head Lease described in Article 1.05.
2. **COMPLIANCE WITH HEAD LEASE:** Tenant acknowledges and agrees that the terms and conditions of this Lease are subject and subordinate to the terms and conditions of the Head Lease and any subsequent amendments to it. If there are any inconsistencies between this Lease and the Head Lease, the more restrictive obligations of the Head Lease will prevail. Tenant will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the landlord under the Head Lease ("Head Landlord") to terminate the Head Lease or any rights of Landlord. Tenant will perform, comply with and discharge all obligations which Landlord is required to comply with and discharge under the Head Lease, including, but not limited to, payment of all charges, costs and expenses as set forth in Article 3.01 of this Lease. Such payments shall not, however, include payment of Landlord's basic monthly rental obligations under the Head Lease.
3. **TENANT'S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Tenant agrees to promptly provide to Landlord insurance policies or certificates, off-set statements, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required, from time to time, by the Head Landlord under the terms of the Head Lease. All certificates or policies of insurance so required will also name the Head Landlord as co-insured or additional insured, as the case may be.
4. **ENFORCEMENT OF LANDLORD'S RIGHTS UNDER HEAD LEASE:** It is acknowledged that the Head Landlord may have certain obligations under the Head Lease to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Head Lease. If these obligations exist, Landlord agrees to make a good faith effort to obtain the timely and faithful performance of Head Landlord's obligations, but Landlord will not be in default or breach of any of its covenants and duties under this Lease or be liable for any resulting loss or claim of Tenant if Landlord is not able to enforce its rights under the Head Lease. With respect to Landlord's obligation to repair and restore the Premises in the event of damage or destruction by fire or any other cause, Landlord's obligations are conditioned upon Landlord obtaining the cooperation and approval of the Head Landlord, as it may be required, and the compliance of Head Landlord with all of Head Landlord's duties under the Head Lease; and Landlord will not be liable to Tenant for any damage, claim or injury resulting from Landlord's inability to repair or restore the Premises due to a default or breach of the Head Lease by the Head Landlord.
5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sublease between Landlord and Tenant and not to make an assignment of the Head Lease. The parties further acknowledge that it is their intent that there be no merger of either Landlord's or Tenant's interest in this Lease and fee title if either party acquires a fee interest in the Premises at any time after the execution of this Lease. In such event, this Lease will remain in full force and effect and will determine the rights, duties and obligations of the parties.

McDONALD'S INTEREST ADDENDUM

(McDonald's USA, LLC holds interest in Master Agreement – interest is not a leasehold)

THIS McDONALD'S INTEREST ADDENDUM is attached to and made a part of the Operator's Lease ("Agreement") between **McDONALD'S USA, LLC**, a Delaware limited liability company ("McDonald's") and _____ (hereafter, for purposes of this Addendum, called "Grantee").

1. **McDONALD'S INTEREST IN PREMISES:** McDonald's has obtained the right to use the Premises pursuant to the _____ described in Article 1.05 ("Master Agreement").
2. **COMPLIANCE WITH THE MASTER AGREEMENT:** Grantee acknowledges and agrees that the terms and conditions of this Agreement are subject and subordinate to the terms and conditions of the Master Agreement and any subsequent amendments to it. If there are any inconsistencies between this Agreement and the Master Agreement, the more restrictive obligations of the Master Agreement will prevail. Grantee will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the grantor of McDonald's interest under the Master Agreement ("Master Grantor") to terminate the Master Agreement or to prejudice or limit any rights of McDonald's under the Master Agreement. Grantee will perform, comply with and discharge all obligations which McDonald's is required to perform, comply with and discharge pursuant to the Master Agreement including, but not limited to, the payment of all charges, costs and expenses as set forth in Article 3.01 of this Agreement. Such payments shall not, however, include payment of McDonald's basic monthly fee obligation for its interest under the Master Agreement.
3. **GRANTEE'S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Grantee agrees to promptly provide the insurance policies or certificates, off-set statements, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required from time to time by McDonald's under the terms of the Master Agreement. All certificates or policies of insurance so required will name the Master Grantor as co-insured or additional insured, as the case may be.
4. **ENFORCEMENT OF McDONALD'S RIGHTS UNDER MASTER AGREEMENT:** It is acknowledged that the Master Grantor may have certain obligations under the Master Agreement to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Master Agreement. If these obligations exist, McDonald's agrees to make a good faith effort to obtain the timely and faithful performance of the Master Grantor's obligations, but McDonald's will not be in default or breach of any of its covenants and duties under this Agreement or be liable for any resulting loss or claim of Grantee if McDonald's is not able to enforce its rights under the Master Agreement. With respect to McDonald's obligation, if any, to repair and restore the Premises in the event of damage or destruction by fire or any other cause, McDonald's obligations are conditioned upon McDonald's obtaining the cooperation and approval of the Master Grantor, as it may be required, and the compliance of the Master Grantor with all of the Master Grantor's duties under the Master Agreement; and McDonald's will not be liable to Grantee for any damage, claim or injury resulting from McDonald's inability to repair or restore the Premises due to a default or breach of the Master Agreement by the Master Grantor.

5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sub-agreement between McDonald's and Grantee and not to make an assignment of the Master Agreement. The parties further acknowledge that it is their intent that there be no merger of either McDonald's or Grantee's interest in this Agreement and the fee interest if either party acquires the fee interest in the Premises at any time after the execution of this Agreement. In such event, this Agreement will remain in full force and effect and will determine the rights, duties, and obligations of the parties. In addition, notwithstanding anything contained in this Agreement to the contrary, if McDonald's does not hold a leasehold interest in the Premises, this Agreement shall not be deemed a sublease but a sub-conveyance allowed by McDonald's rights under the Master Agreement. It is further agreed that the designation of this document as an "Operator's Lease" is merely for convenience and does not purport to transfer greater rights to Grantee than those held by McDonald's pursuant to the Master Agreement.

(McDonald's Corporation holds interest in Master Agreement – interest is not a leasehold)

THIS McDONALD'S INTEREST ADDENDUM is attached to and made a part of the Operator's Lease ("Agreement") between **McDONALD'S USA, LLC**, a Delaware limited liability company ("McDonald's USA") and _____ (hereafter, for purposes of this Addendum, called "Grantee").

1. **McDONALD'S USA'S INTEREST IN PREMISES:** McDonald's USA has obtained the right to use the Premises through an internal agreement(s) with McDonald's Corporation and/or its affiliated companies (McDonald's Corporation and/or its affiliated companies are hereafter referred to as "McDonald's") ("McDonald's Internal Agreement Documentation") as may be amended from time to time. The McDonald's Internal Agreement Documentation does not increase Grantee's obligations under this Agreement. The McDonald's Internal Agreement Documentation requires McDonald's USA to meet all of the obligations of McDonald's under the Master Agreement described in Article 1.05.
2. **COMPLIANCE WITH THE MASTER AGREEMENT:** Grantee acknowledges and agrees that the terms and conditions of this Agreement are subject and subordinate to the terms and conditions of the Master Agreement and any subsequent amendments to it. If there are any inconsistencies between this Agreement, McDonald's Internal Agreement Documentation and the Master Agreement, the more restrictive obligations of the Master Agreement will prevail. Grantee will not, in its use and enjoyment of the Premises, suffer or permit any condition to exist, or do, or omit to do, anything which would give rise to any right of the grantor of McDonald's interest under the Master Agreement ("Master Grantor") to terminate the Master Agreement or to prejudice or limit any rights of McDonald's under the Master Agreement. Grantee will perform, comply with and discharge all obligations which McDonald's is required to perform, comply with and discharge pursuant to the Master Agreement including, but not limited to, the payment of all charges, costs and expenses as set forth in Article 3.01 of this Agreement. Such payments shall not, however, include payment of McDonald's basic monthly fee obligation for its interest under the Master Agreement.
3. **GRANTEE'S STATEMENTS AND CERTIFICATES:** Without limiting the generality of the foregoing, Grantee agrees to promptly provide the insurance policies or certificates, off-set statements, statements of sales, mechanic's lien waivers, notices, releases and any other statement, record or document which may be required from time to time by McDonald's USA, McDonald's or the Master Grantor under the terms of the Master Agreement. All certificates or policies of insurance so required will, in addition to McDonald's USA, also name the Master Grantor and McDonald's as co-insureds or additional insureds, as the case may be.
4. **ENFORCEMENT OF McDONALD'S RIGHTS UNDER MASTER AGREEMENT:** It is acknowledged that the Master Grantor may have certain obligations under the Master Agreement to maintain and repair the Premises and adjoining areas, pay real estate taxes, assessments and special charges and impositions, restore, replace or rebuild the Premises and adjoining areas in the event of damage by fire and other causes, carry and pay for certain types of insurance policies and perform other obligations set forth in the Master Agreement. If these obligations exist, McDonald's USA agrees to make a good faith effort to obtain the timely and faithful performance of the Master Grantor's obligations, but McDonald's USA will not be in default or breach of any of its covenants and duties under this Agreement or be liable for any resulting loss or claim of Grantee if McDonald's USA is not able to enforce its rights under the Master Agreement. With respect to McDonald's

USA's obligation, if any, to repair and restore the Premises in the event of damage or destruction by fire or any other cause, McDonald's USA's obligations are conditioned upon McDonald's USA's obtaining the cooperation and approval of the Master Grantor, as it may be required, and the compliance of the Master Grantor with all of the Master Grantor's duties under the Master Agreement; and neither McDonald's USA nor McDonald's will be liable to Grantee for any damage, claim or injury resulting from McDonald's USA's inability to repair or restore the Premises due to a default or breach of the Master Agreement by the Master Grantor.

5. **INTENT OF THE PARTIES:** It is the intent of the parties to enter into a sub-agreement between McDonald's USA and Grantee and not to make an assignment of the Master Agreement. The parties further acknowledge that it is their intent that there be no merger of either McDonald's USA's or Grantee's interest in this Agreement and the fee interest if either party acquires the fee interest in the Premises at any time after the execution of this Agreement. In such event, this Agreement will remain in full force and effect and will determine the rights, duties, and obligations of the parties. In addition, notwithstanding anything contained in this Agreement to the contrary, if McDonald's USA does not hold a leasehold interest in the Premises, this Agreement shall not be deemed a sublease but a sub-conveyance allowed by McDonald's rights under the Master Agreement. It is further agreed that the designation of this document as an "Operator's Lease" is merely for convenience and does not purport to transfer greater rights to Grantee than those held by McDonald's pursuant to the Master Agreement.

OPERATOR EXTENSION OF TERM LANGUAGE

If Landlord extends its leasehold interest or acquires the fee interest in the Premises so that the Landlord's tenure extends beyond _____, the term of this Lease shall be automatically modified for a term consistent with the Landlord's real estate interest in the Premises, but in no event beyond _____. This Lease shall also be amended to reflect any new terms and conditions in the new or extended Lease or in the acquisition documents executed by Landlord and its landlord or seller. The Basic Rent and Percentage Rent may be increased to reflect Landlord's total real estate acquisition and development costs for the Premises by applying Landlord's then current rental formula using the Percentage Rent then in effect for similar McDonald's Restaurants.

EARLY TERMINATION DUE TO NO ADDITIONAL REAL ESTATE TENURE

Tenant acknowledges that Landlord is in negotiations with the party that controls the real estate interest in the Premises ("Head Landlord") to obtain additional real estate tenure for the Premises (as defined below). As of the date of this Lease, Landlord does not have real estate tenure at the Premises, but the Head Landlord has agreed to allow Landlord to occupy the Premises while negotiations continue. The Head Landlord may revoke its agreement at any time; therefore, Landlord and Tenant agree that, notwithstanding the term in this Article, Landlord may terminate this Lease upon the following: (i) negotiations with the Head Landlord cease or (ii) the Head Landlord requires Landlord to vacate the Premises. In either case, this Lease will terminate when McDonald's right to occupy the Premises terminates.

4. On the Effective Date, the transfer of the Restaurant assets and assignment of the rights and obligations under the Franchise will be effective and complete. Assignee must take possession of the Restaurant assets and begin operation of the Restaurant business on the Effective Date.
5. Beginning on the Effective Date, Assignee (i) must pay all fees, (ii) assumes full and unconditional liability under the Franchise, and (iii) must perform all obligations under the Franchise. Beginning on the Effective Date, the service fee is _____%.

7. On the Effective Date, Assignee assumes Assignor's obligations listed on the attached Exhibit A.

8. Without the prior written consent of McDonald's, Assignee may not, either voluntarily or by operation of law, make or permit:

- a) any further transfer or assignment of the Franchise;
- b) any pledge or encumbrance of the Franchise; or
- c) the creation of new or additional interest in the Franchise.

9. Assignee represents and warrants that:

- a) Assignee is the only person with an interest in the Franchise and Assignee's ownership interest is as shown on Exhibit B; and
- b) there is no obligation or intention to issue additional interests in the Franchise.

10. If Assignor or Assignee breaches any of the conditions, representations, agreements, or warranties contained in this Assignment, McDonald's will be entitled to all relief and remedies available by law, and to all relief and remedies granted to McDonald's by the Franchise.

11. Assignee is responsible for the Restaurant's entire real estate tax bill due on the next payment date. Assignee must pay the entire amount due to McDonald's or, if on direct pay, to the appropriate taxing authority upon receipt of the invoice for the real estate tax bill from either McDonald's or the appropriate taxing authority.

12. Assignor and Assignee represent and warrant that the Agreement is the entire agreement between Assignor and Assignee for the acquisition of the Restaurant by Assignee, and a complete and true copy of the Agreement has been delivered to McDonald's. Assignor and Assignee also represent and warrant that all of the financial terms relating to Assignee's acquisition of the Restaurant have been disclosed in writing to McDonald's and that McDonald's consent to this Assignment is based on its evaluation of these financial terms. The parties agree that the failure to disclose all financial terms to McDonald's will constitute a material breach of the Franchise pursuant, among other provisions, to paragraph 18(n) of the Franchise, thereby entitling McDonald's to all rights and remedies under the Franchise including, but not limited to, the right to terminate the Franchise.

13. If Assignee pays all business creditors, including McDonald's, on a timely basis, Assignor will be automatically discharged from all liability under the Franchise upon the earlier of: (i) three years after the Effective Date or (ii) the end of the Franchise term.

14. Assignor must pay all liabilities listed on Exhibit C to McDonald's on the Effective Date.

18. All Exhibits to this Assignment are a part of this Assignment.

19. This Assignment is not an approval by McDonald's of the Agreement or any other documents pertaining to it and McDonald's is not a party to the Agreement or bound by it.

20. All terms and conditions of the Franchise remain in full force and effect except as modified by this Assignment.

21. McDonald's and Assignee each acknowledge and warrant to each other that they wish to have all terms of their business relationship defined in the Franchise and this Assignment. Neither McDonald's nor Assignee wishes to enter into a business relationship with the other in which any terms or obligations are the subject of alleged oral statements or in which oral statements serve as the basis for creating rights or obligations different from or supplementary to the rights and obligations in the Franchise or this Assignment. McDonald's, Assignor, and Assignee agree that the Franchise and this Assignment supersede and cancel any prior and/or contemporaneous discussions or writings (whether described as representations, inducements, promises, agreements, understandings, or any other term), between McDonald's or anyone acting on its behalf, Assignor or anyone acting on Assignor's behalf, and Assignee or anyone acting on Assignee's behalf, with respect to the Restaurant or the relationship between the parties. PRELIMINARY AGREEMENT

This Preliminary Agreement (“Agreement”) is between _____ (“Candidate”) and McDonald’s USA, LLC, a Delaware limited liability company, having its principal office at One McDonald’s Plaza, Oak Brook, Illinois (“McDonald’s”).

Background

A. Candidate wishes to be considered by McDonald’s for a McDonald’s franchise to operate a McDonald’s restaurant.

B. Before McDonald’s will consider Candidate for any McDonald’s franchise opportunity, Candidate must first satisfactorily complete McDonald’s Franchise Applicant Training and Evaluation Program consisting of McDonald’s restaurant and classroom experience and training (“Training Program”) with the understanding that Candidate’s participation in the Training Program may exceed a period of two years on a part-time basis without any commitment or promise of a McDonald’s franchise.

C. The decision to offer Candidate any franchise opportunity rests in McDonald’s sole discretion.

Agreement

The parties, intending to be legally bound and for good and valuable consideration, agree as follows:

1. McDonald’s authorizes Candidate to participate in the Training Program until further notice by McDonald’s.

2. McDonald’s decision to consider Candidate for any franchise opportunity as well as the location and type of franchise opportunity to be offered, if any, and the terms of any contracts rest in McDonald’s sole discretion. McDonald’s is unable, at this date, to determine the exact type of the franchise opportunity and contracts, if any, which may ultimately be offered to Candidate. If McDonald’s decides that it will offer Candidate the opportunity to operate a McDonald’s restaurant, the franchise may be one of the following to be determined in McDonald’s sole discretion: (i) McDonald’s conventional franchise for a new restaurant with the Candidate to invest cash from non-borrowed funds of at least 40% of the total cost; or (ii) McDonald’s conventional franchise obtained by the purchase of an existing McDonald’s restaurant, either from McDonald’s or from an existing McDonald’s franchisee, which requires the Candidate to invest cash from non-borrowed funds of at least 25% of the total purchase price, including any required reinvestment. A detailed explanation of the conventional franchise is contained in the Franchise Disclosure Document (“Disclosure Document”) previously provided to Candidate.

3. Candidate may spend in excess of two years in the Training Program without a commitment from McDonald’s that a franchise will be offered. During the Training Program, Candidate’s performance and qualifications to become a franchisee will be continuously evaluated by McDonald’s. Candidate is not an employee or agent of McDonald’s or any parent, subsidiary, affiliate, or franchisee of McDonald’s and is not entitled to and will not receive any compensation including, without limitation, salary, wages, or employee benefits for participation in the Training Program. In addition, Candidate will not receive any reimbursement for costs and expenses. Candidate waives any and all rights to damages, the

reimbursement of expenses or costs, as well as the payment of any compensation related directly or indirectly to Candidate's participation in the Training Program.

4. The information, manuals, and materials acquired by Candidate during the Training Program contain and constitute McDonald's confidential information and trade secrets. Candidate will not use or disclose any such information or any other McDonald's information gained by Candidate through participation in the Training Program without McDonald's prior written approval.

5. This Agreement is personal to Candidate and it may not be transferred by assignment, will, or operation of law.

6. No franchise offer by McDonald's will come into existence except by a written document executed by an officer or franchising director of McDonald's, which is specifically identified as a Franchise Agreement. This Agreement is not an offer of a franchise or a commitment or promise by McDonald's to offer Candidate a franchise and McDonald's decision to make any franchise offer rests in McDonald's sole discretion.

7. Candidate acknowledges receipt of the Disclosure Document together with various attachments. Candidate must hold the Disclosure Document for fourteen (14) calendar days before signing this Agreement. Candidate further acknowledges being advised by McDonald's to read such material carefully.

8. Upon termination of Candidate's participation in the Training Program by either party, or in the event McDonald's notifies Candidate that it will not offer a franchise to Candidate, with or without cause in either situation, Candidate shall immediately return all manuals and materials provided to or acquired by Candidate during the Training Program and discontinue the use of any such materials and other information.

9. The terms of McDonald's letter to Candidate dated _____ are incorporated in this Agreement. In the event of any inconsistency, the terms of this Agreement shall supersede said letter.

10. This Agreement constitutes the entire agreement between the parties and supersedes any and all prior and/or contemporaneous oral agreements or understandings of the parties; however, nothing in this Agreement is intended to disclaim the representations made in the Disclosure Document furnished to Candidate. No change, modification, amendment, or waiver of any of the provisions of this Agreement will be binding upon McDonald's unless in writing, specifically identified as an amendment, and signed by an officer or franchising director of McDonald's. Candidate acknowledges that neither McDonald's nor anyone acting on behalf of McDonald's has made any representations, inducements, promises, or agreements, orally or otherwise, regarding the subject matter of this Agreement which are not embodied in this Agreement.

11. If McDonald's institutes any action at law or in equity against Candidate and/or defends any action instituted by Candidate related in any way, directly or indirectly, to this Agreement and if a judgment is entered in McDonald's favor, McDonald's will be entitled to recover from Candidate reasonable attorney's fees together with court costs and expenses of litigation as may be allowed by the court.

12. The terms and provisions of this Agreement will be interpreted in accordance with and governed by the laws of the State of Illinois. If any part of this Agreement is, for any reason, ruled by a court to be invalid, such judicial ruling will not affect the validity of any remaining portion of this

Agreement which will remain in full force and effect. In the event that any material provision of this Agreement is ruled invalid, McDonald's reserves the right to terminate this Agreement.

13. McDONALD'S IS NOT OBLIGATED TO OFFER CANDIDATE A FRANCHISE AND CANDIDATE IS NOT OBLIGATED TO ACCEPT ANY FRANCHISE OFFER.

The parties have executed this Agreement this _____ day of _____, evidencing that they have read, understand, and are bound by the terms of this Agreement.

EXHIBIT K

McDONALD'S U.S. REWRITE (NEW TERM) POLICY

A McDonald's franchise is granted for a limited period of time, with no right to renew or extend. A new franchise decision must be made before the franchise term expires. McDonald's desires to enter into new business relationships with Owner/Operators who, as McDonald's alone determines, consistently meet all of the National Franchising Standards, contribute to the success of the System, comply with the Franchise Agreement and are eligible for growth and rewrite. In addition, in determining whether to enter into a new term franchise, McDonald's will evaluate the available real estate tenure and economic viability of the restaurant.

The Owner/Operator's performance will be assessed for his or her entire organization on a continuous basis throughout the franchise term. The Owner/Operator's eligibility status for growth and rewrite will be communicated at his or her Business Review.

The rewrite (new term) process typically begins three years prior to the expiration of the franchise term. Rewrite recommendations are submitted by the Regional Vice President of QSC to the Rewrite Committee, made up of members of U.S. management. Only the Rewrite Committee has the authority to offer or not to offer a new term franchise to an Owner/Operator.

If a new term franchise offer is approved, the terms will be outlined in a rewrite offer letter sent to the Owner/Operator. The offer of a new term franchise is conditioned upon the Owner/Operator's continued compliance with the National Franchising Standards, the Franchise Agreement and continued eligibility for growth and rewrite for the remainder of the current franchise term, and is subject to available real estate tenure. There may be additional conditions imposed as a part of the rewrite offer. Any conditions of the rewrite offer will be included in the rewrite offer letter and will vary from case to case, but most frequently relate to reinvestment, rebuilds, relocations, real estate issues or ownership issues. If the Owner/Operator owns or leases additional property that McDonald's determines is essential to the operation of the restaurant business, McDonald's will require, as a condition of the offer of the new franchise, that the Owner/Operator grant McDonald's a controlling interest, through purchase, lease or option, to ensure the availability of the property and the long-term operation of the restaurant. In some situations, due to the availability of real estate or questions about the long-term economic viability of the restaurant location, a shorter term franchise may be appropriate.

To accept the offer of a new term franchise, the Owner/Operator must sign the new franchise agreement prior to the expiration of the existing franchise term. The service fee and initial franchise fee for the new franchise will be those in effect for similar restaurants at the time the new franchise commences. The rent for the new term franchise will be calculated in accordance with the then-current rewrite rent policy. When possible, an estimate of the new term rent will be included in the rewrite offer letter. Owner/Operator rental of additional property will be treated in accordance with the additional property policy in effect at the time the new franchise commences.

In cases where McDonald's, through the Rewrite Committee, concludes that it will not offer a new term franchise to the Owner/Operator, the Owner/Operator will be advised of this decision in writing. The decision of the Rewrite Committee not to offer a new term franchise to the Owner/Operator is final. In these cases, McDonald's will extend an alternative offer, which will give the Owner/Operator the opportunity to sell the restaurant business to a qualified buyer prior to the expiration of the current franchise. Subject to the terms stated in the alternative offer, which include a release, McDonald's will commit to offer a new term franchise to the qualified buyer.

If you have any questions concerning the Rewrite (New Term) Policy, please contact Troy M. Brethauer, U.S. Vice President – Franchising, 630-623-4646.

This Rewrite (New Term) Policy is not part of the Franchise Agreement. It is subject to change as McDonald's alone determines. Its application will differ depending upon the various facts and circumstances involved and it is not a contract right between the Owner/Operators and McDonald's.

This offer may not be accepted by any other person or entity or transferred by assignment, will, or operation of law, without the prior written consent of McDonald's.

Please note the franchise is issued to you individually. If you want to operate the restaurant business using an operating entity, you need to request an assignment of the franchise to your operating entity, including the name of your operating entity and the percentage breakdown of its equity ownership. McDonald's USA, LLC must approve any assignment of the franchise, which will *not* release you from any obligations under the franchise. For further information, refer to the *Basic Estate and Business Planning Booklet* on the Franchising page in AccessMCD (click on the Next Gen tab). You may wish to consult with your attorney regarding the advantages and disadvantages of forming an operating entity.

INITIAL FEE

RENT

The percentage rent for the new term franchise will be calculated in accordance with McDonald's rewrite rent policy in effect when the new franchise term begins. If McDonald's invests any additional money on your behalf outside of an institutional investment, this investment may increase the actual percentage rent and will be included in the new term franchise documents. If you have any questions regarding the rent, please contact your Regional Finance Director.

Alternate paragraph if leased site :

RENT

The percentage rent for the new term franchise will remain the same as the previous term unless McDonald's invests additional money on your behalf outside of an institutional investment. Any additional investment may increase the actual percentage rent for the new term franchise and will be included in the new term franchise documents. Additionally, any lease expense paid by McDonald's to the landlord which exceeds the average of lease costs generally over the previous 20 years (lease expense base line) will be passed through to you as an additional cost beginning in the new term franchise. Your lease expense base line has been established as _____. If you have any questions regarding the rent, please contact your Regional Finance Director.

If you have any questions regarding the rent, please contact your Regional Finance Director.

"Business Day" shall mean any day other than a Saturday, Sunday, or other day on which commercial banks in Chicago, Illinois are authorized or required to close under the laws of the State of Illinois or federal laws.

"Calculation Period" shall mean the period from, and including, the Effective Date to, but not including, the first Payment Date; and thereafter, for each successive period, the period from, and including, a Payment Date to, but not including, the next succeeding Payment Date.

"Effective Date" shall mean the date of this Note.

"Effective LIBO Rate" shall mean, with respect to each Calculation Period, the one month London Interbank Offered Rates as published in the Money Rates section of the *Wall Street Journal*. If on any Rate Setting Day Lender is unable to determine the Effective LIBO Rate or adverse or unusual conditions, or changes, in the applicable law relating to the London Interbank Market make it illegal or, in the reasonable judgment of Lender practicable to fund therein, or if it shall become unlawful for Lender to pay interest on a LIBO Rate basis, then in any of the foregoing events, Lender shall notify the undersigned of such event and interest will be calculated and payable for so long as the conditions referred to in this sentence shall continue at a substitute index rate designated by Lender after notice to Borrower.

"McDonald's" shall mean McDonald's Corporation, a Delaware corporation.

"Payment Date" shall mean the 18th day of each month, or if such day is not a Business Day, the next succeeding day that is a Business Day, unless such day would fall in the next calendar month, in which case such Payment Date shall be the next preceding Business Day; provided that the final Payment Date shall be the date of maturity of this Note.

Payments of principal and interest shall be made to Lender at 727 North Bank Lane, Lake Forest, Illinois 60045, or at such other place as Lender or any subsequent holder of this Note from time to time directs in writing. Payments shall be by

pre-authorized debits to Borrower's account pursuant to Part III hereof or such other method for payment designated by Lender from time to time including, but not limited to, preauthorized debits to an alternate account identified by Borrower. Payments received shall be first applied to fees and expenses, if any, then to accrued interest, and the balance to principal.

Borrower may prepay the whole or any part of the unpaid balance of principal and accrued interest under this Note on any Payment Date, without penalty or fee, on notice to Lender delivered not less than five (5) Business Days in advance of such Payment Date.

If as a result of any prepayment of principal outstanding under this Note (whether voluntary or involuntary as a result of an acceleration of the maturity hereunder or otherwise) on any day other than a Payment Date, Borrower shall reimburse Lender for any losses (including lost margins incurred by Lender in obtaining, liquidating or employing deposits from third parties) arising out of such prepayment, upon presentation by Lender of a statement setting forth the amount and Lender's calculation thereof pursuant hereto, which statement shall be deemed true and correct absent manifest error.

THE FAILURE OR FORBEARANCE OF LENDER OR ANY OTHER HOLDER OF THIS NOTE FOR ANY PERIOD OF TIME TO EXERCISE ANY RIGHT HEREUNDER, OR OTHERWISE GRANTED BY LAW OR ANOTHER AGREEMENT, SHALL NOT AFFECT OR RELEASE THE LIABILITY OF BORROWER OR ANY OTHER OBLIGOR HEREUNDER, AND SHALL NOT CONSTITUTE A WAIVER OF SUCH RIGHT UNLESS SO STATED BY LENDER OR SUCH OTHER HOLDER IN WRITING. Borrower agrees that Lender or any other holder shall have no responsibility for the collection or protection of any property securing this Note and may waive its rights with respect to any property or indebtedness. Borrower hereby waives (i) presentment of payment, notice of nonpayment, notice of dishonor, protest and all other demands and notices in connection with the delivery, acceptance, performance and enforcement of this Note, and (ii) the benefits of any law providing that the release of any one of any obligors for this Note releases all others otherwise liable for obligations outstanding hereunder.

Borrower agrees to pay normal closing costs of Lender, including reasonable attorney fees, in connection with the preparation of this Note and any related document, any amendments or novations thereto or thereof, and the collection or enforcement of this Note, including reasonable attorneys' fees.

This Note is secured by the Collateral, as defined in Part II herein. Borrower shall pay, or reimburse Lender, for any and all filing costs, documentary stamps and/or conveyance or transfer taxes or similar fees required to be paid in order to effectuate the filing of financing statements and/or security agreements allowing Lender to perfect its security for this Note.

All payments not made when due shall bear interest from the date each payment is due until the date payment is received by Lender, at Lender's option, at the Prime Rate, plus an additional four percent (4%) per annum but not less than eight and one-half percent (8.5%). Irrespective of the exercise or nonexercise of the foregoing option, in the event that any payment herein provided for shall become overdue for more than five (5) days, a "late charge" of five percent (5%) of the overdue payment shall, at Lender's option, become immediately due and payable to Lender as liquidated damages for failure to make prompt payment, and the same shall be secured by this Note.

This Note and any other indebtedness of Borrower to Lender, whether now existing or hereafter arising, are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration of the maturity of the indebtedness evidenced hereby or otherwise, shall the amount paid or agreed to be paid to Lender for the use or the forbearance of the indebtedness hereunder exceed the maximum permissible rate under applicable law ("Maximum Rate"). As used herein, the term "applicable law" shall mean the law in effect as of the date of this Note, provided however that in the event there is a change in the applicable law which results in a higher permissible rate of interest, then this Note shall be governed by such new law as of its effective date. If due to any circumstance whatsoever, fulfillment of any provisions of this Note at the time performance of such provision shall be due shall exceed the Maximum Rate, then, automatically, the obligation to be fulfilled shall be modified or reduced to the extent necessary to limit such interest to the Maximum Rate. If Lender should ever receive anything of value deemed interest by applicable law which would exceed the Maximum Rate, such excess shall be applied to the reduction of principal then outstanding and not to the payment of interest, or, if such excess exceeds the principal then outstanding, such excess shall be repaid to Borrower.

Borrower understands and agrees that in making the loan evidenced by this Note, Lender and McDonald's have agreed on certain matters with respect to such loan. Borrower further understands that McDonald's has executed a guaranty ("Guaranty") which guaranties Borrower's obligations under this Note and that in connection with the Guaranty, McDonald's will receive a Guaranty fee to be paid by Lender. Lender may, and Borrower hereby authorizes Lender to, release to McDonald's such information about Borrower and the loan evidenced hereby as Lender deems necessary or appropriate, including without limitation, Borrower's financial statements and any information relating to Borrower's performance under

this Note. McDonald's may release to Lender such information about Borrower or Borrower's affiliates and the Franchise (as hereinafter defined) or any other McDonald's franchise Borrower or Borrower's affiliates may own and operate. Lender may also condition its agreement to any waiver, modification or amendment with respect to this Note on obtaining McDonald's prior written consent. Lender may, without incurring any liability to Borrower, notify McDonald's of any Event of Default, as defined below, under this Note prior to notifying Borrower. McDonald's may, without incurring any liability to Borrower, notify Lender of any breach of the Franchise, prior to notifying Borrower. Lender shall not have any liability to Borrower as a result of any action taken or not taken by Lender with respect to the loan evidenced by this Note in accordance with the written instructions of a duly authorized officer, employee or agent of McDonald's. Borrower acknowledges that Lender's rights under Section 6.1 below shall include without limitation Lender's right to assign this Note to McDonald's at any time, whether or not there has occurred an Event of Default hereunder.

PART II: SECURITY AGREEMENT

All terms used and not otherwise defined in this Note shall have the meanings ascribed to such terms in the Uniform Commercial Code as adopted, and in effect from time to time, by the State of Illinois (the "UCC"). However, if a term is defined in Article 9 of the UCC differently than in another Article of the UCC, the term has the meaning specified in Article 9. For purposes of this Note, "Obligations" means all loans, advances, indebtedness, notes, liabilities and amounts, liquidated or unliquidated, owing by Borrower or any affiliate of Borrower to Lender at any time, each of every kind, nature and description, whether arising under this Note or otherwise, direct or indirect (that is, whether the same are due directly or indirectly to Lender as endorser or guarantor, or as obligor of obligations due to third persons which have been endorsed or assigned to Lender, or otherwise), absolute or contingent, due or to become due, now existing or hereafter arising or acquired, and shall also include all principal, interest and other charges due from Borrower or any affiliate of Borrower to Lender and all costs and expenses referred to in this Note.

For value received, Borrower hereby grants to Lender a security interest in certain property as described below. This security interest is granted to secure payment of Borrower's obligations to Lender as evidenced by this Note on the following terms and conditions:

1. Collateral.

1.1 Security Interest Grant. Borrower hereby grants to Lender, to secure the payment and performance in full of all of the Obligations, a security interest in and pledges and assigns to Lender the following properties, assets and rights of Borrower, where located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof (all of the same being hereinafter called the "Collateral"): all personal and moveable property of every kind and nature including, without limitation, all goods (including inventory, equipment, and any accessions thereto), instruments (including promissory notes), documents, accounts (including health-care insurance receivables), chattel paper (whether tangible or electronic), deposit accounts, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), commercial tort claims, securities and all other investment property, supporting obligations, any other contract rights or rights to the payment of money, insurance claims and proceeds, tort claims, and all general intangibles (including all payment intangibles). The Collateral does not include Borrower's right, title and interest in the Franchise, as defined below.

1.2 Location/Purpose. The Collateral will be kept at and used in the operation of the McDonald's restaurant businesses located at _____. These restaurant businesses, together with the License Agreement or Franchise Agreement and the Operator's Lease and any assignments pertaining thereto, will be referred to collectively as the "Franchise". Borrower agrees not to remove the Collateral from the Franchise premises except for purposes of repair or replacement in the normal course of business. In no event, however, will any such repair or replacement impair the value of the Collateral.

1.3 Inspection/Records. Upon reasonable notice and at any reasonable time prior to an Event of Default as defined herein (and, after Event of Default, without notice and at any time), Borrower will allow Lender to inspect the Collateral. Borrower will keep accurate and complete records identifying the Collateral which will be available to Lender upon request.

1.4 Maintenance. Borrower will maintain the Collateral in good condition; will repair or replace it, if necessary; and in general, deal with the Collateral in a manner that is considered good practice for a McDonald's restaurant business. Borrower will not knowingly use the Collateral in violation of any law, statute, ordinance or government regulation and will be responsible for payment of any taxes and/or assessments that may be imposed on the Collateral.

1.5 Insurance. Borrower agrees to maintain insurance on the Collateral with a responsible company in such amounts and against such risks and hazards as are normally insured against by similar McDonald's restaurant businesses.

Lender shall be named as an additional insured, or, alternatively, as loss payee under a lender loss payable endorsement in favor of Lender. Upon request, Borrower shall provide Lender with satisfactory evidence of insurance coverage.

1.6 Reimbursement of Lender. At its option, Lender may discharge taxes and other liens at any time levied or placed on the Collateral, and place and pay for insurance thereon. Borrower agrees to reimburse Lender on demand for any and all expenditures so made, and until paid the amount thereof shall be a debt secured by the Collateral. Lender shall have no obligation to Borrower to make any such expenditures, nor shall the making thereof relieve Borrower of any default.

2. Warranties, Representations and Covenants of Borrower.

2.1 Borrower warrants and represents to Lender that the following are true and correct on the date of this Note:

(a) Authorization. Borrower has full power and authority to enter into this Note which is a legal and binding obligation of Borrower and enforceable in accordance with its terms.

(b) No Breach of Other Agreements. The execution and performance of this Note have been duly authorized by appropriate corporate action, if necessary, and do not violate any material provision of any agreement of which Borrower is a party.

2.2 Borrower covenants as follows:

(a) Sale of Collateral. Borrower will not sell or otherwise transfer the Collateral without the prior written consent of Lender, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, Borrower shall be permitted to sell or otherwise dispose of Collateral in the ordinary course of business or when obsolete, worn out, inadequate or unnecessary for use in the operation of the Franchise, but only upon substituting other Collateral of equivalent value and utility.

(b) Further Assurances. Borrower agrees to deliver to Lender any additional documents that may reasonably be required to perfect the security interest granted herein. In addition, Borrower will execute and deliver to Lender any additional documents or writings and do all things requested by Lender to effectuate the provisions and intent of this Note, to correct any inaccurate information reflected herein (e.g., borrower's name and address), or to comply with applicable laws.

(c) Purpose of Loan. **This Note is issued in connection with a commercial transaction in which credit is being extended for general business purposes, including but not limited to (i) purchasing a building and any site and other improvements relating thereto which is used to operate a McDonald's restaurant, (ii) purchasing furniture, fixtures and equipment for the Franchise, (iii) financing the business of the Franchise, or (iv) refinancing any existing indebtedness incurred for any of the foregoing purposes. No portion of any proceeds of any advances made hereunder will be used for personal, family or household purposes.**

3. Events of Default. Upon the occurrence of any of the following events ("Event of Default"), at the option of Lender, or automatically without notice or any other action upon the occurrence of any event specified in Sections 3.4 or 3.5 below, the unpaid principal amount of this Note together with accrued interest and all other obligations owing by Borrower to Lender shall become immediately due and payable without presentment, demand, protest, or further notice of any kind, all of which are hereby expressly waived by Borrower:

3.1 Borrower shall fail to maintain sufficient funds in any automated clearing house deposit account to enable payment, or shall otherwise fail to make payment, of any installment of principal and/or interest or other amounts due and payable under this Note and such default remains uncured after the expiration of ten (10) days from receipt of notice of such default.

3.2 Any warranty or representation made by Borrower in this Note or any other writing delivered to Lender proves to have been false or inaccurate in any material respect when made. Borrower fails to perform or breaches any material provision or any covenant of this Note, and such failure or breach (with the exception of Section 2.2(a) herein as to which such failure or breach shall constitute an immediate default hereunder) is not cured by Borrower or waived in writing by Lender within ten (10) days after receipt by Borrower of written notice from Lender identifying the non-performance or breach.

3.3 Borrower violates any of the covenants or agreements contained in the Franchise.

3.4 The filing of any petition or the commencement of any proceeding by Borrower for relief under bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, debtor reorganization, or composition or extension.

3.5 The filing of any petition or the commencement of any involuntary proceeding against Borrower for relief under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization, or composition or extension.

3.6 Borrower hereby acknowledges and agrees that a default in the payment or performance of the obligations under this Note shall be deemed a material breach under the Franchise, allowing McDonald's to exercise all of its rights and remedies pursuant to said Franchise.

4. Remedies with Respect to Collateral. Upon the occurrence of an Event of Default, Lender may exercise the following remedies, at its option, and demand and notice are waived by Borrower.

4.1 Possession. Lender shall have the right to take possession of the Collateral in accordance with all applicable local and federal laws.

4.2 Collateral. Lender may sell any or all of the Collateral at public or private sale, provided that, except for sales to persons approved by McDonald's, prior to such a sale, Lender agrees to remove from the Collateral all trademark identification and all other identification of McDonald's, its subsidiaries and affiliates. The method, manner, time, place and terms of a sale pursuant to this section shall be commercially reasonable and shall be specified in a written notice from Lender to be received by Borrower at least five (5) days prior to such sale. Any proceeds from such a sale shall be applied by Lender to Borrower's obligations under this Note. The balance, if any, shall be returned to Borrower. Borrower shall remain liable for any deficiency.

4.3 Other Remedies. In addition, Lender shall have all rights and remedies available at law or in equity, all of which shall be cumulative.

5. Reporting Requirements. Borrower shall furnish to Lender:

5.1 Financial Statements. As soon as available, and in any event within ninety (90) days after the close of each fiscal year of Borrower, and at such other intervals as Lender may request from time to time, the balance sheets, income statements, and statements of cash flow of Borrower prepared by Borrower's independent accountants, which, if requested by Lender, shall be on a consolidating and consolidated basis and/or audited by certified public accountants satisfactory to Lender, together with an unqualified opinion by such certified public accountants regarding such statements.

6. Miscellaneous.

6.1 Successors and Assigns. This Note is binding upon and shall inure to the benefit of Borrower and Lender and their respective legal representatives, assigns and successors; provided, that Borrower shall have no right to assign its obligations hereunder without the prior written consent of Lender; and provided further, that Lender may sell, assign, transfer, or grant participations, in whole or in part, in this Note without the prior written consent of Borrower, and Borrower agrees that any such purchaser, assignee, or transferee shall be entitled to all rights, remedies and benefits of Lender in, to, and under this Note, and such purchaser, assignee, or transferee shall be and become the "Lender" hereunder for all purposes of this Note.

Notice to Lender shall be addressed to Lake Forest Bank & Trust Company, 727 North Bank Lane, Lake Forest, Illinois 60045, Attn: Sandra S. McCraren.

6.3 Severability. The provisions of this Note are severable, and if any provision of this Note shall be determined by a court of competent jurisdiction to be unenforceable such determination shall not affect the validity of any other provision of this Note.

6.4 Waiver. Lender's failure or delay in exercising any right, power, or privilege under this Note shall not preclude its exercise of any other or further right, power or privilege under this Note. Lender's waiver of any right, power, privilege, or default under this Note shall neither constitute a waiver of any right, power, privilege, or default, nor shall it

constitute a waiver of any future default of the same or of any other term of this Note. All rights and remedies in this Note are cumulative and not exclusive of any other legal rights or remedies. No waiver of Borrower's breach of any term or condition of this Note shall be effective unless in a writing signed by a duly authorized representative of Lender.

6.5 Governing Law. Borrower hereby acknowledges and agrees that this Note and the obligations hereunder are to be governed by and under the internal laws of the State of Illinois, without regard to its conflicts of law rules. Borrower agrees that any suit for the enforcement of this Note may be brought in the courts of the State of Illinois or any Federal Court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon Borrower by mail at Borrower's address specified herein. Borrower hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

6.6 Section Headings. The various headings used in this Note are inserted for convenience only and shall not affect the meaning or interpretations of this Note or any provision hereof.

6.7 Agency. Borrower acknowledges and agrees that all of the rights and remedies which may be exercised by Lender under this Note, and all demands and notices which may be given by Lender under this Note, may be exercised and/or given (as the case may be) by an agent appointed by Lender for such purposes and identified to Borrower in writing by Lender from time to time.

6.8 Waivers, Amendments, Discharges. No provision or term of this Note may be waived, amended or otherwise modified except by an agreement in writing signed by Lender in the case of a waiver, and, in the case of an amendment or other modification, by Lender and Borrower, and, in each case, consented to in writing by McDonald's, and any oral waiver, amendment or modification of any provision or term hereof shall be without authority and of no force and effect. Any such waiver, amendment or modification shall be effective only in the specific instances and for the purposes and to the extent therein specified.

6.9 JURY WAIVER. EACH OF BORROWER AND LENDER HEREBY IRREVOCABLY WAIVES TRIAL BY JURY AND AGREES THAT NEITHER, INCLUDING ANY ASSIGNEE OR SUCCESSOR, SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM, OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS NOTE AND OTHER RELATED AGREEMENTS, ANY COLLATERAL OR THE DEALINGS OR THE RELATIONSHIP BETWEEN OR AMONG THE PARTIES, OR ANY OF THEM. NEITHER BORROWER NOR LENDER WILL SEEK TO CONSOLIDATE ANY SUCH ACTION, IN WHICH A JURY TRIAL HAS BEEN WAIVED, WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY DISCUSSED BY THE PARTIES AND THESE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS. 3. Material Breach. Pursuant to the terms of the Note, a default under the Note is a material breach under the terms of the Franchise (as defined in the Note), entitling McDonald's to exercise all of its rights and remedies as set forth in the Franchise. Any amounts paid by McDonald's pursuant to the Guaranty shall become an accounts receivable balance owed to McDonald's by Franchisee. Presentment, demand, protest, notice of protest and dishonor are each waived by Franchisee.
4. Notice. Any notice required to be given under this Agreement shall be in writing and delivered in person or sent by certified or registered mail, postage prepaid. Notice to Franchisee and McDonald's shall be addressed as set forth in the Franchise, with a copy to Lender at: Lake Forest Bank & Trust Company, 727 North Bank Lane, Lake Forest, Illinois 60045, Attn: Sandra S. McCraren.
5. Assignment. This Agreement is binding upon and shall inure to the benefit of Franchisee and McDonald's and their respective legal representatives, assigns and successors; however, Franchisee shall have no right to assign this Agreement without the prior written consent of McDonald's.
6. Severability. The provisions of this Agreement are severable, and if any provision of this Agreement shall be determined by a court of competent jurisdiction to be unenforceable such determination shall not affect the validity of any other provision of this Agreement.
7. Waiver. McDonald's failure or delay in exercising any right, power, or privilege under this Agreement shall not preclude its exercise of any other or further right, power or privilege under this Agreement. McDonald's waiver of any right, power, privilege, or default under this Agreement shall neither constitute a waiver of any right, power, privilege, or default, nor shall it constitute a waiver of any future default of the same or of any other term of this Agreement. All rights and remedies in this Agreement are cumulative and not exclusive of any other legal rights or remedies. No alleged waiver of Franchisee's breach of any term or condition of this Agreement shall be effective unless in writing signed by a duly authorized representative of McDonald's.
8. Governing Law. Franchisee hereby acknowledges and agrees that this Agreement and the obligations hereunder are to be governed by and under the internal laws of the State of Illinois, without regard to its conflicts of law rules. Franchisee agrees that any suit for the enforcement of this Agreement may be brought in the courts of the State of Illinois or any Federal Court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon Franchisee by mail at the Franchise restaurant location(s). Franchisee hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit was brought in an inconvenient court.

9. Section Headings; Defined Terms. The various headings used in this Agreement are inserted for convenience only and shall not affect the meaning or interpretations of this Agreement or any provision hereof.

10. Waivers, Amendments, Discharges. No provision or term of this Agreement may be waived, amended or otherwise modified except by an agreement in writing signed by McDonald's in the case of a waiver, and, in the case of an amendment or other modification, by McDonald's and Franchisee, and any oral waiver, amendment or modification of any provision or term hereof shall be without authority and of no force and effect. STATE SPECIFIC ADDENDA

MINNESOTA ADDENDUM

The following language is in addition to Item 13 of the Franchise Disclosure Document:

McDonald's considers the trademarks, trade names, logo types, service marks and commercial symbols to be valuable property rights and continually protects against infringement of these assets. It protects franchisees against claims of infringement or unfair competition to which the franchisees might become subjected because of their authorized use of the trademarks, service marks, logo types or other commercial symbols in the United States.

The following language is in addition to Item 17 of the Franchise Disclosure Document:

Nothing in the Franchise Disclosure Document or the franchise agreement shall in any way abrogate or reduce any rights of the franchisee as provided for in Minnesota Statutes, Chapter 80C; or franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement; and that consent to the transfer of the franchise will not be unreasonably withheld.

NORTH DAKOTA ADDENDUM

The following language is in addition to Item 17 of the Franchise Disclosure Document:

Covenants not to compete such as those mentioned above generally are considered unenforceable in the state of North Dakota. However, we will seek to enforce them to the extent enforceable.

North Dakota law will govern with respect to claims arising under the North Dakota Franchise Investment Law.

WASHINGTON ADDENDUM

The following language is in addition to Item 17 of the Franchise Disclosure Document:

If any of the provisions in this Disclosure Document or the Franchise Agreement are inconsistent with the relationship provisions of Revised Code of Washington Section 19.100.180 or any other requirements of the Washington Franchise Investment Protection Act (the "Act"), then (if the Act applies by its terms) the provisions of the Act will prevail over the inconsistent terms of the Disclosure Document and agreement for any franchises sold in Washington. However, we and you agree to enforce the agreements' provisions to the extent the law allows.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (“Franchise”) made this 4th day of April, 2017, for the operation of a McDonald’s restaurant located at 16501 S. Center Pky, TUKWILA, WASHINGTON (the “Restaurant”) by and between:

McDONALD’S USA, LLC,

a Delaware limited liability company,

(“McDonald’s”)

and

Alia C. Abboud

(“Franchisee”)

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald’s and Franchisee agree as follows:

1. ***Nature and Scope of Franchise.***

(a) McDonald’s operates a restaurant system (“McDonald’s System”). The McDonald’s System is a comprehensive system for the ongoing development, operation, and maintenance of McDonald’s restaurant locations which have been selected and developed for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks, and trademarks, including the trade names “McDonald’s” and “McDonald’s Hamburgers,” designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald’s System is operated and is advertised widely within the United States of America and in certain foreign countries.

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator's Lease ("Lease") which is attached hereto as Exhibit A, incorporated in this Franchise.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service, and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable goodwill and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the Restaurant and its profits, and who will work full time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. ***Franchise Grant and Term.***

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks, and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and
- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on April 4, 2017, and end on April 3, 2037, unless terminated prior thereto pursuant to the provisions hereof.

3. ***General Services of McDonald's.*** McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee know-how, new developments, techniques, and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by operations consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights, and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. **Manuals.** McDonald's shall provide Franchisee with the business manuals prepared for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods, and policies contained in the business manuals, now and as they may be modified from time to time. Franchisee acknowledges that McDonald's or its affiliates own all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. **Advertising.** McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance, in writing, by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the

McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials, and all technical training tools, and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation, or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange, or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares, and merchandise, including sales of food, beverages, and tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal, or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Service Fee.** Franchisee shall pay a monthly service fee on or before the tenth (10th) day of the following month in an amount equal to four percent (4.0%) of the Gross Sales of the Restaurant for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to

time for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or, if there is no maximum rate permitted by law, then fifteen percent (15%). Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

9. **Initial Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Initial Fee of Forty-Five Thousand Dollars (\$45,000.00) paid by Franchisee to McDonald's; and (b) the fee has been earned by McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three (3) years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial and operating reports and other information as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report

required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records, and tax returns at all reasonable times to ensure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. **Restrictions.** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of eighteen (18) months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships, trusts, unincorporated associations, or joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out, or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark, or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and 11(b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. *Compliance With Entire System.* Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality, and appearance; and uniformity of facilities and service.

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices, and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, fixtures, equipment, signage, seating and decor, and parking area in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting, seating, signs, and other equipment in accordance with the equipment specifications and layout initially designated by McDonald's and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion or (ii) make any alterations, conversions, or additions to the building, equipment, or parking area;

(e) Make repairs or replacements required: (i) because of damage or wear and tear or (ii) in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven (7) days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design, and other specifications as McDonald's may designate from time to time; (ii) present a neat and clean appearance; and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins, other paper goods, and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments, and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment, and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state, and local laws, ordinances, and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then Alia C. Abboud shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **Interference With Employment Relations of Others.** During the term of this Franchise, Franchisee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such

employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six (6) months.

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of paragraph 15(d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event, McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** Upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a

Stockholders Agreement in the form prescribed by McDonald's, McDonald's shall consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in paragraphs 15(a) and 15(d) herein.

(c) First Option to Purchase. Franchisee or Franchisee's representative shall, at least twenty (20) days prior to the proposed effective date, give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to paragraph 15(d). The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) Other Assignment. In addition to any assignments or contingent assignments contemplated by the terms of paragraphs 15(a) and 15(b), Franchisee shall not sell, transfer, or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants, and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee and each transferor shall continue to remain personally liable for all affirmative obligations, covenants, and agreements

contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this paragraph 15(d), the percentage service fee charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. ***Franchisee Not an Agent of McDonald's.*** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures, or real property connected therewith, and for all claims or demands based on damage or destruction of property or based on injury, illness, or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. ***Insurance.*** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000/\$500,000/\$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with coverage and limits as approved by McDonald's.

(b) Commercial general liability insurance in a form approved by McDonald's with a limit of \$5,000,000 per occurrence/\$5,000,000 aggregate.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests

may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration date of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days prior written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but is not obligated to, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's, by placement of the required minimum insurance, assumes no responsibility for premium expense nor guarantees payment for any losses sustained by Franchisee.) McDonald's may relieve itself of all obligations with respect to the purchase and administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category equal to or greater than IX and Policyholders Rating of "A+" or "A", as assigned by Alfred M. Best and Company, Inc., unless otherwise approved by McDonald's.

18. **Material Breach.** The parties agree that the happening of any of the following events shall constitute a material breach of this Franchise and violate the essence of Franchisee's obligations and, without prejudice to any of its other rights or remedies at law or in equity, McDonald's, at its election, may terminate this Franchise upon the happening of any of the following events:

(a) Franchisee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Franchisee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether permanent or temporary, for all or substantially all of Franchisee's property, shall be appointed by any court, or Franchisee shall make a general assignment for the benefit of

creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Franchisee and shall not be dismissed within thirty (30) days thereafter;

(c) Any payment owing to McDonald's is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000.00 against Franchisee or any lien in excess of \$5,000.00 against Franchisee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Franchisee shall cause, suffer, or permit (voluntarily or involuntarily) Franchisee's right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Franchisee shall acquire any interest in a business in violation of paragraph 11(a);

(g) Franchisee shall duplicate the McDonald's System in violation of paragraph 11(c);

(h) Franchisee shall make or cause a disclosure of any portion of the McDonald's System in violation of paragraph 11(d) or shall make or cause a disclosure of part of the McDonald's System business manuals;

(i) Franchisee shall violate paragraph 11(e) by use of any name, trademark, service mark, or other intellectual property right exceeding the restrictions of said paragraph 11;

(j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

(k) Any assignment or other transfer of any interest of the Franchisee in this Franchise shall occur in violation of paragraph 15(d) herein;

(l) Franchisee shall deny McDonald's the right to inspect the Restaurant at reasonable times;

(m) Franchisee shall fail to make or make repeated delays in the prompt payment of undisputed invoices from suppliers or in the remittance of payments as required by this Franchise;

(n) Franchisee makes any misrepresentations to McDonald's relating to the acquisition and/or ownership of this Franchise;

(o) Franchisee engages in public conduct which reflects materially and unfavorably upon the operation of the Restaurant, the reputation of the McDonald's System, or the goodwill associated with the McDonald's trademarks; provided that engaging in legitimate political activity (including testifying, lobbying, or otherwise attempting to influence legislation) shall not be grounds for termination;

(p) Franchisee is convicted of, pleads guilty or no contest to a felony, or any other crime that is reasonably likely to adversely affect the McDonald's System, the Restaurant, or the goodwill associated with the McDonald's trademarks; or

(q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. ***Other Breaches.*** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. ***Effect of Termination.***

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment, other property, or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice of its intention to purchase said property at least thirty (30) days prior to such date of termination, have the option to purchase Franchisee's furniture, fixtures, signs, equipment, other property, and leasehold improvements or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall:

- (i) forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions, or business practices;
- (ii) discontinue the use of the McDonald's System and its associated trade names, service marks, and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them;
- (iii) not disclose, reveal, or publish all or any portion of the McDonald's System; and
- (iv) not thereafter use any trade name, service mark, or trademark similar to or likely to be confused with any trade name, service mark, or trademark used at any time in the McDonald's System.

21. **Effect of Waivers.** No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. **Notices.** Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **ONE McDONALD'S PLAZA, OAK BROOK, ILLINOIS 60523**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. **Cost of Enforcement.** If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. **Indemnification.** If McDonald's shall be subject to any claim, demand, or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee or Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs, and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating to such claim, litigation, or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. **Construction and Severability.** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. **Scope and Modification of Franchise.** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. Nothing in this Franchise or in any related agreement, however, is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee. No interpretation, change, termination, or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer or franchising director of McDonald's, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge, or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge, or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken, and has had an opportunity to consult with Franchisee's attorney with respect thereto at least seven (7) calendar days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant and has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected," or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements and representations respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise; however, nothing in this Franchise or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document furnished to Franchisee;

(g) McDonald's or its affiliates are the sole owner(s) of the trademarks, trade names, service marks, and goodwill associated therewith, respectively, and Franchisee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by McDonald's;

(h) No future franchise or offers of franchises for additional McDonald's restaurants, other than this Franchise, have been promised to Franchisee and any other franchise offer shall only be in writing, executed by an officer or franchising director of McDonald's, and identified as a Franchise Agreement or Rewrite (New Term) Offer Letter;

(i) Neither McDonald's nor anyone acting on its behalf has made any representations, inducements, promises, or agreements, orally or otherwise, respecting the subject matter of this Franchise, which is not embodied herein or set forth in the Franchise Disclosure Document;

(j) This Franchise is offered to Franchisee personally and to no others, and may not be accepted by any other person, partnership, or corporation, or transferred by assignment, will, or operation of law; and

(k) In recognition of the requirements of the Washington Franchise Investment Protection Act (the "Act") and the rules and regulations promulgated thereunder, this Franchise shall be modified as follows:

The State of Washington has a statute, RCW 19.100.180, which might supersede this Franchise in Franchisee's relationship with McDonald's, including the areas of termination and renewal of this Franchise. There also might be court decisions which supersede this Franchise in Franchisee's relationship with McDonald's, including the areas of termination and renewal of this Franchise.

In the event of a conflict of laws, to the extent required by the Act, the provisions of the Act, Chapter 19.100 RCW, shall prevail.

To the extent required by the Act, a release or waiver of rights executed by a franchisee shall not include rights under the Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act, such as a right to a jury trial, might not be enforceable; however, McDonald's and Franchisee agree to enforce them to the maximum extent the law allows.

IN WITNESS WHEREOF, the parties hereto set their hands and seals, in duplicate, the day and year in this instrument first above written.

LICENSE AGREEMENT

THIS AGREEMENT made this 16th day of October 19 73 by and between: o

McDONALD'S SYSTEM, INC.

a n Illinois corporation,

("Licensor")

and

RAY EDDY

J. M. EDDY

("Licensee")

WITNESSETH:

WHEREAS:

A. McDonald's Corporation, a Delaware corporation ("McDonald's") has developed and operates a restaurant system ("McDonald's System"). The McDonald's System includes proprietary rights in certain valuable trade names, service marks and trademarks, including the trade names "McDonald's" and "McDonald's Hamburgers," designs and color schemes for restaurant buildings, signs, equipment, layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald's System is operated and is advertised widely within the United States of America and in certain foreign countries.

B. Licensor holds the right to grant licenses for the adoption and use of the McDonald's System at the location hereafter described.

C. Licensee desires to acquire the right to adopt and use the McDonald's System in a restaurant at the location specified in this License.

THEREFORE, in consideration of the privilege of conducting a restaurant business under this License, and the mutual obligations contained herein, the parties agree as follows:

1. *Interpretation.* The McDonald's System is a comprehensive restaurant system for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families. The foundation of the McDonald's System and the essence of this License is the adherence by Licensee to

standards and policies of Licensor providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to Licensor's prescribed standards of quality, service and cleanliness in Licensee's restaurant operation. Compliance by Licensee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable good will and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with the Licensee in the conduct of his McDonald's restaurant business, his accountability for performance of the obligations contained in this License, and his adherence to the tenets of the McDonald's System constitute the essence of this License.

(a) The provisions of this License shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the restaurant specified in this License shall be operated in conformity to the McDonald's System through strict adherence to Licensor's standards and policies as they exist now and as they may be from time to time modified.

(b) Licensee acknowledges his understanding of Licensor's basic business policy that Licensor will grant licenses only to those individuals who live in the locality of their McDonald's restaurant, actually own the entire equity interest in the business of the restaurant and its profits, and who will work full time at their McDonald's restaurant business. Licensee represents, warrants, and agrees that he actually owns the complete equity interest in this License and the profits from the operation of the Restaurant, and that he shall maintain such interest during the term of this License except only as otherwise permitted pursuant to the terms and conditions of this License. Licensee agrees to furnish Licensor with such evidence as Licensor may request, from time to time, for the purpose of assuring Licensor that Licensee's interest remains as represented herein.

2. License Grant and Term

(a) Licensor grants to Licensee for the following stated term the right, license, and privilege ("License"):

(i) to adopt and use the McDonald's System in the Restaurant constructed or to be constructed at 224 Hwy. #436 in the City of ALTAMONTE SPRINGS, FLORIDA

_____ (the "Restaurant") and at that location only, and

(ii) to advertise to the public that he is a licensee of Licensor, and

(iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System.

(b) The term of the License shall end twenty (20) years from the opening date of Restaurant, but in no event later than October 15, 1994.

3. *General Services of Licensor.* Licensor shall advise and consult with Licensee periodically in connection with the operation of the Restaurant and also, upon Licensee's request, at other reasonable times. Licensor shall communicate to Licensee its know-how, new developments, techniques and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by Field Consultants, printed and filmed reports, seminars, and newsletter mailings. Licensor shall also make available to Licensee all additional services, facilities, rights and

privileges which Licensor makes generally available, from time to time, to all its licensees operating McDonald's restaurants.

4. *Manuals.* Licensor shall provide Licensee with the business manuals prepared by McDonald's for use by licensees of McDonald's restaurants similar to the Restaurant to be operated by Licensee. The business manuals contain detailed information relating to operation of the Restaurant including (a) food formulas and specifications for designated food and beverage products; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management, advertising, and personnel policies. Licensee agrees to promptly adopt and use exclusively the formulas, methods and policies contained in the business manuals, now and as they may be modified by Licensor from time to time. Licensee acknowledges that McDonald's is the owner of all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of Licensor, Licensee shall not disclose the contents of the business manuals to any person, except employees of Licensee for purposes related solely to the operation of the Restaurant, nor shall Licensee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of Licensee's Restaurant. Such manuals, as modified by Licensor from time to time and the policies contained therein, are incorporated in this License by reference.

5. *Advertising.* Licensor employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Licensee shall use only advertising and promotional materials and programs provided by Licensor or approved in advance by Licensor. Neither the approval by Licensor of Licensee's advertising and promotional material nor the providing of such material by Licensor to Licensee shall, directly or indirectly, require Licensor to pay for such advertising or promotion.

Licensee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of his Gross Sales (as that term is defined in Paragraph 7) for such year. Expenditures by Licensee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. *Training.* Licensor shall make available to Licensee the services of Hamburger University, the international training center for the McDonald's System. Licensee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll himself and his managers, present and future, at Hamburger University or at such other training center as may be designated by Licensor from time to time. Licensor shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials and all technical training tools and agrees to provide to Licensee both basic and advanced instruction for the operation of a McDonald's System restaurant. Licensee shall pay all traveling, living, compensation or other expenses incurred by Licensee and his employees in connection with attendance at Hamburger University or such other training centers.

7. *Gross Sales.* For the purposes of this Agreement, the term "Gross Sales" shall mean all revenues from sales of the Licensee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares and merchandise, including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise and for services performed from or at the Restaurant, together with the amount of all orders

taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that they shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein, and actually paid by the Licensee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Licensee shall receive payment (whether full or partial) therefor.

8. *Service Fee.* In consideration of Licensor's services, Licensee shall pay a semi-monthly service fee on or before the 1st and 16th day of each month in an amount equal to three percent (3%) of the Gross Sales of the Restaurant for the respective preceding half-month periods immediately ended. Delinquent service fees shall bear simple interest at the highest interest rate allowed by law after the respective due dates thereof until paid.

9. *License Fee.* Licensee acknowledges that: (a) the initial grant of this License constitutes the sole consideration for the payment of a License fee of Ten Thousand Dollars (\$10,000.00) paid by Licensee to Licensor; and (b) the fee has been earned by Licensor (except where the construction of the Restaurant has not been completed within one year from the date of the execution and delivery of this License). If the Restaurant has not been constructed or is not ready for occupancy at the time of the execution of this License, Licensor shall use its best efforts to expedite the construction and lease of the Restaurant to Licensee. However, Licensor shall not be liable to Licensee in any manner for any delays in or lack of completion of such construction for any reason. Licensor shall be under no obligation to enforce performance or to seek other remedies for non-performance of any lease, clause, or contract necessary for the construction of the Restaurant and reserves the right, in case construction of the Restaurant should be abandoned, the lease assigned, or other interest in the premises be relinquished, to terminate this License upon reimbursement to Licensee of the License Fee. At such time as the Restaurant is completed and ready for occupancy the License Fee shall be deemed to be earned. If Licensee shall not be offered a lease for the Restaurant within one year from the date of this License Agreement, Licensee shall have the right to terminate this License and obtain an immediate refund of the License Fee upon written request to Licensor.

10. *Reports.* On or before the 1st and 16th day of each month, Licensee shall render to Licensor a statement, in such form as Licensor shall reasonably require from time to time, of all receipts from the operation of the restaurant for the respective preceding half-month periods immediately ended. On or before the twenty-fifth (25th) day of each month Licensee shall submit to Licensor an operating statement and a statistical report for the previous month in form satisfactory to Licensor. Licensee shall keep and preserve full and complete records of Gross Sales for at least two years in a manner and form satisfactory to Licensor and shall also deliver such additional financial, operating and other information and reports as Licensor may reasonably request on the forms and in the manner prescribed by Licensor. Licensee further agrees to submit within ninety (90) days following the close of each fiscal year of his Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year. The profit and loss statement and the balance sheet shall, if Licensor shall request certification, be certified by a certified public accountant. Licensee shall at his expense cause his public accountant and certified public

accountant, if any, to consult with Licensors concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's corporation business office in Oak Brook, Illinois, with a copy thereof to Licensors at the address indicated in paragraph 22, herein.

Licensors shall have the right to inspect and audit Licensee's accounts, books, records and tax returns at all reasonable times to insure that Licensee is complying with the terms of this License. If such inspection discloses that Gross Sales actually exceeded the amount reported by Licensee as his Gross Sales by an amount equal to three per cent (3%) or more of Gross Sales originally reported to Licensors, Licensee shall bear the cost of such inspection and audit.

11. *Restrictions.* Licensee agrees and covenants as follows:

(a) During the term of this License, Licensee shall not, without the prior written consent of the Licensors, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships or trusts, unincorporated associations and joint ventures) in, or become a landlord for any restaurant business which is similar to the Restaurant operated by the Licensee.

(b) Licensee shall not for a period of 18 months after termination of this License for any reason, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships or trusts, unincorporated associations and joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant operated by the Licensee within a ten mile radius of said Restaurant.

(c) Licensee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out or other similar restaurant business.

(d) Licensee shall not disclose or reveal any portion of the McDonald's System to a non-licensee other than to his Restaurant employees as an incident of their training.

(e) Licensee shall acquire no right to use, or to license the use of, any name, mark or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11 (a) and (b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. *Compliance with Entire System.* Licensee acknowledges that every component of the McDonald's System is important to Licensors and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality and appearance; and uniformity of facilities and service.

Licensors shall have the right to inspect the Restaurant at all reasonable times to ensure that Licensee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Licensee shall comply with the entire McDonald's System, including but not limited to the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices and procedures imposed by Licensors; serve at the Restaurant only those food and beverage products now or hereafter designated by Licensors; and maintain the building, equipment, and parking area, in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by Licensors;

(b) Purchase kitchen fixtures, lighting and other equipment, seating, and signs in accordance with the equipment specifications and layout initially designated by Licensors, and, promptly after

notice from Licensor that the Restaurant premises are ready for occupancy cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by Licensor;

(d) Licensee shall not, without the prior written consent of Licensor: (i) make any building design conversion, or (ii) make any alterations, conversions, or additions to the building, equipment or parking area;

(e) Make repairs or replacements required because of damage, wear and tear, or in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven days per week throughout the year and at least during the hours from 11:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by Licensor (except when the Restaurant is untenable as a result of fire or other casualty), and maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Licensee, while working in the Restaurant, to: (i) wear uniforms of such color, design and other specifications as Licensor may designate from time to time, (ii) present a neat and clean appearance, and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins and other paper goods and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards, and (ii) use only those flavorings, garnishments and food and beverage ingredients which meet the McDonald's System specifications and quality standards, which Licensor may designate from time to time, and (iii) to employ only those methods of food handling and preparation which Licensor may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Licensee on his purchase of fixtures, signs, equipment and food and paper supplies;

(k) At his own expense, comply with all federal, state and local laws, ordinances and regulations affecting the operation of the Restaurant.

13. *Best Efforts.* Licensee shall diligently and fully exploit his rights in this License by personally devoting his best efforts and, in case more than one individual has executed this License as the Licensee, at least one individual Licensee shall devote his full time and best efforts to the operation of the Restaurant. Licensee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. *Interference with Employment Relations of Others.* During the term of this License, Licensee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, the Licensor, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six months.

15. *Assignment.* Without the prior written consent of Licensor, Licensee's interest in the License shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) *Death or Permanent Incapacity of Licensee.* Upon the death or permanent incapacity of Licensee, the interest of Licensee in this License may be assigned either pursuant to the terms of sub-paragraph (d) herein or to one or more of the following persons: Licensee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) If, in the sole discretion of Licensor, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this License, and (ii) if such person shall also execute an Agreement by which he personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this License to the same extent as the original Licensee. If, in Licensor's sole discretion, such person cannot devote his full time and efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this License, Licensor shall have an option to operate and/or manage the Restaurant for the account of Licensee or of his estate until the deceased or incapacitated Licensee's interest is transferred to another party acceptable to Licensor in accordance with the terms and conditions of this License. However in no event shall such Licensor's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Licensee or his estate. In the event that Licensor so operates and/or manages the Restaurant, Licensor shall make a complete account to and return the net income from such operation to the Licensee or to his estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to Licensor has not taken place within twelve (12) months from the date that Licensor has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Licensee, then, in that event McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) *Assignment to Licensee's Corporation.* Licensor shall, upon Licensee's compliance with such requirements as may from time to time be prescribed by Licensor, including a Stockholders Agreement in the form prescribed by McDonald's, consent to an assignment to a corporation whose shares are wholly owned and controlled by Licensee. The corporate name of the corporation shall not include any of the names or trademarks granted by this License. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in sub-paragraph (a) and (d) herein.

(c) *First Option to Purchase.* Licensee or his representative shall give Licensor twenty (20) days notice in writing of intent to sell or otherwise transfer his License pursuant to sub-paragraph (d) of this paragraph. The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. Licensor shall have the first option to purchase the Restaurant by giving written notice to Licensee of its intention to purchase on the same terms as the offer within ten (10) days following Licensor's receipt of such notice. However, if Licensor fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, Licensor shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) *Other Assignment.* In addition to any assignments or contingent assignments contemplated by the terms of sub-paragraphs (a) and (b) of this paragraph 15, Licensee shall not sell, transfer or assign this License to any person or persons without Licensor's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, Licensor shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as Licensor shall

then apply. On the case of an application for a new License to operate a McDonald's Restaurant, Licensor's consent shall also be conditioned each upon such transferee's execution of an Agreement by which he personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all obligations, covenants and agreements contained in this License to the same extent as if he had been an original party to this License. Licensee-transferor shall continue to remain personally liable for all affirmative obligations, covenants and agreements contained herein for the full term of this License or for such shorter period as Licensor may, in its sole discretion, determine. Upon each assignment or other transfer of this License to any person or persons under the terms and conditions of this sub-paragraph 15(d), the percentage service fee charge owing to Licensor after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge required under new Licenses issued by Licensor for similar McDonald's restaurants at the time of such assignment or transfer.

16. *Licensee not an Agent of Licensor.* Licensee shall have no authority, express or implied, to act as agent of Licensor, McDonald's, or any of their affiliates for any purpose. Licensee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures or real property connected therewith and for all claims or demands based on damage or destruction of property or based on injury, illness or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant.

17. *Insurance.* Licensee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to Licensee, and in any event, Licensee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Employer's Liability and Workmen's Compensation as prescribed by law in the state in which the Restaurant is located;

(b) Comprehensive general liability coverage on an occurrence basis from a reputable insurance company having assets in excess of one half billion dollars (\$500,000,000) or other insurer approved by Licensor with at least a \$500,000 single limit coverage on the following risks:

Bodily injury to or death of one or more persons	Damage or destruction to property of customers and others	Products liability
---	--	--------------------

Licensee shall name the Licensor as co-insured and shall furnish Licensor with duplicate policies or certificates evidencing insurance in force as required herein prior to taking possession of the Restaurant. Evidence of payment of premiums shall be delivered to Licensor at least thirty (30) days prior to the expiration dates of each existing insurance policy. Licensee may, from time to time, authorize Licensor to acquire and to administer the required minimum insurance coverage on Licensee's behalf. In such event, Licensor shall have no obligation to assume any premium expense and nothing in this License shall be deemed, directly or indirectly, to constitute a guarantee by Licensor of any losses sustained by Licensee. Licensor may relieve itself of all duties with respect to the administration of such required insurance coverage by giving ten (10) days' written notice to Licensee.

18. *Material Breach.* The parties agree that the happening of any of the following events shall constitute a material breach of this License and violate the essence of Licensee's obligations, and, without prejudice to any of its other rights or remedies at law or in equity, Licensor at its election, may terminate this License upon the happening of any of the following events:

(a) Licensee shall fail to maintain and operate the Restaurant in a good, clean, wholesome manner and in compliance with the standards prescribed by the McDonald's System;

(b) Licensee shall be adjudicated a bankrupt, become insolvent, or a receiver, whether

permanent or temporary, for all or substantially all of Licensee's property, shall be appointed by any court, or Licensee shall make a general assignment for the benefit of his creditors, or a voluntary or involuntary petition under any bankruptcy law shall be filed with respect to Licensee and shall not be dismissed within thirty (30) days thereafter;

(c) Any service fee owing to Licensor is not paid within thirty (30) days after the date such payment is due;

(d) Any judgment or judgments aggregating in excess of \$5,000 against Licensee or any federal, state or local tax lien in excess of \$5,000 against Licensee's property shall remain unsatisfied or unbonded of record in excess of thirty (30) days;

(e) Licensee shall cause, suffer or permit (voluntarily or involuntarily) his right of possession as lessee or sublessee of the premises on which the Restaurant is located to be terminated prematurely for any cause whatever;

(f) Licensee shall acquire any interest in a business in violation of sub-paragraph 11 (a);

(g) Licensee shall duplicate the McDonald's System in violation of sub-paragraph 11 (c);

(h) Licensee shall make or cause a disclosure of any portion of the McDonald's System in violation of sub-paragraph 11 (d) or shall make or cause a disclosure of part of the McDonald's System business manuals.

(i) Licensee shall violate sub-paragraph 11 (e) by use of any name, trademark, service mark, or other intellectual property right of McDonald's exceeding the restrictions of said paragraph 11.

(j) Licensee shall knowingly sell food or beverage products other than those designated by Licensor or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by Licensor, or fail to sell products designated by Licensor.

(k) Any assignment or other transfer of any interest of the Licensee in this License shall occur in violation of sub-paragraph 1 (b) or paragraph 15 herein.

(l) Licensee shall deny the Licensor the right to inspect the Restaurant at reasonable times.

(m) Licensee shall fail to or make repeated delays in the prompt payment of undisputed invoices from his suppliers or in the remittance of rent and services fees as required in his Lease and License.

19. *Other Breaches.* If Licensee fails in the performance of any of the terms and conditions of this License (other than performance of the terms and conditions listed in paragraph 18), he shall be guilty of a breach of this License which shall not (except in the case of repeated breaches of the same or of different terms and conditions of the License) constitute grounds for termination of the License. Licensor shall have the right to seek judicial enforcement of its rights and remedies including and not by way of limitation, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this License (whether of paragraph 18 or 19) shall be sufficient reason for Licensor to withhold approval of its consent to any assignment or transfer of Licensee's interest in the License provided for by this Agreement.

20. *Effect of Termination.*

(a) In the event of any material breach of this License, Licensor shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect Licensor's interest.

(b) Upon termination of this License due to any breach or breaches, Licensee shall not, without the prior written consent of Licensor, remove any furniture, fixtures, signs, equipment or other property or leasehold improvements from the premises either prior to or for a period of thirty

termination to purchase Licensee's furniture, fixtures, signs, equipment, leasehold improvements and other property or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by Licensor for "good will" or other intangible assets of Licensee.

(c) Upon termination of this License due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Licensee shall not remove any furniture, fixtures, signs, equipment and other property or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. Licensor shall, upon written notice at least thirty days prior to such date of termination of Licensor's intention to purchase said property, have the option to purchase Licensee's furniture, fixtures, signs, equipment and other chattels or any portion thereof for a sum equal to the fair market value of such physical property. In the event of such a termination, there shall be no payment by Licensor for "good will" or other intangible assets of Licensee.

(d) Upon termination or expiration of the License, Licensee shall forthwith return to Licensor the business manuals furnished to him, together with all other material containing trade secrets, operating instructions or business practices; discontinue the use of the McDonald's System and its associated trade names, service marks and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; not disclose, reveal or publish all or any portion of the McDonald's System; and Licensee shall not thereafter use any trade name, service mark or trademark similar to or likely to be confused with those of Licensor.

21. *Effect of Waivers.* No waiver by Licensor or any breach or a series of breaches of this License shall constitute a waiver of any subsequent breach or waiver of the terms of this License.

22. *Notices.* Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Licensee at the Restaurant or to Licensor at 1 McDonald's Plaza
Oak Brook, IL 60521

Either party, by a similar written notice, may change the address to which notices shall be sent.

23. *Cost of Enforcement.* If Licensor institutes any action at law or in equity against Licensee to secure or protect Licensor's rights under or to enforce the terms of this License, in addition to any judgment entered in its favor, Licensor shall be entitled to recover such reasonable attorney's fees as may be allowed by the court together with court costs and expenses of litigation.

24. *Indemnification.* If Licensor shall be subject to any claim, demand or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Licensee, his employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Licensee shall indemnify and hold Licensor harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs and other expenses of litigation or administrative proceeding, incurred by or imposed on Licensor in connection with the investigation or defense relating to such claim or litigation or administrative proceeding and, at the election of Licensor, Licensee shall also defend Licensor.

25. *Construction and Severability.* All references in this License to the singular shall include the plural where applicable, and all references to the masculine shall include the feminine and vice-versa. Either reference shall include the feminine. If any part of this License for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this License shall be stricken or declared invalid, Licensor reserves the right to terminate this License.

26. *Scope and Modification of License.* This License (including any appendices hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. No interpretation, change, termination or waiver of any of the provisions hereof shall be binding upon Licensor unless in writing signed by an officer of Licensor or its Licensing Director. No modification, waiver, termination, rescission, discharge or cancellation of this License shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge or cancellation.

27. *Governing Laws.* The terms and provisions of this License shall be interpreted in accordance with and governed by the laws of the State of Illinois.

28. *Acknowledgement.* Licensee acknowledges that:

(a) The term of this License is for a single twenty (20) year term with no promise or representation as to the renewal of this License or the grant of a new License;

(b) Licensee hereby represents that he has received a copy of this License and has had an opportunity to consult with his attorney with respect thereto at least five (5) days prior to his execution thereof;

(c) No representation has been made by Licensor as to the future profitability of the Restaurant;

(d) Prior to the execution of this License, Licensee has worked at a McDonald's restaurant, has had ample opportunity to contact existing licensee's of Licensor and to investigate all representations made by Licensor relating to the McDonald's System;

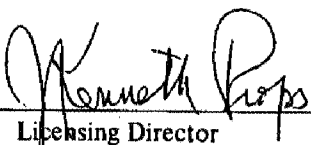

(e) That this License establishes a Restaurant at the location specified in sub-paragraph 2 (a) (i) only and that no "exclusive," "protected" or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) That this License supersedes any and all other agreements, representations, respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this License;

(g) That McDonald's is the sole owner of the trademarks, trade names, service marks and good will associated therewith, and Licensee acquires no right, title, or interest in those names and marks other than the right to use them only in the manner and to the extent prescribed and approved by Licensor.

EXHIBIT 16

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT ("Franchise") made this 13th day of February, 1998, for the operation of a McDonald's restaurant located at 2611 West Harrison, OLYMPIA, WASHINGTON (the "Restaurant") by and between:

MCDONALD'S CORPORATION,

a Delaware corporation,

("McDonald's")

and

Rodger L. Berryman

Laurie Berryman

(collectively "Franchisee")

for the purpose of granting the Franchisee the rights necessary to operate the Restaurant.

In consideration of the mutual rights and obligations contained herein McDonald's and Franchisee agree as follows:

1. *Nature and Scope of Franchise.*

(a) McDonald's has developed and operates a restaurant system ("McDonald's System"). The McDonald's System is a comprehensive system for the ongoing development, operation and maintenance of McDonald's restaurant locations which have been selected and developed by McDonald's for the retailing of a limited menu of uniform and quality food products, emphasizing prompt and courteous service in a clean, wholesome atmosphere which is intended to be attractive to children and families and includes proprietary rights in certain valuable trade names, service marks and trademarks, including the trade names "McDonald's" and "McDonald's Hamburgers," designs and color schemes for restaurant buildings, signs, equipment layouts, formulas and specifications for certain food products, methods of inventory and operation control, bookkeeping and accounting, and manuals covering business practices and policies. The McDonald's System is operated and is advertised widely within the United States of America and in certain foreign countries.

(b) McDonald's holds the right to authorize the adoption and use of the McDonald's System at the Restaurant. The rights granted to the Franchisee to operate the Restaurant are set forth in this Franchise, including the Operator's Lease ("Lease") which is attached hereto as Exhibit A, incorporated herein and hereby made a part hereof.

(c) The foundation of the McDonald's System and the essence of this Franchise is the adherence by Franchisee to standards and policies of McDonald's providing for the uniform operation of all McDonald's restaurants within the McDonald's System including, but not limited to, serving only designated food and beverage products; the use of only prescribed equipment and building layout and designs; strict adherence to designated food and beverage specifications and to McDonald's prescribed standards of Quality, Service and Cleanliness in the Restaurant operation. Compliance by Franchisee with the foregoing standards and policies in conjunction with the McDonald's trademarks and service marks provides the basis for the valuable good will and wide family acceptance of the McDonald's System. Moreover, the establishment and maintenance of a close personal working relationship with McDonald's in the conduct of Franchisee's McDonald's restaurant business, Franchisee's accountability for performance of the obligations contained in this Franchise, and Franchisee's adherence to the tenets of the McDonald's System constitute the essence of this Franchise.

(d) The provisions of this Franchise shall be interpreted to give effect to the intent of the parties stated in this paragraph 1 so that the Restaurant shall be operated in conformity to the McDonald's System through strict adherence to McDonald's standards and policies as they exist now and as they may be from time to time modified.

(e) Franchisee acknowledges Franchisee's understanding of McDonald's basic business policy that McDonald's will grant franchises only to those individuals who live in the locality of their McDonald's restaurant, actually

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

own the entire equity interest in the business of the Restaurant and its profits, and who will work full-time at their McDonald's restaurant business. Franchisee represents, warrants, and agrees that Franchisee actually owns the complete equity interest in this Franchise and the profits from the operation of the Restaurant, and that Franchisee shall maintain such interest during the term of this Franchise except only as otherwise permitted pursuant to the terms and conditions of this Franchise. Franchisee agrees to furnish McDonald's with such evidence as McDonald's may request, from time to time, for the purpose of assuring McDonald's that Franchisee's interest remains as represented herein.

(f) Franchisee agrees to pay to McDonald's all required payments under this Franchise, including, without limitation, the payments set forth in paragraphs 8 and 9 herein and paragraph 3.01 of the Lease. All payments hereby required constitute a single financial arrangement between Franchisee and McDonald's which, taken as a whole and without regard to any designation or descriptions, reflect the value of the authorization being made available to the Franchisee by McDonald's in this Franchise and the services rendered by McDonald's during the term hereof.

2. Franchise Grant and Term.

(a) McDonald's grants to Franchisee for the following stated term the right, license, and privilege:

- (i) to adopt and use the McDonald's System at the Restaurant;
- (ii) to advertise to the public that Franchisee is a franchisee of McDonald's;
- (iii) to adopt and use, but only in connection with the sale of those food and beverage products which have been designated by McDonald's at the Restaurant, the trade names, trademarks and service marks which McDonald's shall designate, from time to time, to be part of the McDonald's System; and
- (iv) to occupy the Restaurant as provided herein.

The rights granted under this Franchise are limited to the Restaurant's location only.

(b) The term of this Franchise shall begin on February 13, 1998 and end on February 12, 2018, unless terminated prior thereto pursuant to the provisions hereof.

3. General Services of McDonald's. McDonald's shall advise and consult with Franchisee periodically in connection with the operation of the Restaurant and also, upon Franchisee's request, at other reasonable times. McDonald's shall communicate to Franchisee its know-how, new developments, techniques and improvements in areas of restaurant management, food preparation, and service which are pertinent to the operation of a restaurant using the McDonald's System. The communications shall be accomplished by visits by Operations Consultants, printed and filmed reports, seminars, and newsletter mailings. McDonald's shall also make available to Franchisee all additional services, facilities, rights and privileges relating to the operation of the Restaurant which McDonald's makes generally available, from time to time, to all its franchisees operating McDonald's restaurants.

4. Manuals. McDonald's shall provide Franchisee with the business manuals prepared by McDonald's for use by franchisees of McDonald's restaurants similar to the Restaurant. The business manuals contain detailed information including: (a) required operations procedures; (b) methods of inventory control; (c) bookkeeping and accounting procedures; (d) business practices and policies; and (e) other management and advertising policies. Franchisee agrees to promptly adopt and use exclusively the formulas, methods and policies contained in the business manuals, now and as they may be modified by McDonald's from time to time. Franchisee acknowledges that McDonald's is the owner of all proprietary rights in and to the McDonald's System and that the information revealed in the business manuals, in their entirety, constitute confidential trade secrets. Without the prior written consent of McDonald's, Franchisee shall not disclose the contents of the business manuals to any person, except employees of Franchisee for purposes related solely to the operation of the Restaurant, nor shall Franchisee reprint or reproduce the manuals in whole or in part for any purpose except in connection with instruction of employees in the operation of the Restaurant. Such manuals, as modified by McDonald's from time to time, and the policies contained therein, are incorporated in this Franchise by reference.

5. Advertising. McDonald's employs both public relations and advertising specialists who formulate and carry out national and local advertising programs for the McDonald's System.

Franchisee shall use only advertising and promotional materials and programs provided by McDonald's or approved in advance in writing by McDonald's. Neither the approval by McDonald's of Franchisee's advertising and

McD-WACID-000366

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

promotional material nor the providing of such material by McDonald's to Franchisee shall, directly or indirectly, require McDonald's to pay for such advertising or promotion.

Franchisee shall expend during each calendar year for advertising and promotion of the Restaurant to the general public an amount which is not less than four percent (4%) of Gross Sales (as that term is defined in Paragraph 7) for such year. Expenditures by Franchisee to national and regional cooperative advertising and promotion of the McDonald's System, or to a group of McDonald's restaurants which includes the Restaurant, shall be a credit against the required minimum expenditures for advertising and promotion to the general public.

6. **Training.** McDonald's shall make available to Franchisee the services of Hamburger University, the international training center for the McDonald's System. Franchisee acknowledges the importance of quality of business operation among all restaurants in the McDonald's System and agrees to enroll Franchisee and Franchisee's managers, present and future, at Hamburger University or at such other training center as may be designated by McDonald's from time to time. McDonald's shall bear the cost of maintaining Hamburger University and any other training centers, including the overhead costs of training, staff salaries, materials and all technical training tools and agrees to provide to Franchisee both basic and advanced instruction for the operation of a McDonald's System restaurant. Franchisee shall pay all traveling, living, compensation or other expenses incurred by Franchisee and Franchisee's employees in connection with attendance at Hamburger University or such other training centers.

7. **Gross Sales.** For the purposes of this Franchise, the term "Gross Sales" shall mean all revenues from sales of the Franchisee based upon all business conducted upon or from the Restaurant, whether such sales be evidenced by check, cash, credit, charge account, exchange or otherwise, and shall include, but not be limited to, the amounts received from the sale of goods, wares and merchandise, including sales of food, beverages and tangible property of every kind and nature, promotional or otherwise and for services performed from or at the Restaurant, together with the amount of all orders taken or received at the Restaurant, whether such orders be filled from the Restaurant or elsewhere. Gross Sales shall not include sales of merchandise for which cash has been refunded, provided that such sales shall have previously been included in Gross Sales. There shall be deducted from Gross Sales the price of merchandise returned by customers for exchange, provided that such returned merchandise shall have been previously included in Gross Sales, and provided that the sales price of merchandise delivered to the customer in exchange shall be included in Gross Sales. Gross Sales shall not include the amount of any sales tax imposed by any federal, state, municipal or other governmental authority directly on sales and collected from customers, provided that the amount thereof is added to the selling price or absorbed therein, and actually paid by the Franchisee to such governmental authority. Each charge or sale upon credit shall be treated as a sale for the full price in the month during which such charge or sale shall be made, irrespective of the time when the Franchisee shall receive payment (whether full or partial) therefor.

8. (a) **Service Fee.** Franchisee shall pay a monthly service fee on or before the 10th day of the following month in an amount equal to four percent (4.0%) of the Gross Sales of the Restaurant for the preceding month immediately ended.

(b) **Method of Payment.** Franchisee shall at all times participate in the McDonald's automatic debit/credit transfer program as specified by McDonald's from time to time (currently called the Pre-Authorized Licensee Payment System (PAL\$ QUICK McDONALD'S)) for the payment of all amounts due McDonald's pursuant to this Franchise. Franchisee shall execute and deliver to McDonald's such documents and instruments as may be necessary to establish and maintain said automatic debit/credit transfer program.

(c) **Interest on Delinquencies.** In the event that the Franchisee is past due on the payment of any amount due McDonald's, under this Franchise, including accrued interest, the Franchisee shall be required, to the extent permitted by law, to pay interest on the past due amount to McDonald's for the period beginning with the original due date for payment to the date of actual payment at an annual rate equal to the highest rate allowed by law or if there is no maximum rate permitted by law, then 15%. Such interest will be calculated on the basis of monthly compounding and the actual number of days elapsed divided by 365.

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

9. **Initial Fee.** Franchisee acknowledges that: (a) the initial grant of this Franchise constitutes the sole consideration for the payment of an Initial Fee of Forty-Five Thousand Dollars (\$45,000.00) paid by Franchisee to McDonald's; and (b) the fee has been earned by McDonald's.

10. **Reports.** On or before 11:00 a.m. Central Standard Time on the first business day of each month, Franchisee shall render, in a manner specified by McDonald's, a statement, in such form as McDonald's shall reasonably require from time to time, of all receipts from the operation of the Restaurant for the preceding month immediately ended. On or before the twenty-fifth (25th) day of each month Franchisee shall submit to McDonald's an operating statement and a statistical report for the previous month in form satisfactory to McDonald's. Franchisee shall keep and preserve full and complete records of Gross Sales for at least three years in a manner and form satisfactory to McDonald's and shall also deliver such additional financial, operating and other information and reports as McDonald's may reasonably request on the forms and in the manner prescribed by McDonald's. Franchisee further agrees to submit within ninety (90) days following the close of each fiscal year of the Restaurant's operation, a profit and loss statement covering operations during such fiscal year and a balance sheet taken as of the close of such fiscal year, all prepared in accordance with generally accepted accounting principles. The profit and loss statement and the balance sheet shall, if McDonald's shall request certification, be certified by a certified public accountant. Franchisee shall at Franchisee's expense cause Franchisee's public accountant and certified public accountant, if any, to consult with McDonald's concerning such statement and balance sheet. The original of each such report required by this paragraph 10 shall be mailed to McDonald's at the address indicated in paragraph 22 herein.

McDonald's shall have the right to inspect and/or audit Franchisee's accounts, books, records and tax returns at all reasonable times to insure that Franchisee is complying with the terms of this Franchise. If such inspection discloses that Gross Sales actually exceeded the amount reported by Franchisee as Gross Sales by an amount equal to two percent (2%) or more of Gross Sales originally reported to McDonald's, Franchisee shall bear the cost of such inspection and audit.

11. **Restrictions.** Franchisee agrees and covenants as follows:

(a) During the term of this Franchise, Franchisee shall not, without the prior written consent of McDonald's, directly or indirectly, engage in, acquire any financial or beneficial interest (including interests in corporations, partnerships or trusts, unincorporated associations and joint ventures) in, or become a landlord for any restaurant business, which is similar to the Restaurant.

(b) Franchisee shall not, for a period of 18 months after termination of this Franchise for any reason or the sale of the Restaurant, directly or indirectly, engage in or acquire any financial or beneficial interest (including any interest in corporations, partnerships or trusts, unincorporated associations and joint ventures) in, or become a landlord of any restaurant business which is similar to the Restaurant within a ten-mile radius of the Restaurant.

(c) Franchisee shall not appropriate, use, or duplicate the McDonald's System, or any portion thereof, for use at any other self-service, carry-out or other similar restaurant business.

(d) Franchisee shall not disclose or reveal any portion of the McDonald's System to a non-franchisee other than to Franchisee's Restaurant employees as an incident of their training.

(e) Franchisee shall acquire no right to use, or to license the use of, any name, mark or other intellectual property right granted or to be granted herein, except in connection with the operation of the Restaurant.

The restrictions contained in paragraphs 11(a) and (b) herein shall not apply to ownership of less than two percent (2%) of the shares of a company whose shares are listed and traded on a national or regional securities exchange.

12. **Compliance with Entire System.** Franchisee acknowledges that every component of the McDonald's System is important to McDonald's and to the operation of the Restaurant as a McDonald's restaurant, including a designated menu of food and beverage products; uniformity of food specifications, preparation methods, quality and appearance; and uniformity of facilities and service.

McD-WACID-000368

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

McDonald's shall have the right to inspect the Restaurant at all reasonable times to ensure that Franchisee's operation thereof is in compliance with the standards and policies of the McDonald's System.

Franchisee shall comply with the entire McDonald's System, including, but not limited to, the following:

(a) Operate the Restaurant in a clean, wholesome manner in compliance with prescribed standards of Quality, Service, and Cleanliness; comply with all business policies, practices and procedures imposed by McDonald's; serve at the Restaurant only those food and beverage products now or hereafter designated by McDonald's; and maintain the building, equipment, signage, seating and decor and parking area, in a good, clean, wholesome condition and repair, and well lighted and in compliance with designated standards as may be prescribed from time to time by McDonald's;

(b) Purchase kitchen fixtures, lighting and other equipment, seating, and signs in accordance with the equipment specifications and layout initially designated by McDonald's, and, promptly after notice from McDonald's that the Restaurant premises are ready for occupancy, cause the installation thereof;

(c) Keep the Restaurant constructed and equipped in accordance with the building blueprints and equipment layout plans that are standard in the McDonald's System or as such blueprints and plans may be reasonably changed from time to time by McDonald's;

(d) Franchisee shall not, without the prior written consent of McDonald's: (i) make any building design conversion, or (ii) make any alterations, conversions, or additions to the building, equipment or parking area;

(e) Make repairs or replacements required because of damage, wear and tear, or in order to maintain the Restaurant building and parking area in good condition and in conformity to blueprints and plans;

(f) Where parking is provided, maintain the parking area for the exclusive use of Restaurant customers;

(g) Operate the Restaurant seven days per week throughout the year and at least during the hours from 7:00 a.m. to 11:00 p.m., or such other hours as may from time to time be prescribed by McDonald's (except when the Restaurant is untenable as a result of fire or other casualty), maintain sufficient supplies of food and paper products, and employ adequate personnel so as to operate the Restaurant at its maximum capacity and efficiency;

(h) Cause all employees of Franchisee, while working in the Restaurant, to: (i) wear uniforms of such color, design and other specifications as McDonald's may designate from time to time, (ii) present a neat and clean appearance, and (iii) render competent and courteous service to Restaurant customers;

(i) In the dispensing and sale of food products: (i) use only containers, cartons, bags, napkins and other paper goods and packaging bearing the approved trademarks and which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; (ii) use only those flavorings, garnishments and food and beverage ingredients which meet the McDonald's System specifications and quality standards which McDonald's may designate from time to time; and (iii) to employ only those methods of food handling and preparation which McDonald's may designate from time to time;

(j) To make prompt payment in accordance with the terms of invoices rendered to Franchisee on Franchisee's purchase of fixtures, signs, equipment and food and paper supplies; and

(k) At Franchisee's own expense, comply with all federal, state and local laws, ordinances and regulations affecting the operation of the Restaurant.

13. **Best Efforts.** Franchisee shall diligently and fully exploit the rights granted in this Franchise by personally devoting full time and best efforts and, in case more than one individual has executed this Franchise as the Franchisee, then Rodger L. Berryman and Laurie Berryman shall personally devote full time and best efforts to the operation of the Restaurant. Franchisee shall keep free from conflicting enterprises or any other activities which would be detrimental to or interfere with the business of the Restaurant.

14. **Interference with Employment Relations of Others.** During the term of this Franchise, Franchisee shall not employ or seek to employ any person who is at the time employed by McDonald's, any of its subsidiaries, or by any person who is at the time operating a McDonald's restaurant or otherwise induce, directly or indirectly, such person to leave such employment. This paragraph 14 shall not be violated if such person has left the employ of any of the foregoing parties for a period in excess of six months.

McD-WACID-000369

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

15. **Assignment.** Without the prior written consent of McDonald's, Franchisee's interest in this Franchise shall not be assigned or otherwise transferred in whole or in part (whether voluntarily or by operation of law) directly, indirectly, or contingently, and then only in accordance with the terms of this paragraph 15.

(a) **Death or Permanent Incapacity of Franchisee.** Upon the death or permanent incapacity of Franchisee, the interest of Franchisee in this Franchise may be assigned either pursuant to the terms of sub-paragraph (d) herein or to one or more of the following persons: Franchisee's spouse, heirs, or nearest relatives by blood or marriage, subject to the following conditions: (i) if, in the sole discretion of McDonald's, such person shall be capable of conducting the Restaurant business in accordance with the terms and conditions of this Franchise, and (ii) if such person shall also execute an agreement by which the person personally assumes full and unconditional liability for and agrees to perform all the terms and conditions of this Franchise to the same extent as the original Franchisee. If, in McDonald's sole discretion, such person cannot devote full time and best efforts to the operation of the Restaurant or lacks the capacity to operate the Restaurant in accordance with this Franchise, McDonald's shall have an option to operate and/or manage the Restaurant for the account of Franchisee or of Franchisee's estate until the deceased or incapacitated Franchisee's interest is transferred to another party acceptable to McDonald's in accordance with the terms and conditions of this Franchise. However, in no event shall such McDonald's operation and management of the Restaurant continue for a period in excess of twelve (12) full calendar months without the consent of Franchisee or Franchisee's estate. In the event that McDonald's so operates and/or manages the Restaurant, McDonald's shall make a complete account to and return the net income from such operation to the Franchisee or to Franchisee's estate, less a reasonable management fee and expenses. If the disposition of the Restaurant to a party acceptable to McDonald's has not taken place within twelve (12) months from the date that McDonald's has commenced the operation or management of the Restaurant on behalf of the deceased or incapacitated Franchisee, then, in that event McDonald's shall have the option to purchase the Restaurant at fair market value for cash or its common stock at its option.

(b) **Assignment to Franchisee's Corporation.** McDonald's shall, upon Franchisee's compliance with such requirements as may from time to time be prescribed by McDonald's, including a Stockholders Agreement in the form prescribed by McDonald's, consent to an assignment to a corporation whose shares are wholly owned and controlled by Franchisee. The corporate name of the corporation shall not include any of the names or trademarks granted by this Franchise. Any subsequent assignment or transfer, either voluntarily or by operation of law, of all or any part of said shares shall be made in compliance with the terms and conditions set forth in sub-paragraph (a) and (d) herein.

(c) **First Option to Purchase.** Franchisee or Franchisee's representative shall at least 20 days prior to the proposed effective date give McDonald's written notice of intent to sell or otherwise transfer this Franchise pursuant to sub-paragraph (d) of this paragraph 15. The notice shall set forth the name and address of the proposed purchaser and all the terms and conditions of any offer. McDonald's shall have the first option to purchase the Restaurant by giving written notice to Franchisee of its intention to purchase on the same terms as the offer within ten (10) days following McDonald's receipt of such notice. However, if McDonald's fails to exercise its option and the Restaurant is not subsequently sold to the proposed purchaser for any reason, McDonald's shall continue to have, upon the same conditions, a first option to purchase the Restaurant upon the terms and conditions of any subsequent offer.

(d) **Other Assignment.** In addition to any assignments or contingent assignments contemplated by the terms of sub-paragraphs (a) and (b) of this paragraph 15, Franchisee shall not sell, transfer or assign this Franchise to any person or persons without McDonald's prior written consent. Such consent shall not be arbitrarily withheld.

In determining whether to grant or to withhold such consent, McDonald's shall consider of each prospective transferee, by way of illustration, the following: (i) work experience and aptitude, (ii) financial background, (iii) character, (iv) ability to personally devote full time and best efforts to managing the Restaurant, (v) residence in the locality of the Restaurant, (vi) equity interest in the Restaurant, (vii) conflicting interests, and (viii) such other criteria and conditions as McDonald's shall then apply in the case of an application for a new franchise to operate a McDonald's restaurant. McDonald's consent shall also be conditioned each upon such transferee's execution of an agreement by which transferee personally assumes full and unconditional liability for and agrees to perform from the date of such transfer all

McD-WACID-000370

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

obligations, covenants and agreements contained in this Franchise to the same extent as if transferee had been an original party to this Franchise. Franchisee-transferor shall continue to remain personally liable for all affirmative obligations, covenants and agreements contained herein for the full term of this Franchise or for such shorter period as McDonald's may, in its sole discretion, determine. Upon each assignment or other transfer of this Franchise to any person or persons under the terms and conditions of this sub-paragraph 15(d), the percentage service fee charge owing to McDonald's after the date of such assignment or transfer shall be automatically adjusted to the then prevailing percentage service fee charge required under new Franchises issued by McDonald's for similar McDonald's restaurants at the time of such assignment or transfer.

16. **Franchisee not an Agent of McDonald's.** Franchisee shall have no authority, express or implied, to act as agent of McDonald's or any of its affiliates for any purpose. Franchisee is, and shall remain, an independent contractor responsible for all obligations and liabilities of, and for all loss or damage to, the Restaurant and its business, including any personal property, equipment, fixtures or real property connected therewith and for all claims or demands based on damage or destruction of property or based on injury, illness or death of any person or persons, directly or indirectly, resulting from the operation of the Restaurant. Further, Franchisee and McDonald's are not and do not intend to be partners, associates, or joint employers in any way and McDonald's shall not be construed to be jointly liable for any acts or omissions of Franchisee under any circumstances.

17. **Insurance.** Franchisee shall, upon taking possession of the Restaurant, acquire and maintain in effect such insurance with such coverages as may be required by the terms of any lease of the Restaurant premises to McDonald's, and in any event, Franchisee shall acquire and maintain in effect not less than the following coverages in the following minimum amounts:

(a) Worker's Compensation insurance prescribed by law in the state in which the Restaurant is located and Employer's Liability Insurance with \$100,000 minimum limit. If the state in which the Restaurant is located allows the option of not carrying Worker's Compensation Insurance, and Franchisee chooses to exercise that option, Franchisee shall nonetheless carry and maintain other insurance with limits at least equal to those established by the state's Worker's Compensation law or as may be approved by McDonald's.

(b) Comprehensive general liability insurance in a form approved by McDonald's with a combined single limit of \$5,000,000.00 for Bodily Injury and Property Damage, per occurrence.

(c) All such insurance as may be required under the Lease.

All insurance policies required to be carried hereunder shall name McDonald's and any party designated by McDonald's as additional insureds, as their interests may appear in this Franchise. All policies shall be effective on or prior to the date Franchisee is given possession of the Restaurant premises for the purpose of installing equipment or opening the Restaurant, whichever occurs first, and evidence of payment of premiums and duplicate copies of policies of the insurance required herein shall be delivered to McDonald's at least thirty (30) days prior to the date that Franchisee opens for business and/or thirty (30) days prior to the expiration dates of an existing policy of insurance. All policies of insurance shall include a provision prohibiting cancellations or material changes to the policy thereof until thirty (30) days written notice has been given to McDonald's.

In the event Franchisee shall fail to obtain the insurance required herein, McDonald's may, but need not, purchase said insurance, adding the premiums paid to Franchisee's monthly rent. (Franchisee may authorize McDonald's to purchase and to administer the required minimum insurance on Franchisee's behalf. However, McDonald's by placement of the required minimum insurance, assumes no premium expense nor guarantees any losses sustained). McDonald's may relieve itself of all obligations with respect to the administration of such required insurance coverage by giving ten (10) days written notice to Franchisee.

All insurance shall be placed with a reputable insurance company licensed to do business in the state in which the Restaurant is located and having a Financial Size Category of XV and Policyholders Rating of "A+" or "A" (Excellent) as assigned by Alfred M. Best and Company, Inc.

- (j) Franchisee shall knowingly sell food or beverage products other than those designated by McDonald's or which fail to conform to McDonald's System specifications for those products, or which are not prepared in accordance with the methods prescribed by McDonald's, or fail to sell products designated by McDonald's;

- (q) Franchisee intentionally understates Gross Sales reported to McDonald's.

19. **Other Breaches.** If Franchisee fails in the performance of any of the terms and conditions of this Franchise (other than performance of the terms and conditions listed in paragraph 18), Franchisee shall be guilty of a breach of this Franchise which shall not (except in the case of repeated breaches of the same or of different terms and conditions of this Franchise) constitute grounds for termination of this Franchise. McDonald's shall have the right to seek judicial

McD-WACID-000372

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

enforcement of its rights and remedies, including, but not limited to, injunctive relief, damages, or specific performance. Notwithstanding any of the provisions of this paragraph 19, any uncured breach of the terms of this Franchise (whether of paragraph 18 or 19) shall be sufficient reason for McDonald's to withhold approval of its consent to any assignment or transfer of Franchisee's interest in this Franchise provided for herein.

20. *Effect of Termination.*

(a) In the event of any material breach of this Franchise, McDonald's shall have an immediate right to enter and take possession of the Restaurant in order to maintain continuous operation of the Restaurant, to provide for orderly change of management and disposition of personal property, and to otherwise protect McDonald's interest.

(b) Upon termination of this Franchise due to any breach or breaches, Franchisee shall not, without the prior written consent of McDonald's, remove any furniture, fixtures, signs, equipment or other property or leasehold improvements from the premises either prior to or for a period of thirty (30) days following such termination. McDonald's shall have the option for thirty (30) days following any such termination to purchase Franchisee's furniture, fixtures, signs, equipment, leasehold improvements and other property or any portion thereof for a sum equal to the fair market value of such property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(c) Upon termination of this Franchise due to the expiration of its term or as a result of any eminent domain proceedings affecting the premises upon which the Restaurant is situated, Franchisee shall not remove any furniture, fixtures, signs, equipment and other property or leasehold improvements within sixty (60) days prior to the date specified for termination or the date specified for takeover by any public authority. McDonald's shall, upon written notice at least thirty (30) days prior to such date of termination of McDonald's intention to purchase said property, have the option to purchase Franchisee's furniture, fixtures, signs, equipment and other chattels or any portion thereof for a sum equal to the fair market value of such physical property. In the event of such a termination, there shall be no payment by McDonald's for intangible assets of Franchisee.

(d) Upon termination or expiration of this Franchise, Franchisee shall forthwith return to McDonald's the business manuals furnished to Franchisee, together with all other material containing trade secrets, operating instructions or business practices; discontinue the use of the McDonald's System and its associated trade names, service marks and trademarks or the use of any and all signs and printed goods bearing such names and marks, or any reference to them; not disclose, reveal or publish all or any portion of the McDonald's System; and Franchisee shall not thereafter use any trade name, service mark or trademark similar to or likely to be confused with those of McDonald's.

21. *Effect of Waivers.* No waiver by McDonald's or any breach or a series of breaches of this Franchise shall constitute a waiver of any subsequent breach or waiver of the terms of this Franchise.

22. *Notices.* Any notice hereunder shall be in writing and shall be delivered by personal service or by United States certified or registered mail, with postage prepaid, addressed to Franchisee at the Restaurant or to McDonald's at **ONE McDONALD'S PLAZA, OAK BROOK, ILLINOIS 60523**. Either party, by a similar written notice, may change the address to which notices shall be sent.

23. *Cost of Enforcement.* If McDonald's institutes any action at law or in equity against Franchisee to secure or protect McDonald's rights under or to enforce the terms of this Franchise, in addition to any judgment entered in its favor, McDonald's shall be entitled to recover such reasonable attorneys' fees as may be allowed by the court together with court costs and expenses of litigation.

24. *Indemnification.* If McDonald's shall be subject to any claim, demand or penalty or become a party to any suit or other judicial or administrative proceeding by reason of any claimed act or omission by Franchisee, Franchisee's employees or agents, or by reason of any act occurring on the Restaurant premises, or by reason of an omission with respect to the business or operation of the Restaurant, Franchisee shall indemnify and hold McDonald's harmless against all judgments, settlements, penalties, and expenses, including attorneys' fees, court costs and other expenses of litigation or administrative proceeding, incurred by or imposed on McDonald's in connection with the investigation or defense relating

McD-WACID-000373

CONFIDENTIAL PURSUANT TO REVISED CODE OF WASHINGTON, c. 19.86 § 110(7)

to such claim or litigation or administrative proceeding and, at the election of McDonald's, Franchisee shall also defend McDonald's.

25. **Construction and Severability.** All references in this Franchise to the singular shall include the plural where applicable. If any part of this Franchise for any reason shall be declared invalid, such decision shall not affect the validity of any remaining portion, which shall remain in full force and effect. In the event that any material provision of this Franchise shall be stricken or declared invalid, McDonald's reserves the right to terminate this Franchise.

26. **Scope and Modification of Franchise.** This Franchise (including Exhibit A and any riders hereto) constitutes the entire agreement between the parties and supersedes all prior and contemporaneous, oral or written, agreements or understandings of the parties. No interpretation, change, termination or waiver of any of the provisions hereof shall be binding upon McDonald's unless in writing signed by an officer of McDonald's or its Franchising Director, and which is specifically identified as an amendment hereto. No modification, waiver, termination, rescission, discharge or cancellation of this Franchise shall affect the right of any party hereto to enforce any claim or right hereunder, whether or not liquidated, which occurred prior to the date of such modification, waiver, termination, rescission, discharge or cancellation.

27. **Governing Laws.** The terms and provisions of this Franchise shall be interpreted in accordance with and governed by the laws of the state of Illinois.

28. **Acknowledgment.** Franchisee acknowledges that:

(a) The term of this Franchise is set forth in paragraph 2(b) hereof with no promise or representation as to the renewal of this Franchise or the grant of a new franchise;

(b) Franchisee hereby represents that Franchisee has received a copy of this Franchise, has read and understands all obligations being undertaken and has had an opportunity to consult with Franchisee's attorney with respect thereto at least five (5) business days prior to execution;

(c) No representation has been made by McDonald's as to the future profitability of the Restaurant;

(d) Prior to the execution of this Franchise, Franchisee has worked at a McDonald's restaurant, has had ample opportunity to contact existing franchisees of McDonald's and to investigate all representations made by McDonald's relating to the McDonald's System;

(e) This Franchise establishes the Restaurant at the location specified on page 1 hereof only and that no "exclusive," "protected" or other territorial rights in the contiguous market area of such Restaurant is hereby granted or inferred;

(f) This Franchise supersedes any and all other agreements, representations, respecting the Restaurant and contains all the terms, conditions, and obligations of the parties with respect to the grant of this Franchise;
